LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

January 11, 1991

Need a Brochure?

With the cooperation of Desktop Publishing, my Editing & Publishing class can do a 3-fold, 6-panel brochure for you and have it printed here on campus. I prefer having them work on real, useful projects. Satisfaction guaranteed and the price is right. (Cost of paper and plate only.)

You be the client. The student will write, copyedit, design, typeset, proofread, and prepare the brochure for printing by the Printing Department. You have approval rights. Sorry, no pictures, but line drawings or clip art can be used.

Drop me a note if you have a project for us.

Under Pam's direction, the opportunities for community service have grown immeasurably in both breadth and depth — for this we should be most grateful.

Campus Ministry Center

La Salle University
Philadelphia, PA 19141

La Salle University, a liberal arts institution conducted by the Christian Brothers, announces the opening of a full-time (10-month) position for an Associate Director in the Campus Ministry Center. The person would complete a team of four and take on primary responsibility for administering a well-founded and growing community service program.

Commitment to the ideals of this Catholic university is essential; a masters degree in a relevant field (pastoral theology, social work, etc.) and prior experience in higher education campus ministry are preferred. Candidates should also show great enthusiasm for working directly with the large number of students currently involved in community service, and creativity in reaching out to others who may not yet have considered how such involvement could be an integral part of their collegiate experience.

While the position is immediately available, candidates who might not be available until August, 1991, should also apply.

A resume, three letters of recommendation and a letter of application should be sent to:
