RE: Position Available Forms for College Work Study and Budget "03" Student Workers for 1993-94.

If your office needs college work study students for the 1993-94 academic year please complete the necessary position available form. Once the completed forms are received in our office you will receive a Policy and Procedure pamphlet concerning the hiring and supervision of work study students.

At this time, I would like to remind you of a service that we will be providing to students during the 1993-94 academic year. We are going to keep a listing of "03" jobs available in our office so that when students inquire about these types of jobs we will be able to point them in the right direction. The Financial Aid Office will not be responsible for the placement of these students, but instead will serve merely as a source of information.

ATTENTION STUDENT WORKER SUPERVISORS

Please be advised that June 25, 1993 marks the end of the 1992-93 fiscal year. College work study students and Budget "03" Student Workers will be terminated as of Friday June 25th.

Students who have been awarded College Work Study for the 1993-94 academic year may begin using their 93-94 work study award on July 1, 1993. Alternatively, students may be hired as Budget "03" student workers.

I recommend that the appropriate paper work be completed as soon as possible so that student workers may continue being paid on an uninterrupted basis. If you have any questions please feel free to contact the Financial Aid Office at ext. 1070.
