National Anthem

THE STAR SPANGLED BANNER

Oh, say, can you see,
 By the dawn's early light
 What so proudly we hailed
 At the twilight's last gleaming?
 Whose broad stripes and bright stars,
 ThrO' the perilous fight
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air,
 Gave proof through the night
 That our flag was still there.
 Oh, say, does that star-spangled
 Banner yet wave
 O'er the land of the free
 And the home of the brave?

— Francis Scott Key

Alma Mater

GLORY LA SALLE

Above Explorers valiant,
 Here under thine eyes,
 Thy blue and gold banners
 Unfurl 'neath the skies!

Chorus:

La Salle, La Salle, thy glory,
 Thy triumphs we praise!
 Thy name in song forever
 Shall we proudly raise!

Thy sons and daughters standing
 Await thy command,
 Thou fortress of faith
 In our God and our land!

Chorus:

La Salle, La Salle, thy glory,
 Thy triumphs we praise!
 Thy name in song forever
 Shall we proudly raise!

— Daniel J. Rodden

Honorary Degree Recipient

Presented by

William R. Sautter

Chair, La Salle University Board of Trustees

Brother Michael J. McGinniss, F.S.C., Ph.D.

Doctor of Educational Leadership

Brother Michael J. McGinniss, F.S.C., Ph.D., became La Salle University's 28th President on July 1, 1999, and will step down at the end of his current term on May 31, 2014.

Under Br. Michael's direction, the University has developed a new strategic plan and significantly increased enrollment, giving, and alumni involvement in the life of the University. He has led efforts that have raised \$133 million for various facilities, programs, and other initiatives, and, during his tenure, the University's endowment has increased by 88 percent—from \$42 million to \$79.4 million. Undergraduate enrollment has also increased by 13 percent and graduate and doctoral enrollment by 24 percent.

Br. Michael leaves a strong legacy at La Salle, including several critical initiatives that have had a profound effect on the University. In 2005, the University built and opened a new residence hall and adjoining dining facility and completed expansion of the Bucks County Center in Newtown, Pa. The physical footprint of the University's main campus also expanded with the acquisition of the former Germantown Hospital in 2007, taking the campus from 100 to 133 acres, creating a West Campus and a new, expanded space for the School of Nursing and Health Sciences. In 2008, the University opened a Montgomery County Center in Plymouth Meeting, Pa., and, in 2009, La Salle celebrated the opening of the renovated and expanded Holroyd Hall, featuring the Hugh and Nancy Devlin Center for Science and Technology. Recently, Br. Michael finalized planning for the development of a new School of Business.

One of Br. Michael's key accomplishments as La Salle's President has been to support the economic viability of the surrounding neighborhood. The construction of the Shoppes at La Salle, achieved through a partnership between La Salle and developers, brought the first supermarket in 40 years to the neighborhood. Outreach to the community has also been a priority, and the University's commitment to service has earned the Community Engagement Classification from the Carnegie Foundation for the Advancement of Teaching, a recognition that has been bestowed on less than 1 percent of higher education institutions in the United States.

A native Philadelphian, Br. Michael joined the De La Salle Christian Brothers in 1965 and graduated maxima cum laude from La Salle in 1970 with a degree in English. He earned his master's degree and Ph.D. in theology from the University of Notre Dame.

In 1984, Brother Michael joined the faculty at La Salle on a full-time basis, becoming Chair of La Salle's Religion Department in 1991. The following year, he received the Lindback Award for Distinguished Teaching.

In 1994, he became President of Christian Brothers University in Memphis, Tenn. After five productive years, during which enrollment and retention rates increased and other campus enhancements were made, Br. Michael returned to La Salle University as its President.

His academic areas of expertise are pastoral theology, history and theology of ministry, methods and models of theological reflection, ecclesiology, and Lasallian spirituality, and he has presented and been published extensively on these topics.

Br. Michael serves on the boards of the American University of Rome, Manhattan College, La Salle College High School, the Association of Independent Colleges and Universities of Pennsylvania, the Urban Affairs Coalition of Philadelphia, and the Greater Philadelphia Chamber of Commerce. In addition, he is a member of the District Council for the Christian Brothers District of Eastern North America.

Notes on Academic Dress

The history of academic dress begins in the early days of the oldest universities. A statute of 1321 required all “Doctors, Licentiates, and Bachelors” of the University of Coimbra to wear gowns. In England during the second half of the 14th century, the statutes of certain colleges forbade “excess in apparel” and prescribed the wearing of a long gown. It is still a question whether academic dress finds its sources chiefly in ecclesiastical or in civilian dress. Gowns may have been considered necessary for warmth in the unheated buildings used by medieval scholars. Hoods may have served to cover the tonsured head until superseded for that purpose by the skullcap. The cap was later displaced by a headdress similar to ones now recognized as “academic.” European institutions continue to show great diversity in their specifications of academic dress. However, when American colleges and universities adopted a system of academic apparel a half-century ago, a code was devised for all to follow.

Gowns—The gown for the bachelor’s degree has pointed sleeves and is worn closed. The gown for the master’s degree has an oblong sleeve, open at the wrist, with the sleeve base hanging down in the traditional manner. The rear part of the sleeve’s oblong shape is square cut and the front part has an arc cut away. It may be worn open or closed. The gown for the doctor’s degree has bell-shaped sleeves and may be worn open or closed. Bachelor’s and master’s gowns have no trimmings, but the doctor’s may be faced on the front with black or colored velvet and with three bars of the same across the sleeves. If color is used, it is the color distinctive of the subject to which the degree pertains, and it matches the edging or binding of the hood.

Hoods—Hoods are lined with the official color or colors of the college or university conferring the degree. The binding or edging of the hood is the color indicative of the subject to which the degree pertains, except that the doctor’s cap may have its tassel of gold thread.

Caps—Mortarboards are generally worn as part of the academic costume. The long tassel fastened to the middle point of the cap’s top is either black or the color appropriate to the subject. It is customary for degree candidates to wear the tassels on the right front side before degrees are conferred and to shift them to the left when the degrees are awarded. This custom is in some respects a substitute for individual hooding.

For all academic purposes, including trimmings of doctors’ gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Agriculture – Maize	Medicine – Green
Arts, Letters, Humanities – White	Music – Pink
Commerce, Accountancy,	Nursing – Apricot
Business – Drab	Oratory (Speech) – Silver Gray
Dentistry – Lilac	Pharmacy – Olive Green
Economics – Copper	Philosophy – Dark Blue
Education – Light Blue	Physical Education – Sage Green
Engineering – Orange	Public Administration – Peacock Blue
Fine Arts – Brown	Public Health – Salmon Pink
Forestry – Russet	Science – Golden Yellow
Journalism – Crimson	Social Work – Citron
Law – Purple	Theology – Scarlet
Library Science – Lemon	Veterinary Science – Gray
