Re: Resident and Community Assistant Selection

The Fall 2005 semester is quickly winding down. For Community Development, this means the start of recruiting efforts for the 2006-2007 Resident and Community Assistant Staff. In our preparations, we are seeking your assistance. In your position, you come in contact with students who have the potential to become tomorrow's student leaders. Through RA and CA positions, we offer an opportunity, which will allow those students to develop that potential.

A Resident Assistant is a paraprofessional staff member of the Division of Student Affairs. It is the responsibility of the RA to supplement and complement the process of formal education by enhancing the quality of life in the residential facilities. Therefore, we are seeking individuals who demonstrate initiative, dependability, and a positive attitude. Ideal candidates are also students who embrace the ideals of community living and have shown the ability to empower others. The positions in our upper-class apartment and townhouse facilities are called Community Assistants. While many of the same characteristics apply for both CA and RA applicants, for CAs we are especially looking for current sophomores or juniors who show the unique balance of being able to relate to and motivate their peers while serving as a positive role model who can hold their peers accountable for their actions.

We would like you to recommend possible RA and CA candidates. Please include the student's address and phone number if you know them. These nominated students will be given information about the RA and CA positions and application process.

You can e-mail your nominations to [pompizzi@lasalle.edu](mailto:pompizzi@lasalle.edu) or drop them in the Community Development Office in the Union room 303 by **Wednesday, November 16, 2005**.

Thank you in advance for your prompt attention to this matter. Your time and energy will benefit us all!!!! If you have any questions about the process or either of the positions, please feel free to contact Michael Miragliotta, Resident Coordinator at extension 2006.

## UMAS

*Let us remember  
in prayer all who have passed from  
death to life.*

November is traditionally the month during which Christians prayerfully remember those who have died.

The La Salle University Community will remember those who have died throughout November in the Liturgy and prayer that takes places in the De La Salle Chapel.

You can write the name of someone that you would like remembered in prayer during November on one of the prayer cards that you will find around campus. Place the card(s) in the baskets in the De La Salle Chapel, or send it to us at Box 841, Campus Mail. All of the cards will be kept in the Chapel through November.

If it is more convenient (or if the supply of cards is depleted) please call 215-951-1048 or e-mail us at ([umas@lasalle.edu](mailto:umas@lasalle.edu)) and we will fill in the card(s) for you.

You can join in this prayer by stopping in the Chapel during November and remembering in prayer those whose names are written on the cards.

There will be an ALL SOULS Liturgy 2 November 2005  
1:00pm in the De La Salle Chapel.

### Education Conference: What the Best Teachers Do

November 5<sup>th</sup>, 2005

La Salle University

What makes a great teacher great? Who are the teachers, students remember long after graduation? The short answer is--it's not what teachers do, it's what they understand. Lesson plans and lecture notes matter less than the special way teachers comprehend the subject, and value human learning. The best teachers know their subjects inside and out--but they also know how to engage and challenge students in order to provoke impassioned responses. Most of all, they believe two things fervently: teaching matters and students can learn.

**Sign up for a day of exploration and entertainment as we look at what the best teachers do. This exclusive one-day workshop will take place on November 5<sup>th</sup>, 2005 on the La Salle University campus.**

- 8:00-9:00 Check-in with continental breakfast
- 9:00-11:00 Key-note speaker
- 11:00-12:00 Box lunches and book signing
- 12:00-1:30 Break out sessions

#### Keynote Speaker:

**Kenneth R. Bain** (Ph.D., University of Texas at Austin, 1976) is founding Director of the Center for Teaching Excellence at New York University. His scholarship includes an interest in teaching and learning issues. Internationally recognized for his insights into teaching and learning, and for a fifteen-year study of what the best educators do, he has presented invited workshops at more than one hundred universities in recent years--in the United States, Canada, Europe, Asia, Africa, and Australia. His learning research has concentrated on a wide range of issues, including deep and sustained learning and the creation of natural critical learning environments. His recently-published book [\*What the Best College Teachers Do\*](#). (Harvard University Press, 2004) **won the 2004 Virginia and Warren Stone Prize for an outstanding book on education and society.**
