four quarters

a literary magazine published quarterly during the academic year,

- aimed at focusing the practice and appreciation of writing in the Catholic tradition . . .
- aimed more particularly at fixing a channel of expression for Faculty, Alumni, and Students of La Salle College, the Brothers of the Christian Schools, and selected outside contributors . . .

The Editors accordingly offer the pages of **FOUR QUARTERS** as a common ground for the creative, critical, or scholarly writer and the alert and reflective reader. They promise that each manuscript submitted will receive careful consideration, and, realizing that creative growth is dependent on sustained interest, they welcome the attention and comments of their subscribers.
