Request for Nominations

Each year since 1973, the board of Directors of the Urban Studies and Community Service Center selects a small number of individuals for special recognition. Particularly sought are persons who have given unselfishly of themselves to make their neighborhood and city a more just and peaceful place to live and work. Special attention is given to those who live, work and contribute their voluntary effort to community development in the "GLOW" area (Germantown, Logan, Olney and West Oak Lane).

If you know of someone who deserves special recognition, please complete a nomination form (available at the Mailroom) and return it to the Urban Center.

Campus News is distributed weekly to foster communication and encourage information sharing among University departments. Articles submitted are the responsibility of their authors alone and do not imply an opinion on the part of La Salle University or the Department of Mail and Duplicating Services.

Academic Discovery Program

The Academic Discovery Program (ADP) is recruiting tutors in all subjects for the Fall of 1991. Your personal knowledge of students is invaluable to us. Specifically, if you have outstanding students in your classes who are articulate and personable, could you call us at 951-1084 or drop a note to Box #414 and tell us their names? We will contact them in the next few weeks. Thanks for your help.
