Director of Purchasing

February 27, 1992

From: Kenneth G. Smith, Director of Purchasing

Re : Office Supplies

This is to remind everyone that new Office Supply catalogs for 1992 are available in the Campus Store. They may be picked up at the book counter.

At the front of the '92 catalog there are a number of white pages with ordering instructions and a list of office supply items for which we have negotiated extra discounts, for this school year. The stock numbers of those items have changed, thus it is important to use the new catalog when preparing your requisition. Using the old numbers will cause delays in processing your order.

If you have questions regarding specific office supply items, management of the Campus Store or the Purchasing Department will be glad to be of assistance.

Student Health Service

TO: LaSalle University Community

FROM: Student Health Services

RE: Class Excuse Policy

It is the policy of LaSalle University's Student Health Services that written excuses for class absences due to minor illnesses will not be provided by the Health Services staff.

Responsibility for class attendance and completion of assignments rests primarily with the student who should discuss assignment issues with the individual course instructor when necessary.

In the event of serious illness requiring hospitalization or extended medical confinement, the Health Services will notify the Academic Dean of the absence without disclosure of privileged details.
