THE
FIRST
ANNUAL

PHILADELPHIA
ANTIQUARIAN

As announced in the March issue of this publication, the Alumni Association will sponsor the first Philadelphia Antiquarian Book Fair on the week-end of September 26, 27 and 28 in the College Union.

The hours will be 6:00 p.m. to 10:00 p.m. on Friday evening; 10:00 a.m. to 8:00 p.m. on Saturday; and 11:00 a.m. to 5:00 p.m. Sunday. The first night admission charge of \$5.00 entitles the ticket holder to return on Saturday and Sunday. The one day ticket for Saturday or Sunday is priced at \$3.00, while student tickets are \$2.00.

Book Fair coordinator Thomas J. McCauley ('58) reports that all available space has been committed in the College Union Ballroom and Music Room and a waiting list has been established in case of any last minute cancellations. This means that some eighty exhibitors of rare

books, manuscripts, fine bindings, autographs, maps and prints will be on hand to display their wares. An intensive advertising campaign is underway and Alumni President Terence K. Heaney has appointed a large committee to work with Executive Vice-President John J. Fallon, who is chairman of the event, and coordinator McCauley.

A bar, with moderately priced drinks, will be open for Book Fair patrons on Friday evening and from 2:00 p.m. until closing on Saturday and Sunday.

The principal beneficiary of profits realized on this activity will be the Alumni Scholarship Fund.

CAMPAIGN FOR THE 80'S

To respond to the \$1,000,000 challenge pledge by the Christian Brothers community, some 50 alumni volunteers have been participating in training sessions during the month of August. This group will be the advance guard in the personal contact phase of the CAMPAIGN FOR THE 80's.

During the first three years of the \$15 million campaign the alumni will be seeking to raise \$2 million. The members of this continually expanding committee, under the chairmanship of Annual Fund Chairman John J. French, '53, and Alumni President Terence K. Heaney, '63, will be calling on their classmates and other alumni beginning this month.

LUNCHEON IS SERVED!

On Wednesday, September 17 the Alumni DOWNTOWN CLUB will kick off its 1980-81 season with an informal luncheon at the Engineers' Club, 1317 Spruce Street, it was announced by Chairman John J. Pettit, '56.

A new ten minute color film on campus life will be shown and a couple interesting door prizes will be awarded. The charge is \$6.25, but reservations are necessary. Call the Alumni Office, 951-1535.

One day later the Alumni SUBURBAN CLUB will inaugurate its new season with a similar informal program and the same ten minute film (produced by the News Bureau) and some door prizes as well. They will meet at S. C. Toland's, 500 West Ridge Pike in Conshohocken, Pa. at 12:00 Noon.

Those alumni wishing to be on the mailing list of either of these luncheon groups should contact the Alumni Office, 951-1535.

SAN DIEGO REVISITED

Explorer basketball fans and sunshine enthusiasts will have an opportunity to join Lefty Ervin's 1980-81 team in their holiday season visit to the west coast.

The Special Activities Office in conjunction with the Athletic Department is offering a one week trip to San Diego, where the Explorer team will be playing in the Cabrillo Classic, December 29 and 30.

The trip will leave December 26 via United Airlines and will return January 1. Included in the package will be six nights accommodations at the Hanalei Hotel; a full day at Disneyland (transportation and admission); a shopping excursion to Tijuana, Mexico; a sightseeing tour of San Diego; taxes, service charges and portage; and, of course, the Cabrillo Classic basketball tournament.

This will be La Salle's second appearance at the Classic. In December, 1976 after defeating San Diego State 88-84, the Explorers fell to the University of Washington 114-94. Other participants this year will be DePaul and Georgetown Universities and host San Diego State University.

The price is \$556.00 per person, double occupancy. Special rates are available for children. Call 951-1580 for more information.

A deposit of \$395.00 is required on each reservation. Final payment will be due November 1.

HEANEY RE-ELECTED FOR SECOND TERM

During the May meeting of the Alumni Board of Directors, Terence K. Heaney '63, was unanimously re-elected as President of the Alumni Association for the 1980-81 term. In addition, several other officers and members of the executive committee will continue for a second term. John Fallon, '67, was re-elected Executive Vice President, Marie K. Parrott, '73, continues as Secretary and Paul Foley, '74 will return as Treasurer.

The vacancy in the office of Vice President, occasioned by the resignation of Diane M. Bones, '75, who has relocated to Florida, was filled by Philip E. Hughes, Jr., '71.

The May meeting also saw the seating of the Class of 1980 representatives: Edward M. Barr, B. Joan Dougherty, Elizabeth G. Harper, Carol M. Loudon and Karl Miller.

ATTENTION ENGLISH MAJORS

The English Department is having a social gathering for English faculty and alumni on Sunday afternoon, 26 October, from 2:00 to 4:00 in the Art Gallery, lower level of Olney Hall. Light refreshments will be served. English alumni interested in more information about the social gathering should telephone 951-1145 or 951-1151.

**From the Desk of
THE ATHLETIC DIRECTOR**

Did you know...that La Salle would have had four representatives at the Moscow Olympics...that only five teams in La Salle's tradition-rich 50 years of basketball won more games than the 79-80 team...that Michael Brooks was the first player since the legendary Tom Gola to be a consensus First Team All American and Player of the Year...that last year's Field Hockey team finished 6th in the Nation...that Soccer won the ECAC Championship and enters the 80-81 season with one of the nation's longest unbeaten streaks...that almost everyone returns from our record-breaking Conference Champion Men's Swim-

ming team and that the Women's swimming team had its most successful recruiting year ever...that although they knocked Lefty Steve Carlton from the box in the 3rd inning, our Explorer baseball team dropped a close verdict to the Phillies major league team in Florida last Spring...that Men's and Women's Track had perhaps their finest recruiting year ever...that the Men's and Women's Crew Program is growing strong...that Women's Volleyball won more contests than any women's team ever...that Men's Golf and Men's and Women's Tennis continue to compete against the best in the area? In order for our twenty-two Men's and Women's Intercollegiate teams to remain successfully competitive in the 1980's, we will need to attract and recruit the top student-athletes available. Often in the past, a key letter or phone call from an alumnus to one of our coaches was all that was needed to identify a relative, neighbor, or local athlete that was a quality prospect. Perhaps you know someone who could help the old Blue and Gold to victory. Our 11 men's teams compete at the Division I Level of the NCAA, all of our Women's Teams except Basketball (Division I) compete at the Division II Level of the AIAW. Grants-in-aid in varying amounts are

available to most coaches to assist in recruiting top talent. Listed below are the Intercollegiate Athletic programs offered by LaSalle and the Head Coach to contact if you have a hot-prospect, or need more information. Your letter (Athletic Department, La Salle College, Phila., Pa. 19141) or phone call (215) 951-1515 could make the difference.

Thank you!

Director of Athletics

Continued from p. 2

On November 12 at 12:30 p.m. and again at 8:00 p.m. in the College Union Ballroom "Brothers in Concert" will feature the duo pianos of Brother Vincent Malham and Brother Laurence Walther. This special concert of classical and popular music for piano and voice will be part of the celebration of the 300th anniversary of the founding of the Christian Brothers.

The Fall semester's concert and lecture series will conclude on December 3 with another President's Forum in the College Union Music Room.

ERVIN FACES CHALLENGES OF SECOND YEAR

Dave "Lefty" Ervin ('68) begins his second year as head coach of the Explorer basketball team without All-America, Kodak Award winner, first round (San Diego) N.B.A. choice Michael Brooks. If that's not enough, several other key players, Mo Connolly, Kurt Kanaskie, Reggie Miller and Mark Spain, who represented the Blue and Gold in the N.C.A.A. tourney (losing out to the Purdue Boilmakers on *their home floor*) have been lost to graduation.

A rebuilding year then, with the usual tough schedule.

Dave "Lefty" Ervin

It will have to take place around Kevin Lynam, who developed into a fine shooting and playmaking point guard last year, and the strong rebounding of Stan Williams.

Contributions will be looked for from Don Word, a leaper who came on strong towards the end of the season, and the scrappy Greg Webster, who so often came off the bench to provide unflagging hustle and determination.

Kevin Lynam

The red-shirted Tom Piotrowski (7'1") has been rumored to have matured during his sabbatical into an awesome center.

Key recruits who will start practice on October 15 are Brent Hagwood (6'8") from Chester High and Phil Burton (6'5") from Philadelphia's Ben Franklin High School.

At any rate, the Explorers will be home often during December before a holiday appearance at the Cabrillo Classic in San Diego, which also features DePaul, Georgetown and San Diego State.
