A PLAY IN THREE ACTS

This is another Masque first. Tonight we are going to experience with something new--an experiment with Mr. Albee's work. For our own enjoyment and to acquire a type of self-learning we are going to have three individual directors. We hope to learn something from one another and also find out how such an attempt would be received on campus. The only person who would attempt this is Mr. Howard Becker. We owe him much and wish him well!
