SURPRISE! MORE TICKETS FOR OUR TRIP TO BALTIMORE'S CAMDEN YARDS!

To the Campus Community:

Because of the modern miracle of computer error, the Baltimore Orioles have made available additional tickets to us for their Sunday, August 23, 1992 game against the Oakland Athletics at their new Orioles Park at Camden Yards. Thus, we are able to offer seats for a second bus for those of you who are still interested in attending the game. The cost of the trips is \$36 per person, and includes bus transportation from Hayman Hall, admittance to the pre-game reception (featuring roast beef sandwiches, beer and soda) and the game ticket. The bus will leave Hayman Hall at 9:00 a.m. and return immediately after the game. Game time is 1:30 p.m.

If you are interested in attending, please contact Tim Regan, Assistant Director of Alumni at x-1535, or drop by the Alumni Office (1st floor of Benilde Hall) in person. Only firm commitments will be accepted and you must deliver a check (made payable to La Salle University) in the proper amount to guarantee your spot on the bus. We were very fortunate to secure these seats because the game is sold out. If you have an interest, please act soon. Tickets for this event are expected to move quickly.

In the event you had not heard, Brother Patrick Ellis will perform the national anthem prior to the game and he will attend the reception.

If you have any questions, please do not hesitate to contact me.

Sincerely yours,

Edward A. Turzanski

Director of Government Affairs

On Tuesday August 11, 1992, the Personnel Office will be holding open enrollment sessions throughout the day in the Student Union Ballroom. The I.D. office will have a station set up for I.D. pictures to be taken. This will be a good opportunity to have your picture taken for the new University I.D. card if have not already done so.

Faculty and Staff members who have had their picture taken and have not picked up their new University I.D. may swap their old I.D. for the new one at this time. Please note you must turn in your old I.D. to pick up your new I.D.

Your new I.D. will allow you Security access to every location your old I.D. would have allowed you access to.
