Graduate Annual 2015

Dedication to Zane Robinson Wolf, Ph.D., R.N., FAAN

On behalf of graduate students, faculty, graduate directors, deans, and the Provost, we dedicate the third *La Salle University Graduate Annual* to Zane Robinson Wolf, Ph.D., R.N., FAAN, for her tireless efforts and contributions toward the growth of graduate studies at La Salle University.

Zane Wolf, Dean *Emerita* and professor of nursing in the School of Nursing and Health Sciences, has an outstanding record of achievement that spans several decades. Under her leadership, the School of Nursing and Health Sciences established a doctoral program in Nursing Practice; master's degree programs in Speech-Language Pathology and Public Health; a Family Nurse Practitioner track in the Master of Science in Nursing program; a dual MSN/MBA program; baccalaureate programs in nutrition and health studies; an R.N. to BSN program; and 10 certificate programs. Wolf co-developed the school's annual distinguished lecture and student research poster session to promote education in the field and to showcase student scholarship. In addition, Wolf oversaw the physical relocation of the school from Wister Hall to St. Benilde Tower.

Wolf is well-regarded among her colleagues and the professional community and has been the recipient of numerous national and international awards. She continues to teach in the undergraduate, master's, and doctoral nursing programs while co-chairing the Middle States Self-Study Steering Committee. We thank Zane for all of her efforts to enhance the culture of graduate studies at La Salle University.
