#### NOTES ON ACADEMIC DRESS

The history of academic dress begins in the early days of the oldest universities. A statute of 1321 required all "Doctors, Licentiates, and Bachelors" of the University of Coimbra to wear gowns. In England during the second half of the 14th century, the statutes of certain colleges forbade "excess in apparel" and prescribed the wearing of a long gown. It is still a question whether academic dress finds its sources chiefly in ecclesiastical or in civilian dress. Gowns may have been considered necessary for warmth in the unheated buildings used by medieval scholars. Hoods may have served to cover the tonsured head until superseded for that purpose by the skull cap. The cap was later displaced by a head-dress similar to ones now recognized as "academic." European institutions continue to show great diversity in their specifications of academic dress. However, when American colleges and universities adopted a system of academic apparel a half century ago, a code was devised for all to follow.

**GOWNS.** The gown for the bachelor's degree has pointed sleeves and is worn closed. The gown for the master's degree has an oblong sleeve, open at the wrist, with the sleeve base hanging down in the traditional manner. The rear part of the sleeve's oblong shape is square cut and the front part has an arc cut away. It may be worn open or closed. The gown for the doctor's degree has bell-shaped sleeves and may be worn open or closed. Bachelor's and master's gowns have no trimmings, but the doctor's may be faced on the front with black or colored velvet and with three bars of the same across the sleeves. If color is used, it is the color distinctive of the subject to which the degree pertains, and it matches the edging or binding of the hood. For all academic purposes, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Agriculture — Maize	Medicine — Green
Arts, Letters, Humanities — White	Music — Pink
Commerce, Accountancy.	Nursing — Apricot
Business — Drab	Oratory (Speech) — Silver Gray
Dentistry — Lilac	Pharmacy — Olive Green
Economics — Copper	Philosophy — Dark Blue
Education — Light Blue	Physical Education — Sage Green
Engineering — Orange	Public Administration — Peacock Blue
Fine Arts — Brown	Public Health — Salmon Pink
Forestry — Russet	Science — Golden Yellow
Journalism — Crimson	Social Work — Citron
Law — Purple	Theology — Scarlet
Library Science — Lemon	Veterinary Science — Gray

**HOODS.** Hoods are lined with the official color or colors of the college or university conferring the degree. The binding or edging of the hood is the color indicative of the subject to which the degree pertains, except that the doctor's cap may have its tassel of gold thread.

**CAPS.** Mortarboards are generally worn as part of the academic costume. The long tassel fastened to the middle point of the cap's top is either black or the color appropriate to the subject. It is customary for degree candidates to wear the tassels on the right front side before degrees are conferred and to shift them to the left when the degrees are awarded. This custom is in some respects a substitute for individual hooding.

GLORY LA SALLE

Above Explorers Valiant  
Here under thine eyes,  
Thy blue and gold banners  
Unfurled 'neath the skies.

Chorus:  
LaSalle, EaSalle thy glory  
Thy triumphs we praise  
Thy name in song forever  
Shall we proudly raise.

Thy sons and daughters standing  
Await thy command  
Thou fortress and faith in  
Our God and Our Land.

Chorus:  
LaSalle, EaSalle thy glory  
Thy triumphs we praise  
Thy name in song forever  
Shall we proudly raise.

D. Rodden
