Assistant to the Vice President For Student Affairs

May 20, 1992

Dear Members of the La Salle Community:

Thank you for your encouragement and recommendation of students for participation on the Judicial Board. I was very pleased with the quality of all of the applicants and believe that most of this year's applicants could have served the University well. Your recommendations and nominations of students were helpful, especially because selection decisions did not come easily.

Below is the list of the students who will be serving on the Judicial Board for 1992-1993. Should you have questions, feel free to contact me.
