It has been accepted for inclusion in Celebrating Faculty Achievement by an authorized administrator of La Salle University Digital Commons. For more information, please contact careyc@lasalle.edu.

CELEBRATING FACULTY ACHIEVEMENT

MARCH 17, 2014

Heritage Week offers the Lasallian community the opportunity to recognize the outstanding academic achievements of the University's faculty and staff and to highlight their contribution to enhancing our academic reputation and standing. On March 17, 2014, La Salle University held its annual "Celebrating Faculty Achievement" reception. At this event we recognized notable achievements by the University Faculty in the areas of scholarship, University service, and commitment to the mission of Lasallian education.

What follows on subsequent pages is a selection of scholarly efforts by our faculty in 2012 and 2013.

Honorees

FACULTY DISTINGUISHED SERVICE AWARD:

Lynne A. Texter, Ph.D.
Associate Professor
Communication

FACULTY DISTINGUISHED SCHOLARSHIP AWARD

Frederick Van Fleteren, Ph.D.
Professor

GARY MICHALEK

Research for a paper on complex integer number systems and its relation to tilings of the plane by fractals.

ANN MICKLE

Instructor, The Arboretum School of the Barnes Foundation, September, 2012-May 2013. Taught two courses: “Plant Structure” and “Function and Survey of the Plant Kingdom.”

GERARD MOLYNEAUX, F.S.C.

(2013, March). "Creating and Adapting the Peace Corps Advertising 1960-1969." at the Popular Culture Association/ American Culture Association Conference in Washington, D.C.

(2013, April). "The Confluence of Causes, crises, and Communication Strategies in Establishing the Peace Corps, 1961" at the Eastern Communication Conference in Pittsburgh, PA.

Collaborated with Nicholas Gogno, Information Technology Department, in developing Prezi presentations for my two conference appearances and another Prezi presentation for a lecture to the internship students on searching for jobs.

Used Fall 2012 sabbatical to complete the paper for the Eastern Communication Association Conference.

Continued research on the unique relationship of the Peace Corps and the University of Notre Dame, and made a start of the research on the "Wisconsin Plan," a recruiting strategy employed by the Peace Corps starting in 1963.

DIANA MONTAGUE

(with Bousquet, B.) (2013, April). "Development of ecologically valid film clips to study social perceptions in adolescents," presented at the Poster Session of the Annual Showcase for the Science of Psychology and its Application, April 4, 2013.

(with Ziegler, S. and Guzman, A.), (2013, April). "Observer coding of videotaped facial and gaze behaviors of participants in an emotion development study," presented at the Undergraduate Poster Session, La Salle University, Philadelphia, PA, April 30, 2013.

Continued to develop and refine new paradigm for studying children's ability to empathize with peers. Completed filming of children in preschools in Philadelphia and New Jersey. Created and validated ecologically valid video clips for use with young children. June 1, 2013 to May 31, 2013.

Extended paradigm into adolescence. Filmed teens between the ages of 13 and 17 at People's Light and Theater Co. in two parts: Filmed teen focus group discussion of personal bullying experiences in middle and high school. Worked with same group to create improvised vignettes of four types of bullying behaviors (i.e., verbal, physical, and cyber bullying, and relational aggression). Currently mentoring undergraduate student to edit the films to create ecologically valid video clips for use in a study of social perceptions in peer relations. January 1, 2013 to May 31, 2013.

Membership Secretary/Executive Committee, International Society for Research on Emotion.

Lead a biweekly Emotion Development Research group to develop research ideas and support the implementation of various studies in emotion and human development.

Provide child development training/behavioral strategies to parents, teachers, and family care professionals.

SIMON MOON.
