RE: Summer Jobs Program

Did you know that we typically have more summer jobs than we have students to fill them? Unfortunately, that does not mean every La Salle student has a job for the summer. It usually means they didn't know how easy it is to get involved in the Summer Jobs Program.

The good news is that last year, the following companies participated in the Summer Jobs Program and hired Arts, Science and Business majors:

- | | | |
|------------------------------|--------------------------|----------------------------|
| McCann Erikson | Shared Medical Systems | EBI Companies |
| Fox Chase Cancer Center | W.B. Saunders Publishing | Prime Savings Bank |
| Cigna Corporation | PECO Energy | County of Delaware |
| Immigration & Naturalization | Enterprise Leasing | SmithKline Beecham |
| DuPont | ESF Concepts for Kids | and <u>many</u> more . . . |

There are five options students can utilize to benefit from the program including a list of approximately 100 employers, resume referral and on-campus recruiting. We can also help students who live in different regions who need to conduct a long-distance job search.

There will be two sessions to introduce students to this year's Summer Jobs Program:

- | | |
|----------------------------------|-----------------------------|
| JUNIORS | Thursday, January 18 |
| SOPHOMORES & FRESHMEN | Tuesday, January 23 |

Both workshops will be held in the Dan Rodden Theater at 12:30. Any announcements you could make to your underclassmen classes would be greatly appreciated.

Thank you for any help you can give in publicizing this event and for encouraging your students to attend.
