March 23, 2005

To: The La Salle University Community

From: Ray Ricci, Vice President, Enrollment Services

The Lasallian Distinguished Educator Award is given annually to honor the exceptional men and women who have put St. La Salle's vision of committing oneself to the real needs of students into practice. Each year, Lasallian schools across the nation are invited to name honorees and in this way preserve the memory of the Founder and work of The Institute.

To ensure that the custom of giving this recognition continues, the President has formed a committee that is responsible for recommending future award winners to him. On behalf of the Lasallian Distinguished Educator Award Review Committee I am inviting the campus community to submit nominations for the next award. I ask that you submit the name of anyone whom you feel meets the qualifications for this award as described on the reverse side of this letter. A statement describing why you feel your nominee deserves to be considered should accompany a nomination.

All faculty, staff and administrators are eligible for consideration. For your information, Brother Daniel Burke, Brother Gerard Molyneaux, Anna Allen, Brother Emery Mollenhauer, Robert Meidel and I are past award recipients and thus are not eligible for consideration this year.

I ask that you submit your nominations to me by April 15th either via campus mail (box 838) or via email. Should you have any questions regarding this award, please feel free to contact me or any member of the nomination committee.

Committee Members:

Janice Beitz, Associate Professor, Nursing
Marianne Gauss, Assistant Professor, Management
Brother Gerard Molyneaux, Professor, Communication
Dr. Richard Nigro, Provost
Raymond Ricci, Vice President, Enrollment Services

The Lasallian Distinguished Educator Award

The Lasallian Distinguished Educator Award is given annually to honor the life, the educational vision, and the practices of St. John Baptist De La Salle, the namesake of the university, the founder of the Christian Brothers, and the patron saint of all teachers.

The award is given to those who exhibit in their daily lives an understanding of and a commitment to Lasallian priorities and traditions: the paramount importance of teaching in a values framework, of working in association with others to build genuine community, of putting the needs of students first, of demonstrating a true sensitivity and respect for the uniqueness of the individual student. This award recognizes those who have opened their hearts and minds to these ideals and devoted themselves to this work.

Award winners build others up and encourage the heart. By doing so, they help colleagues and students experience the university's heritage and its unique Lasallian identity. They teach by example. To paraphrase the works of St. La Salle, they, "put into practice what we want our students to believe." As a result, they impart to all in the La Salle Community the values that have animated and sustained the university. In this way, they help the university transform students and, thereby, influence the kind of people they will become.

Because the university believes that **all** members of the community contribute to an environment in which we "touch the hearts of students," the Lasallian Distinguished Educator Award is open to faculty, staff and administrators.

Lindback Award

To: All Eligible Faculty

From: Bro. John McGoldrick, Assistant Provost

Subject: Lindback Award Nominations

Since 1961, a generous award from the Christian R. and Mary F. Lindback Foundation has enabled La Salle to recognize excellence in teaching by members of its full-time faculty. The award is presented to a faculty member whose teaching is characterized by superior knowledge of the subject matter, vitality and inspiration in its presentation in class, and devotion to helping students realize their potential.

Nominations for the award are invited from members of the full-time faculty and students in all divisions and programs of the University. The final selection from those nominations is made by a committee composed of the Provost; the Deans of Arts and Sciences, Business, and Nursing; the President of the Faculty Senate; and the Vice President for Academic Affairs of the Students' Government Association. The award is presented at the annual Commencement Ceremonies in May.

This announcement has been e-mailed to all faculty members in the past few days, along with a list of eligible faculty members and a nominating ballot. This ballot can be completed, printed, signed, and then sent to Dr. Elizabeth Paulin (Campus Box 316).

Two other options are available:

A printed version of the ballot and eligibility list is available in the Provost's Office (Administration 315), in the Continuing Studies Office (Benilde Hall, 1st floor), in the Office of the Dean of the School of Business Administration (College Hall 211) in the Office of the Dean of the School of Nursing (Wister Mezzanine), and at the Bucks County Center.

Faculty will also be able to submit a nomination on line at via the mylasalle portal.

The deadline for nominations this year is **Monday, April 4, 2005**.

Thank you.

General News

Dear Members of the La Salle University Community,

Brett Sokolow is a Higher Education attorney who specializes in sexual misconduct and campus security. He has been helping our campus with legal issues and issues of security since the allegations of sexual misconduct this summer. Mr. Sokolow will be presenting a program called "Drunk Sex or Date Rape: Can you tell the difference?" to help educate our students about these issues. The program will be held on **Wednesday, March 30th from 1:00 –2:00 p.m. in the music room.**

The following is a brief description of the program from Mr. Sokolov's website.

"Some students on our campuses today engage in a hook-up culture of random sexual encounters with other students, usually fueled by alcohol. But, just because some students are getting drunk and hooking-up doesn't make it right, or legal. When does a hook-up cross the line? Students don't really know, and they've heard confusing messages. This program teaches students about incapacity and blackouts, and dispels common myths about alcohol and sex."

In addition **on March 31st at 4:45 p.m. our annual "Take Back the Night" rally is scheduled on the Main Quad.** This program is a completely student run rally revolving around the issue of sexual violence. The rally consists of a brief speech by a social worker on victimology, rape prevention, and empowerment, a brief speech by a member of the local organization Women Against Abuse about intimate partner violence especially in the college population, a student survivor sharing her story and a brief self defense lesson.

As Sexual Violence is an issue that has greatly affected our campus and our community as a whole, we feel it is beneficial for the members of our community to attend these events. We hope you will strongly encourage your students to attend the programs and attend yourself to show support for these issues.

Sincerely,

Mary Tramel
