The Funding Board will be drafting a statement concerning closed programs for student organizations that support the mission of the organization or University, such as the Ice Hockey Club receiving funding to play ice hockey and the Explorers for Life receiving funding for a pro-life event.

Members of the Board were briefed on how transportation costs (bus/van rental, mileage reimbursement, etc.) are presently funded. The question before the Board regards how those costs should be funded going forward. The Funding Board will be examining how we communicate the guidelines for transportation requests for both the Funding Board bi-weekly meeting and the Annual Budget request.
