Other University Archives collections contain photographs as well. Please consult individual finding aids, <http://www.lasalle.edu/library/universityarchives/finding-aids/>.

Access and Use

This collection is open for reasearch use. Permission to use photographs from the collection for publication will be handled on a case by case basis.

Arrangement Note

Folders are arranged alphabetically by subject.

This inventory represents the bulk of the Photograph Collection. It will be updated periodically as more photographs are added to the collection.

Scope and Content

The Photograph Collection consists of thousands of images that document the history of La Salle from the early 20th century to the present.

The collection features both black and white and color images of campus, campus buildings, university events, athletic teams, student organizations, classroom scenes, faculty and staff portraits, and more.

The bulk of the photographs were produced by the campus News Bureau, Athletics staff, Yearbook staff, or University Marketing and Communications. The collection includes some photographs that were donated by student organizations or individual members of the campus community.
