SUBJECT: SUPPORT GROUP

A support group has been formed for individuals who have realized that family of origin issues - i.e. alcoholism, mental illness, chronic unemployment, etc. - resulted in dysfunctional family relationships. This group meets on Thursdays in the Counseling Center from 5:00 to 6:15 P.M.

All who believe their family of origin may have been dysfunctional are invited. Please call me at 951-1355 for more information or to explore this groups appropriateness for you, a friend or student.
