COLLEGE FACULTY BULLETIN  
October 17, 1958

Our College Faculty Bulletin will be published every two weeks to keep the members of the Faculty of the Day Session informed on happenings, events, varied problems and just plain "news" that may occur during the interval lapsing between issues.

These bulletins are intended exclusively for members of the faculty and not for general publication.

If you should have any material of faculty interest that you wish to publish in the College Faculty Bulletin, please do not hesitate to submit your material to the Office of the Dean of Students, C-104.

NEW OFFICERS - (From the Office of the President)

The Vice President of the College, according to provisional statutes, may be assigned to another major administrative post. There is no identification, by statute, of the office of the Vice President with any one particular administrative post. Last year Brother Daniel Bernian was Vice President and Dean of Students. At the last Board of Managers meeting Brother D. John was named Vice President and Dean of the College. The Vice President of the College automatically becomes Vice President of the Corporation. Brother Edward John was named Secretary of the Corporation. The Board of Managers consists of twelve members, at least seven of whom are members of the Institute of the Christian Brothers. To bring the Board to its required number Brother E. Francis, Principal of La Salle College High School, was elected to the Board.

The Administrator of the student personnel services is the Dean of Students. Responsible to the Dean of Students are the following:

- (a) College Chaplain
- (b) Director of Housing
- (c) Director of the Counseling Center
- (d) Director of Student Organizations
- (e) Director of Athletics
- (f) Director of the Health Program
- (g) Director of the Placement Office
- (h) Director of the Alumni Assn.
- (i) Dean of Freshmen

Brother Gavin Paul has been officially named to the office of Dean of Students.

HINTS FOR BETTER HOUSEKEEPING (Dean of the College)

Our classrooms are used so continuously throughout the day that all faculty members must cooperate in keeping them as clean and presentable as possible. It is not proper to have papers and cigarette butts on the floor, or to have the boards unerased when leaving the class. Please note especially the following directives:

- a) Faculty members should not smoke in the classrooms, even during the ten minute break between classes, and should insist that students not smoke in the classroom. This positive order is issued for the common good, as a contribution towards good order and cleanliness of the classrooms.
- b) All faculty members should erase the boards or have them erased before leaving a classroom.
- c) Your attention is directed to keeping the classrooms properly ventilated during classes. Please see to it that shades are not allowed to flap in the wind after the room is cleared of students.

The cooperation of all faculty members is earnestly requested in following these directives.

FACULTY MAY CLAIM TAX REFUNDS (President's Office)

The NEA in its September 11 issue remarks: 'Educators caught in that 10-day squeeze last April have until November 1 to claim tax refunds for the money they spent out of their own pockets for extra education in 1954. Total amount spent that way in 1954 was around \$20 million, and vast majority with refunds coming didn't have time

to file for refunds between April 5, when new regulation went into effect, and deadline for returns on April 15." (However, it doesn't extend the deadline for other years -- refund for 1955 must be claimed by next April 15, and for 1956 by April 15, 1960. To receive a refund, a taxpayer must file an amended return for the year in question. Directions on the procedure are in the same publication, issue of April 9.)

COLLEGE BOARD SCORE REPORTS (President's Office)

A guide for counselors, this 31-page booklet coincides with a change in policy regarding the confidential nature of College Entrance Examination Board test scores. Until 1958, seniors taking the tests for college admission had results reported to schools and colleges on a confidential basis. The scores of juniors could, however, be revealed. Under the new policy all scores, both preliminary and final, can be released to enrolled students at the discretion of their schools and colleges. As in the past, though, the College Board will not report scores directly to candidates.

Addressed primarily to secondary school administrators, guidance officers, and teachers, the booklet briefly describes scores obtained on the Board's Scholastic Aptitude Test and Achievement Tests - explaining which abilities they measure; showing how scores are used by colleges, along with many other criteria, in considering applications for admission. Using the specific scores of a hypothetical student, the booklet shows what his chances of admission are at 3 typical (unnamed) colleges with different academic standards. Several charts and tables show the range of test scores received by freshmen at these 3 colleges, while other tables show the spread of scores for all who take the tests.

THE WOODROW WILSON NATIONAL FELLOWSHIP FOUNDATION (Counseling Center)

Fellowships for first year graduate work leading to a career in college teaching - for the academic year, 1959-60.

Purpose Encourages promising men and women to consider careers as college teachers. A thousand fellows are elected from the nominees. These fellows are fully supported through their first year of graduate study.

Fields Natural and social sciences and the humanities. Law, medicine, engineering, education and business administration are not within the scope of the program.

Qualifications There is no age limit.

Stipend Fifteen hundred dollars plus dependency allowances for wife and children; the Foundation also pays directly to the graduate school tuition and fees for the fellow.

Type of application Only faculty members may nominate candidates.

Time Schedule Nominations must be in the hands of regional chairman no later than October 31, 1958.

Nomination Procedure

Any member of the academic profession in any college or university may nominate candidates by sending the name, college, and address of the candidate to the Chairman of the Region in which the student is currently enrolled as a student.

EDUCATIONAL USES OF MODERN MEDIA (Dean of the College)

One feature of the National Defense Education Act of 1958 provides for government assistance to research projects in the development of educational uses for modern media: TV, Radio, Tape Recorders, etc. Perhaps some faculty members might be interested in working out such a project during the summer months, particularly in view of our available dual channel tape-recording. If so, they should plan out a complete program, including possibly the use of an experimental group of students. The Dean of the College would be glad to work with any individual or faculty group in planning such a research project. Please contact him for further information.

RESERVE READING LISTS FOR LIBRARY (Librarian)

To the many faculty members who submitted reserve lists well in advance, the Library Staff is grateful. Advance knowledge of special needs resulting from class assignment is essential to good service. For obvious reasons it is particularly important that the Library be able to anticipate any great demand for a particular periodical or an article that many students may be required to read.

REQUIEM MASSES (Chaplain's Office)

With the deepest regret we learn of recent deaths in the immediate families of faculty members. You are kindly asked in your charity to remember these following deceased in your Masses and prayers. Requiem Mass will be celebrated in the College Chapel for each of these beloved deceased as indicated.

Father of Mr. Daniel Rodden, Faculty member, on Tuesday, October 21, 12:30 P. M.

Father of Dr. Di Marco, Faculty member, on Thursday, October 23, 12:30 P. M.

NEW FRESHMAN BASKETBALL COACH (Athletic Office)

Mr. Charles Greenberg (Class of 1956) has been selected to be the new Freshman basketball coach.
