RE: TYPEWRITER MAINTENANCE

=====

Wednesday, January 4, 1995, will be the first day of scheduled typewriter cleanings. MAIN LINE BUSINESS MACHINES, our contracted typewriter maintenance and repair vendor, will be overseeing this task. They will begin with the Administration Center and will continue until they have finished cleaning every typewriter on campus. The men who will be on campus do not have a uniform to identify, however they will carry business cards. If you have any questions or problems, please, do not hesitate to call my assistant, Inge at extension 1864. Thank you for your support.

Campus News is distributed weekly to foster communication and encourage information sharing among University departments. Articles submitted are the responsibility of their authors alone and do not imply an opinion on the part of La Salle University or the Department of Mail and Duplicating Services.
