Faculty Senate Meeting Minutes

FACULTY SENATE Meeting Minutes—February 24, 2005

12:30-1:50 p.m. McShain Board Room, Union

Present: Gerald Ballough, Janice Beitz, Marianne Dainton, Eileen Giardino, Steve Longo, Sidney MacLeod, Marc Moreau, Richard Mshomba, Jacqueline Pastis, Elizabeth Paulin, Stephen Smith, Jeannie Welsh, and Bonni H. Zetick

Excused: Susan Borkowski, Rich DiDio, Lynn Miller, Scott Stickel, Dave Cichowicz

The meeting was called to order at 12:35 p.m. by Beth Paulin, President of the Faculty Senate.

Approval of minutes of meeting of December 2, 2004

These minutes were approved by a vote of 10 in favor, 0 opposed, and 1 abstention.

Approval of minutes of meeting of January 25, 2005

These minutes were approved by a vote of 10-0-1.

Guest Speaker

Ed Turzanski was scheduled to address the Faculty Senate on the subject of 20th street, but was unable to be here today. Senators asked that when Mr. Turzanski is rescheduled, that he also update the Senate on the status of the Fairmount Park Commission proposal involving the Good Shepherd property.

Selection of three Senators to serve on the Division of Student Affairs Student Awards Committee

President Paulin requested Senators to serve on the Student Awards Committee. The names of two Senators were selected for submission to the Division of Student Affairs. A third (unable to be in attendance) was suggested and will be contacted.

Parking

Dave Cichowicz and Dave George are representing the faculty in discussions with the Director of Safety & Security, the Vice President of Business Affairs, and the Provost about parking. There will be a net gain of around 30 parking spaces in the South lot, once the construction is finished. A parking garage has been discussed, but has been determined not to be currently feasible. There is ongoing discussion concerning the definition of director, a position that is permitted to park on main campus, as well as the issue of student parking.

President Paulin reminded Senators that tire damage caused by construction debris in the South campus area will be reimbursed; a notice will be placed in Campus News.

The Senators discussed the shuttle and suggested that in order to reduce the waiting time for the shuttle, that the express shuttle make quick trips up and down Chew Avenue between the Good Shepherd lot and Connelly Library, thereby hopefully reducing waiting time to ten rather than twenty minutes or more. This suggestion will be forwarded to the committee.

Forum on Catholic Identity

President Paulin advised that the Faculty Senate will sponsor a forum on March 18, 2005, from 3-4:30 p.m., on what it means to be at a Catholic University. Brother President will speak, as well as administrators and faculty. Each speaker will address the question, "How does the fact that the job you do takes place at a Catholic University (as opposed to a public or other private institution) affect what you do as President/Dean/VP of Enrollment Services/Chair/Director?" Following the presentations the floor will be open for discussion.

Faculty Senate Meeting Minutes

Distinguished Faculty Awards

Jacqueline Pastis reported that the number of nominations for these awards is unexpectedly small. The Senate suggested extending the deadline for nominations to March 14, 2005. The Senate also concurred that supporting documents from last year's nominations should be kept on file, and can be used in the event that a candidate is re-nominated this year. The Senate also affirmed that self-nominations are permissible.

Faculty Senate Election

Marianne Dainton reported for the election committee. Marianne advised that 112 names remain on the ballot. Following are the participation rates by rank:

Assistant Professor/Librarians	Full Professor	Associate Professor
93 eligible—70 on ballot	44 eligible--8 ballot	53 eligible—34 on ballot
75 %	18 %	64 %

The Senators discussed ideas for increasing faculty participation in the annual election, and for enhancing access for those interested in running for office. Senators expressed a desire to learn more about faculty interest in the Faculty Senate and in the election. Years of service rather than rank was discussed as a criterion for forming groups, out of which representatives to the Senate are chosen. Schools, rather than ranks, was also suggested as an alternative method to use in the election process. There was also a suggestion to drop groups altogether, and to elect Senators at-large. The by-laws are being examined to see what, if any, by-law changes would be required to implement recommendations. No recommendations or decisions were made at this meeting.

Meeting with the Provost

President Paulin reported on the recent meeting between the Provost and the Faculty Senate Executive Committee. The issue of academic integrity was discussed. The Academic Affairs Committee will be conducting a survey of faculty and students to explore attitudes toward an honor code vs. a statement of policy on academic integrity. Perceptions of what problems currently exist in this area will also be explored in the survey. Students report a lack of consistency in how these matters are handled within the University, which they view as a problem.

The Provost advised that the Bucks Center expansion is going forward. The Provost and the Executive Committee also discussed the budget process for the University.

Search Committee for Vice President of Business Affairs

President Paulin advised that she and Jeannie Welsh have been selected by the President to serve on the Search Committee for the position of Vice President of Business Affairs. The committee has recently met for the first time, and hopes to have the position filled by the beginning of the summer of 2005.

Announcement

Gerald Ballough reported that the Ad Hoc Committee on Intellectual Property is moving forward in its work.

Next Meeting

The next meeting of the Faculty Senate will be March 22, 2005, from 12:30-1:50 p.m.

The meeting adjourned at 1:35 p.m.

Respectfully submitted,

Bonni H. Zetick
