Alumni Association

6th VEGAS NITE

The Alumni Association's sixth annual "Evening in Las Vegas" has been scheduled for Saturday, October 16 from 9:00 P.M. to 1:00 A.M. in the College Union Ballroom.

Alumni President Joseph M. Gindhart has appointed James A. Kopaz, '67, and Raymond J. Regan, '73, co-chairmen of this year's committee. The committee met in early August to make plans to insure the continued quality of this popular event.

A modest, but necessary, increase in price was made. The evening will cost \$28.00 per couple or \$15.00 per individual. The one charge includes an open bar all evening, an elaborate buffet, dancing, \$1.00 in free chips per person, and a line up of outstanding door prizes.

Games featured will be the usual favorites such as chuck-a-luck, horse-racing, over and under, roulette, blackjack and others.

The committee also decided to continue the successful policy initiated by last year's committee to cope with the phenomenal rise in attendance, *viz* limiting the number of tickets sold. To this end, all reservations must be made in advance and the tickets will be distributed on a first come; first served basis.

To assure a reservation prepare a stamped, self addressed envelope and mail it, along with a check or money order in the proper amount payable LA SALLE COLLEGE, to the Alumni Office.

For additional information, contact the Alumni Office at (215) 848-8300, ext. 421.

ELECTION '76: THE REAL ISSUES

A distinguished panel of faculty members will discuss the issues facing the nation in this presidential election year at an alumni luncheon on September 30.

The Suburban Alumni Club will present Michael R. Dillon, Associate Professor, Political Science; Eugene J. Fitzgerald, Associate Professor, Philosophy; Philip E. McGovern, Assistant Professor, Political Science; and Joseph P. O'Grady, Professor, History at a luncheon in the Peacock Inn (at the intersection of Routes 202 and 23) across from the King of Prussia Mall.

Fallacies and misconceptions hopefully will be dispelled and the real issues addressed as these four

approach our national priorities from their varied viewpoints. Although not willing to be categorized politically, these men were selected for their diversified backgrounds and expertise.

The luncheon will start promptly at 12:15 p.m. and the program will begin at 12:40 to allow maximum time for discussion. At 1:15 p.m. there will be a short break to allow those who must return to work to do so. The discussion will be continued until 2 p.m. for those who wish to remain.

Tickets are \$5.00 and may be purchased by sending a check in that amount for each reservation (payable: LaSalle College) to the Alumni Office.

WHITE HOUSE FELLOWSHIPS

President Ford recently announced the thirteenth nationwide search for outstanding young men and women to serve as White House Fellows.

Established in 1964, the White House Fellowship program is designed to give rising leaders one year of first-hand, high-level experience with the workings of the Federal Government and to increase their sense of participation in national affairs. The program is open to U.S. citizens from all fields who are not less than 23 and not more than 35 years of age. Employees of the Federal Government are not eligible, with the exception of career armed services personnel.

Members of the eleventh group of White House Fellow just completed

their year long assignments. A twelfth group, the 1976-77 White House Fellows, will begin their duties this month.

In addition to their educational assignments with the Vice President, Cabinet officers or principal members of the White House staff, the Fellows participate in an extensive seminar program, typically consisting of some 300 off-record sessions with top government officials, scholars, journalists, and leaders from the private sector. The young men and women who have, to date, been selected as White House Fellows have included lawyers, scientists, engineers, corporate business entrepreneurs, scholars and academic administrators, writers and journalists, medical doctors, social workers, architects, and local public officials. Last year 2864 persons applied for the coveted honor.

The Fellowship is designed to be a one-year sabbatical in public service. Fellows are expected to return to their professional careers at the end of their experience in government, with their perspectives of national issues broadened and their qualifications for significant service in their chosen careers and to their communities permanently enriched.

Leadership, intellectual and professional ability, high motivation, and a commitment to community and nation are the broad criteria employed in the selection process.

Requests for applications for next year's program must be postmarked not later than November 1, 1976. Application forms and additional information can be obtained by sending a postal card to the President's Commission on White House Fellowships, Washington, D.C. 20415.
