Procedures for Submitting Items for Inclusion in the Campus News

All information must be submitted electronically as text by selecting a web form located in the **Campus News channel** in the mylasalle portal (located in the **Staff Services Tab**).

- Accompanying graphics may be submitted separately in the following manner:
 - via e-mail to the **campusnews@lasalle.edu**. The article title must be included in the subject line of the e-mail.
 - via 1/4 floppy disk or CD
 - will be limited to one per article, unless a specific need for additional graphics is articulated. (EX: If La Salle and another organization partner for an event, the logos of both La Salle and the partnering organization would certainly be permissible.)
- PLEASE NOTE THE FOLLOWING: Graphics submitted may be resized to fit the document layout. Logos, signatures, and other graphics that are likely to be used frequently can be kept on file for future use. Please add a comment to this effect when you submit your graphic.

If you have any questions or need assistance...

We realize that the community is being asked to work a bit differently in terms of submitting articles to be included in the Campus News.

By supplying standard web forms for your use, we are attempting to create efficient processes that will make it easier for you to submit articles. For example, employment postings will be automatically routed to the appropriate individuals in Human Resources for review prior to being sent to the Campus News.

If you need assistance with submissions, please contact Jim Sell at 215-991-3615 or jsell@lasalle.edu
