RE: Position Available Forms for Federal Work Study and
Budget "03" Student Workers for 1998-99.

If your office needs Federal Work Study and/or Budget students for the 1998-99 academic year, please complete the necessary position available forms and return them to the Financial Aid Office. Once the completed forms are received in our office, the work study supervisor will receive information concerning the hiring and supervision of work study students.

Also, I would like to remind you of a service that we will be providing to students during the 1998-99 academic year. The Financial Aid Office will keep a listing of Budget "03" jobs in our office so that when students inquire about these types of jobs we will be able to point them in the right direction. The Financial Aid Office will not be responsible for the placement of these students, but instead will serve merely as a source of information.

Please try to return the position available forms to our office as soon as possible. If you have any questions please do not hesitate to contact me at ext. 1070. Thank you.

Curriculum Design Committee Minutes

Tuesday, June 23, 1998

Present: Eileen Giardino, Tom McPhillips, Lynn Miller, Marc Moreau (chair), Stephen Smith, Margaret Watson, Sam Wiley

Excused: Mary Burke, Fran Ryan, Jeannie Welsh

The meeting was called to order at 9:20 AM.

Discussion with the Deans and the Provost: For the first hour and a half of the meeting, the committee discussed with the deans and the provost our progress to date on developing a new core curriculum. Topics included:

- responses to the four models presented to the La Salle community in April
- the role of the core in the recruitment of new students
- a first year program that would incorporate experiences of the city as a common experience ("The Metro" or the "Philadelphia Experience"). This urban experience might be structured so as to link together various courses.
- "Doubles" in a new core
- administration of the core
- resources for and financial support of the core and the faculty who teach it

Comments on the Committee's Meeting with the Provost and the Deans: After our discussion with the administrators, the committee continued discussion concerning the use of our urban location and city resources to enhance the core curriculum. If indeed there is a person appointed to supervise the core curriculum, this person might administer the "Metro Experience" and help to make it "faculty-friendly". This administrator might recruit teachers to become involved in the "Metro Experience" and might construct and coordinate opportunities for class experiences that teachers can utilize.

Research Concerning Mathematics Requirements for Various Majors: Sam Wiley agreed to prepare a presentation that would illustrate the current mathematics requirements for each major in the university.

Schedule of CDC meetings: The committee confirmed the following meeting schedule:

Monday, June 29:	9:30 - 12:00	--- College Hall, rm. 303
Thursday, July 2:	9:30 - 12:00	--- College Hall, rm. 303
Monday, July 6:	9:30 - 12:00	--- College Hall, rm. 303
Thursday, July 16:	9:30 - 12:00	--- Lawrence Conference Room
Thursday, July 23	9:30 - 12:00	--- College Hall, rm. 303

The meeting adjourned at 11:25 AM.

Respectfully submitted,
Tom McPhillips
