COURSE CARDS

Members of the faculty are asked to return students' course cards to C103 some time this week (11-15 February). We plan to have class lists made up and we will send these to you as soon as we can. Please don't allow any student in your class until he has presented a course card to you.

NCEA LISTING

We have a request from the NCEA for a listing of any faculty members holding office on regional or national committees, boards, and foundations. Any faculty members holding such offices are requested to turn in a card to that effect to the Dean of the College, preferably at the Faculty Meeting.

FACULTY MEETING

Additional Items on Agenda for the Faculty Meeting of Wednesday, February 13:

- a) Faculty discussion of abuses in the examination process.
- b) Refreshments will be served after the meeting, in the cafeteria. All are cordially invited.

BLOOD DONORS

The Red Cross Blood Mobile will be on campus March 11, 1957.

Since you belong to an organization that participates in the Blood Program on a regular basis, you and your immediate family are covered under the "group assurance plan". Twenty percent must donate.

If twenty percent is not reached, then, as a participating member, you and the members of your immediate family are eligible to receive blood if needed. This protection continues for one year after your donation.
