ITALIAN LECTURE/DINNER

SATURDAY, NOVEMBER 10, 1990

6:00pm - 9:00pm

Join La Salle University as we explore *Italy: Some Missing Pieces* in our very popular Lecture/Dinner series.

It is a land of images. The Colosseum. Trevi Fountain. Gondolas. Michelangelo's *David*. The Sistine Chapel. Yet Italy is so much more!

Our speaker, Dr. Ken Ostrand, takes us behind the scenes to the Italy most of us haven't seen

...the hilltown of Tuscany

...into the restorations of Pompeii

... into the centuries old catacombs

...back to the original Venice.

Presents

Two new personal growth workshops will enable you to develop new awareness, insight and understanding. You will increase your ability to take charge of your life, make changes and over-come obstacles.

CODEPENDENCY

A codependent person is one who is affected by another person's behavior, and who focuses on changing other people or solving their problems. This workshop will demonstrate how relationships are affected by codependency. Once recognized, codependent behavior can be changed to create more effective communication and to promote personal growth and happiness.

Thursday, November 15

9:00 am to Noon

FEE: \$40.00

ADDICTION TO PERFECTION

Are you one of those people who feels the need to do everything better - perhaps even perfectly?

This workshop will look at how people strive for perfection while starving themselves from what they really need. The pace and stress of striving for perfection can drive a person further away from what is truly wanted. This workshop will show participants how to access their inner resources and build a way to get what is really wanted.

WEDNESDAY, DECEMBER 5

FEE: \$40.00

TO REGISTER:

You may mail a registration form or call Victor Cantres at (215) 951 1074.
