National Anthem

THE STAR SPANGLED BANNER

Oh, say, can you see,
 By the dawn's early light
 What so proudly we hailed
 At the twilight's last gleaming?
 Whose broad stripes and bright stars,
 ThrO' the perilous fight
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air,
 Gave proof through the night
 That our flag was still there.
 Oh, say, does that star-spangled
 Banner yet wave
 O'er the land of the free
 And the home of the brave?

— Francis Scott Key

GLORY LA SALLE

Above Explorers valiant,
 Here under thine eyes,
 Thy blue and gold banners
 Unfurl 'neath the skies!

Chorus:

La Salle, La Salle, thy glory,
 Thy triumphs we praise!
 Thy name in song forever
 Shall we proudly raise!

Thy sons and daughters standing
 Await thy command,
 Thou fortress of faith
 In our God and our land!

Chorus:

La Salle, La Salle, thy glory,
 Thy triumphs we praise!
 Thy name in song forever
 Shall we proudly raise!

— Daniel J. Rodden

Honorary Degree Recipient

Presented by

Brother Dennis Malloy, F.S.C.

Visitor, District of Eastern North America, Brothers of the Christian Schools

Brother Robert I. Schieler, F.S.C., Ed.D.

Doctor of Humane Letters

Brother Robert I. Schieler, F.S.C., Ed.D., was elected Superior General of the De La Salle Christian Brothers in May 2014. As the 27th successor of St. John Baptist de La Salle, the patron saint of teachers and founder of the Christian Brothers teaching order, Br. Robert leads the Catholic Church's largest order of religious brothers dedicated to education. He is the third American Superior General in the more than 300-year history of the Christian Brothers, who operate more than 1,000 schools and educate more than 900,000 students around the world.

Br. Robert, a native of Philadelphia, was educated by Christian Brothers at West Catholic High School and at La Salle, from which he graduated in 1972 with a degree in history. A Christian Brother for 46 years, he has served as a teacher, a missionary, and a leader of the Christian Brothers in many administrative positions.

Prior to his election as Superior General, Br. Robert served for seven years as General Councilor for the Lasallian Region of North America (RELAN) and was Visitor of the Baltimore District of the Brothers from 2001 to 2007. He also previously served as Director of Education for the U.S./Toronto Region of the Christian Brothers; the Executive Secretary for the Regional Education Board and Lasallian Association of College and University Presidents; and Auxiliary Visitor and Director of Education for the Baltimore District. He was a missionary to the Philippines for 11 years, serving in a variety of administrative positions, from Assistant Principal to Superintendent of Schools.

In addition to his bachelor's degree from La Salle, Br. Robert holds master's degrees in European history from the University of Notre Dame and in Asian studies from the University of the Philippines, as well as a doctorate in educational administration from the University of Pennsylvania.

A former member of La Salle University's Board of Trustees, Br. Robert has also served on the boards of Bethlehem University and Saint Mary's University in Winona, Minn., among many other educational institutions.

Notes on Academic Dress

The history of academic dress begins in the early days of the oldest universities. A statute of 1321 required all "Doctors, Licentiates, and Bachelors" of the University of Coimbra to wear gowns. In England during the second half of the 14th century, the statutes of certain colleges forbade "excess in apparel" and prescribed the wearing of a long gown. It is still a question whether academic dress finds its sources chiefly in ecclesiastical or in civilian dress. Gowns may have been considered necessary for warmth in the unheated buildings used by medieval scholars. Hoods may have served to cover the tonsured head until superseded for that purpose by the skullcap. The cap was later displaced by a headdress similar to ones now recognized as "academic." European institutions continue to show great diversity in their specifications of academic dress. However, when American colleges and universities adopted a system of academic apparel a half-century ago, a code was devised for all to follow.

Gowns—The gown for the bachelor's degree has pointed sleeves and is worn closed. The gown for the master's degree has an oblong sleeve, open at the wrist, with the sleeve base hanging down in the traditional manner. The rear part of the sleeve's oblong shape is square cut and the front part has an arc cut away. It may be worn open or closed. The gown for the doctor's degree has bell-shaped sleeves and may be worn open or closed. Bachelor's and master's gowns have no trimmings, but the doctor's may be faced on the front with black or colored velvet and with three bars of the same across the sleeves. If color is used, it is the color distinctive of the subject to which the degree pertains, and it matches the edging or binding of the hood.

Hoods—Hoods are lined with the official color or colors of the college or university conferring the degree. The binding or edging of the hood is the color indicative of the subject to which the degree pertains, except that the doctor's cap may have its tassel of gold thread.

Caps—Mortarboards are generally worn as part of the academic costume. The long tassel fastened to the middle point of the cap's top is either black or the color appropriate to the subject. It is customary for degree candidates to wear the tassels on the right front side before degrees are conferred and to shift them to the left when the degrees are awarded. This custom is in some respects a substitute for individual hooding.

For all academic purposes, including trimmings of doctors' gowns, edgings of hoods, and tassels of caps, the colors associated with the different subjects are as follows:

Agriculture – Maize	Medicine – Green
Arts, Letters, Humanities – White	Music – Pink
Commerce, Accountancy,	Nursing – Apricot
Business – Drab	Oratory (Speech) – Silver Gray
Dentistry – Lilac	Pharmacy – Olive Green
Economics – Copper	Philosophy – Dark Blue
Education – Light Blue	Physical Education – Sage Green
Engineering – Orange	Public Administration – Peacock Blue
Fine Arts – Brown	Public Health – Salmon Pink
Forestry – Russet	Science – Golden Yellow
Journalism – Crimson	Social Work – Citron
Law – Purple	Theology – Scarlet
Library Science – Lemon	Veterinary Science – Gray
