LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

August 25, 1995

LA SALLE UNIVERSITY

VICE PRESIDENT FOR BUSINESS AFFAIRS

PHILADELPHIA, PA 19141-1199 • (215) 951-1050 • FAX (215) 951-1799

August 25, 1995

TO: The La Salle Community

After ten years serving as Director of Computer Resources, Jack Porcelli will be leaving La Salle on September 8 to accept a position elsewhere.

When Jack started, his hiring was our first step in disengaging from a contract service and returning responsibility and control to the University. Jack was instrumental in developing and carrying out the complex plans of transition to keep systems and services running while building our own staff. In that process, he did remarkable work in the development of a structure and staff from the ground up. Additionally, under his leadership an off-the-shelf administrative software system has been customized to an exceptional degree, the entire field of personal computing evolved and our self administered administrative and student telephone system was installed. During the last several years, he has had to contend with the struggle of exploding demand for information technology services, while available resources, due to the serious enrollment declines, were limited. Through all of this Jack has served with loyalty, dedication and integrity.

Please join me in extending our appreciation and best wishes to him.

Sincerely,

A handwritten signature in dark ink, appearing to read "David C. Fleming".

David C. Fleming  
Vice President for Business Affairs

MEMO TO: Faculty

FROM: Joseph Kane *Joe*

RE: +/- Grading

Last spring the introduction of a +/- grading system was approved by the Academic Affairs Committee after several years of discussion and consultation. The +/- grading system becomes effective with the fall semester, 1995. I would call to your attention the following.

Use of the +/- grading system is not mandatory. Those faculty who wish to do so may continue to assign A, B, C, D, F, etc., grades only.

The revised grading system is as follows:

	B+	C+	D+	F
A	B	C	D	I
A-	B-	C-		W, etc.

There are no A+ or D- grades.

A "+" grade adds .33 to the numerical grade equivalent and a "-" grade subtracts .33 from the numerical grade equivalent. Thus,

B+ = 3.33  
B = 3.00  
B- = 2.67

Please be sure to include an accurate description of your grading policy on the **course expectations/syllabus** form that you distribute to students in each of your classes.
