LA SALLE UNIVERSITY

OFFICE OF THE DEAN • SCHOOL OF BUSINESS ADMINISTRATION
PHILADELPHIA, PA 19141 • (215) 951-1040

MEMO TO: Campus Community

FROM: Joseph Kane
Dean

DATE: May 5, 1993

RE: Department Chair Appointments
School of Business Administration

I am pleased to announce that **Sharon Javie** has been appointed to serve a second four year term as Chair of the Marketing Department. During her first term Sharon demonstrated strong and thoughtful leadership both within the Marketing Department and within the School of Business Administration. We look forward to a continuation of her contributions in the future.

Madjid Tavana has been appointed as Chair of the Management Department. Madjid joined the Faculty in 1984 and has become known as a successful teacher and researcher. He has the very strong support of his departmental colleagues in being their Chair and I am pleased to concur in this. Madjid brings good organizational skills and a high level of energy to this position.

Steve Meisel is stepping down after serving six years as Chair of the Management Department. During that time the Department and the School of Business Administration have benefitted significantly from Steve's leadership. Steve's process skills, exceptional interpersonal abilities, and a good sense of humor have made him the effective Chair that he has been. He has indeed made a solid contribution to all of us in the SBA.

The Chair Group will continue to play a major role in guiding the SBA forward through what is likely to be a very demanding self-study year and beyond.
