LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

JULY 15, 1994

LA SALLE UNIVERSITY

OFFICE OF DEVELOPMENT

PHILADELPHIA, PA 19141-1199 • (215) 951-1540 • FAX (215) 951-1734

To the La Salle community:

You are cordially invited to a choral concert at La Salle University on Tuesday, July 19, 1994 at 7:30 p.m. in the Dan Rodden Theater located in the Union Building.

La Salle is presenting the men and boys choir of Passy-Buzenval, all of whom are students of a Christian Brothers' school located in a suburb of Paris. The choir will be performing in major cities in the Eastern United States; for universities, colleges, and schools of the Christian Brothers and at major cathedrals in the area.

Started in 1987, the young men of the choir are all volunteers of great motivation and love of music. Their first mission is to keep alive the Catholic liturgy through their music. They have traveled the world to bring their concerts of sacred and secular music to the widest possible audience.

There is a reception following the concert. If you have any questions, please feel free to contact my office at 951-1834. To facilitate planning for the event, if you could let us know an approximate count of people attending, I would be very grateful.

Brother Charles E. Gresh, F.S.C.
Director of Development

DATE: July, 1994

Yes we can perform many support services for you at the Duplicating Department such as copying, printing, binding, stapling, folding, wrapping, booklet making, etc. However, our mission begins with an original document created by you. The services we provide start with the duplicating process and continue thereafter.

Recently, requests for pre-duplicating preparation of original documents, that is, page set-ups, drop in logos, photos, and pasting up strips of paper to form one page, etc. have been on the increase. In order to avoid disappointment or possible delays with your next project, and so that we can continue to be a "*Yes we can*" support service for you, may I offer the following suggestions:

-If available, use the desktop publishing capabilities of your office wordprocessor to create your document.

-Do minor paste-up work in your office.

-Consult with Desktop Publishing Services Department in Olney Hall 100 about your next project.

Your complete original, created and approved by you with your properly filled out duplicating requisition will prove to expedite your work order in the most efficient and timely fashion.

Thank You.

FYI LA SALLE.....

A new alcohol and other drug service has been created on campus- an alcohol and other drug archive. This is a repository of AOD files located on the "N" directory of WordPerfect on Administrative Computing's LAN.

To access this archive, select word processor (W) at the main menu; choose WordPerfect (W). Once into WordPerfect press, F5, N:, enter. You are now in the public access directory of WordPerfect. Scroll down to either "Alcohol" (only alcohol related files) or "Drugs" (drugs other than alcohol files) and enter twice (enter,enter). You will now see the directory of files available to you. Scroll to IREADMEI for additional information about using this service.

All files are available to you to read, download, or print out. If you use Microsoft Word, you can download these files as MSDOS/ASCII text by entering "ctrl-F5, 3". If you use these files with students, please cite the AOD Program, include our extension (X-1355) and location (Counseling Center, McShain).
