LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

June 11, 1993

LA SALLE UNIVERSITY

VICE PRESIDENT FOR BUSINESS AFFAIRS

PHILADELPHIA, PA 19141-1199 • (215) 951-1050 • FAX (215) 951-1799

June 1993

Dear Colleague:

It is with the sadness of seeing a good friend depart, the gladness that he leaves to fulfill personal and family plans, and to begin a new phase of life, that I tell you John Travers, our Director of Security and Safety for the last sixteen years, has indicated his wish to retire on October 1, 1993. John and his wife Joan are looking forward to a year of traveling and continuing their other personal hobbies and interests. I think that the work John has done for La Salle during his tenure with us can only be described as distinguished. When John first came to La Salle security was a contract service and a sub-unit of the Physical Plant. John through a series of carefully planned phases developed the department to one that is now fully staffed with University personnel. He also established the appropriate structure, training and personnel practices to operate a 24 hour 7 days a week organization. One might say that he carefully and effectively moved us from an "out-house" to an in-house operation. Through all of this John demonstrated the experience and special wisdom necessary to blend the challenges of a security department and its necessary regimentation with the unique atmosphere of an academic community. I myself am indebted to him for his commitment over the years.

I hope that you will join with me in extending our best wishes to Joan and John.

Sincerely,

David C. Fleming
Vice President for Business Affairs
