LA SALLE UNIVERSITY

OFFICE OF THE PROVOST
PHILADELPHIA, PA 19141 • (215) 951-1015 • FAX (215) 951-1785

Members of the La Salle University Community

Dear Colleagues,

Dr. Maryanne Bednar has accepted the appointment of Interim Dean of the School of Continuing Studies. Three very well qualified candidates applied for the position. Indeed the choice was not an easy one as can be attested to by the Search Committee and the Deans. Each candidate presented a set of qualifications representing different strengths and abilities to accomplish the role of Interim Dean.

I know that you will join me in expressing appreciation for Dr. Bednar's willingness to serve the La Salle community and wish her success during this important transition time in the development of the School of Continuing Studies. In addition I know you will also join me in thanking Kevin Harty of the English Department and Jim Donahue a part time instructor for the university and La Salle alumnus for their willingness to step forward as candidates for this position. As I have remarked before, it takes courage to submit oneself for examination by one's colleagues as a part of a candidacy process. My thanks also to the Search Committee for their diligent work and their candid and valuable discussion with me regarding the strengths of the candidates.

Sincerely,

Daniel C. Pantaleo
Provost

Effective September 1, 1994, the University Office Supplies Contract will be transferred from Boise Cascade to Corporate Express/Hanson Inc. Catalogs

Normal selection and purchase of Office Supplies should be made from either the La Salle Contract Items Catalog or the Corporate Express/Hanson catalog. Both catalogs will be available for pick up in the Campus Store on September 1st. (Please turn in or dispose of all Boise Catalogs. Boise catalog numbers will not be compatible with product numbers on the new contract.)

LA SALLE UNIVERSITY

DEAN, SCHOOL OF ARTS AND SCIENCES
PHILADELPHIA, PA 19141-1199

TO: ALL FACULTY

FROM: BARBARA MILLARD, DEAN
ARTS & SCIENCES

Applications for the following grant opportunity are available in the office of the Dean of Arts & Sciences. Please note that the University may nominate **three** faculty.

NEH

SUMMER STIPENDS

AWARDS: \$4,000

(or \$4750 for projects requiring travel)

DEADLINE: 10/1/1994

NOMINATION AND PROCEDURES

- 1) Except in the case of exemption noted below (see item 3), applicants teaching in colleges and universities must be nominated by their institutions.
- 2) Each college and university in the United States and its territorial possessions may nominate three members of its faculty for the Summer Stipends competition. No more than two of the nominees may be in the early stages of their careers, i.e., junior nominees; no more than two may be at a more advanced stage, i.e., senior nominees. For the purposes of the Summer Stipends program, academic applicants at the rank of assistant professor or instructor who are at comparably early stages of their careers will be considered junior nominees. Those holding the rank of associate professor or professor will be considered senior.
- 3) Academics with appointments terminating by the summer of 1995 and others not employed by colleges or universities are exempt from nomination and may apply directly to the NEH.
- 4) Nonfaculty college and university staff members are eligible for the Summer Stipends program and may apply without nomination provided that they will not be teaching during the 1994-95 academic year. They should send their applications directly to the NEH.
- 5) Please note that nomination by an institution does not mean that institutions are being judged in the competition; only individuals are. The nomination requirement is designed to promote the distribution of awards to excellent scholars at a variety of institutions.
- 6) Please circulate these materials to faculty who teach in the "humanities" as identified on page one of the brochure: "language, both modern and classical; linguistics; literature; history; jurisprudence; philosophy; archaeology; comparative religion; ethics; the history, criticism, and theory of the arts; those aspects of social sciences which have humanistic content and employ humanistic methods..."

(over)

7) The NEH requests that institutions announce their nominating procedures to all potential applicants. The NEH does not prescribe the nomination procedure to be followed by an institution, but urges that the process be a fair one designed to nominate the best qualified candidates on each campus. These are the criteria that reviewers will use in evaluating Summer Stipends applications:

1. the significance of the contribution that the proposed project will make to thought and knowledge in the field of the project, and to interpreting and understanding the humanities generally;
2. the quality or promise of quality of the applicant's work as a teacher, scholar, or interpreter of the humanities;
3. the conception, definition, organization, and description of the proposed project;
4. the likelihood that the applicant will complete the project; and,
5. if applicable, the necessity of the planned travel and the appropriateness of the specific collection for the proposed project.
