for the 2005 – 2006 school year**

From: Community Development  
Re: Resident and Community Assistant Selection**

The Fall 2004 semester is quickly winding down. For Community Development, this means the start of recruiting efforts for the 2005-2006 Resident and Community Assistant Staff. In our preparations, we are seeking your assistance. In your position, you come in contact with students who have the potential to become tomorrow's student leaders. Through RA and CA positions, we offer an opportunity, which will allow those students to develop that potential.

A Resident Assistant is a paraprofessional staff member of the Division of Student Affairs. It is the responsibility of the RA to supplement and complement the process of formal education by enhancing the quality of life in the residential facilities. Therefore, we are seeking individuals who demonstrate initiative, dependability, and a positive attitude. Ideal candidates are also students who embrace the ideals of community living and have shown the ability to empower others. The positions in our upper-class apartment and townhouse facilities are called Community Assistants. While many of the same characteristics apply for both CA and RA applicants, for CAs we are especially looking for current sophomores or juniors who show the unique balance of being able to relate to and motivate their peers while serving as a positive role model who can hold their peers accountable for their actions.

We would like you to use the form below to recommend possible RA and CA candidates. Please write the names and addresses of these students and return it to **Community Development, Union 303, Box 819** or e-mail your nominations to [giammarco@lasalle.edu](mailto:giammarco@lasalle.edu) by Monday, November 15, 2004. These nominated students will be given information about the RA and CA positions and application process.

Thank you in advance for your prompt attention to this matter. Your time and energy will benefit us all!!!! If you have any questions about the process or either of the positions, please feel free to contact Myra McPhee, Resident Coordinator at extension 5131.
