## Rev. William J. Byron, S.J., Catholic University President, Receives Honorary Degree at Convocation

Rev. William J. Byron, S.J., president of The Catholic University, was honored as "a national leader in Catholic Higher Education" at the university's annual Fall Honors Convocation on October 25 in the Union Ballroom, on campus.

Father Byron, who has been president of The Catholic University since 1982, was awarded an honorary doctor of humane letters degree. He shared the spotlight with 467 La Salle Dean's List students—including 167 men and women from the university's Evening Division.

La Salle's provost, Brother Emery C. Mollenhauer, F.S.C., Ph.D., sponsored Father Byron for his degree which was presented by Brother President Patrick Ellis, F.S.C., Ph.D.

Father Byron, who served as president of the University of Scranton from 1975-82, grew up in the Germantown section of Philadelphia. He is a graduate of St. Louis University where he earned a bachelor's degree and licentiate in philosophy and a master's degree in economics. He holds a doctorate in economics from the University of Maryland.

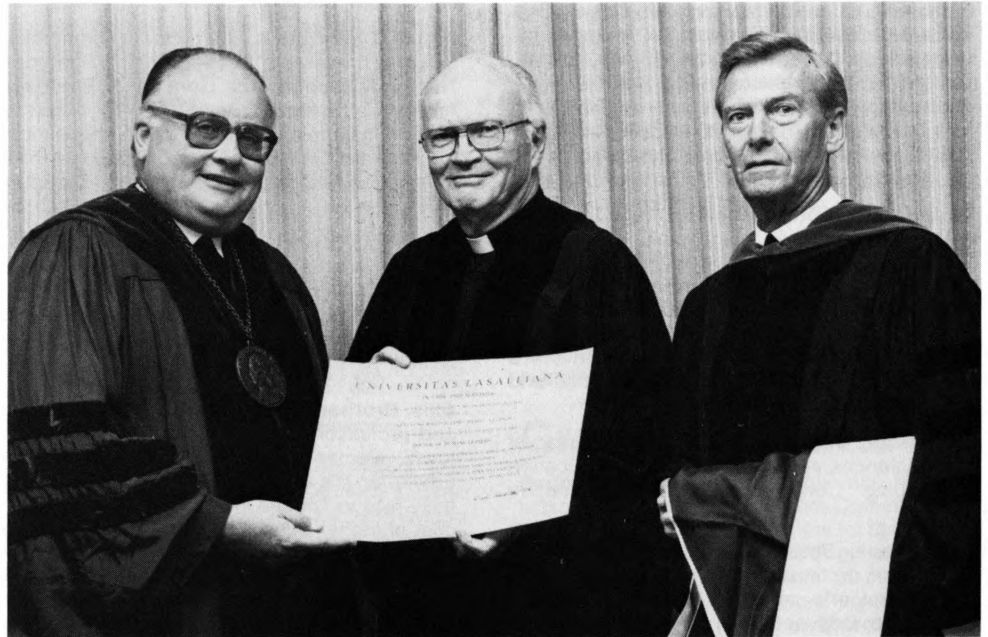

"He equipped himself as a fully credentialed academic colleague to be both sound and relevant, at a time when the American Church is striving to be the same," said Mollenhauer in his citation presenting Father Byron for his degree.

"At Catholic University he has forged ahead with a broadly based program of development. In a time when precise distractions are not popular in the national awareness, he has clarified for a broad public, the uniqueness of Catholic University's ties to the Church, without beclouding the fundamental purpose she shares with all of us sister institutions."

A member of 22 academic, civic, and ecclesiastical boards and councils, Father Byron is a former U.S. Army paratrooper and a former editorial staff member of *America* magazine. He has written extensively in religious and educational journals and national publications about economic and ethical theory and contemporary social issues.

### Silver Anniversaries

Congratulations to the following faculty and staff members who are celebrating their 25th anniversary of service this fall: Brother Patrick Ellis, F.S.C., Ph.D., president; James C. Brother President Patrick Ellis, F.S.C., Ph.D., presents Fr. Byron, S.J., with an honorary degree as Fr. Byron's sponsor, Brother Emery C. Mollenhauer, F.S.C., Ph.D. looks on.

### New Residence Halls To Be Constructed

La Salle's Board of Trustees recently approved the administration's proposal to proceed with the design phase for additional housing on campus. Tentative plans call for the popular Town House concept of university housing to accommodate some 300-400 resident students.

An increasing lack of university housing in recent years has necessitated the adoption of such a plan. With more than 1,400 undergraduate day students (40% of the entire student body) presently living on campus, the university now enjoys the highest resident population in its history.

More than 60% of the current freshman class are residents. An additional 35 students are housed in a wing of the Germantown Hospital School of Nursing.

University administrators are working on both an architectural and financial package for the Town Houses. The additional facilities are expected to be completed by September, 1989.
