NICHOLAS A. GIORDANO
PRESIDENT

March 19, 1999

Dear Colleagues:

I am extremely pleased to announce the appointment of Brian Elderton as Vice President for University Advancement.

The creation of this new position is significant. It reflects our intention to broaden responsibilities for fund raising and development at La Salle. There will be a greater emphasis on soliciting corporations and foundations, for example, and there will be more aggressive and creative approaches to fund raising in general.

Brother Mike McGinniss has been very much involved in our efforts to fill this key position, and I know he is looking forward to working with Brian.

Brian comes to us from the Mercy Health System, where he has served as Vice President for Development for the past nine years. He was responsible for planning, organizing and managing a comprehensive development program for a health care system consisting of four hospitals, a physicians network, a health maintenance organization, a home health care agency, and a growing number of ambulatory care centers. Brian has also served as Director of the Parents' Annual Fund and Graduate Annual Fund at Georgetown University, and he has taught at various high schools, including Christian Brothers High School in St. Louis, Mo.

He has his Bachelor's degree from Christian Brothers University in Memphis, a Master of Education degree from the University of Missouri, and is pursuing his MBA at Temple University.

Brian is scheduled to start at La Salle on Monday, April 12. Please take a moment that day to welcome him to the La Salle community.

Very truly yours,

APRIL 15 IS LESS THAN A MONTH AWAY!

March 19, 1999

Dear Friends and Colleagues,

We are not worried that you will forget to file your income taxes on time. We just do not want you to miss your chance to purchase a raffle ticket, because you could be one of three prize winners enjoying a fabulous trip.

- **The Grand Prize:**
An all expenses paid trip for four to Ireland for seven nights and eight days. This once-in-a-lifetime trip includes: airfare; car; Irish breakfasts; local taxes and service charges. Also, the trip provides prepaid and reserved tee times at Lahinch, Adare, Ballybunion/Old, Tralee, Waterville, and Killarney golf courses, as well as, hotel accommodations for four nights at Killarney Park Hotel (Ireland's newest five-star hotel), Killarney, County Kerry, and three nights at Dunraven Arms Hotel, Adare, County Limerick.
- **Second :** *Trip for two to Bermuda for five days and four nights, including airfare, hotel accommodations, and golf.*
- **Third:** *Trip for two to Orlando for five days and four nights, including airfare, hotel accommodations, and golf.*

The raffle is an opportunity for the entire La Salle community -- including yourself -- to win, not only one of three exciting trips, but, also, to help raise funds for student financial resources at the University as well as to benefit your favorite academic department or organization at La Salle! These trips are for golf or just fun, because non-golfers will receive the cash equivalent of greens fees.

That's right! For every ticket you sell, your department or organization will be entitled to 50% of the proceeds. For example, if the Parents Association sells 10 raffle books for a total of \$1,000, the Parents Association will receive \$500.

But, you have to act now, because the drawing for these great prizes is April 19th. So, please purchase your own raffle tickets today and ask your friends if they would like to take a chance and win one of these fabulous trips!

Raffle tickets can be obtained through any faculty member or in the Development Office on the 4th floor of the Administration Center. All sold raffle tickets should be returned to the Development Office as soon as possible.

Nicholas A. Giordano
President

Yours truly,

Bruce A. Leaby
Associate Professor, School of Business

P.S. All proceeds from the raffle will benefit our students and your favorite department or organization!

INFORMATION COPY

Dear Students and Parents:

I hope that this past year has been a productive and happy one for you as part of the La Salle family. We continue to build upon past successes and look forward to a new century and all that it will bring. To be a student as one century folds into another is an exciting and historic event. We wish you good fortune and God's blessings in the coming year.

On the reverse side of this letter is the schedule of tuition and fees for the University for the 1999-2000 academic year.

La Salle's tuition and fees have historically been lower than private colleges and universities of comparable quality. In order to maintain the quality of education you have come to expect, we must increase our tuition base for the next academic year. Salary increases to our faculty and staff have been kept to levels approximating the cost of living. But other costs such as: technology, infrastructure, new academic program initiatives, and student life enhancements do raise the overall cost of educating our students.

Nevertheless, the tuition even with its increases does not cover the cost of educating our student body. The generosity of our friends and alumni are essential to our ability to meet the many financial obligations that face our University today.

Be assured that we will continue to seek funds from many other sources to support our educational enterprise. We know the sacrifices that you are making to attend La Salle, and for our part, we will do everything to make it an investment that will serve a lifetime.

Thank you.

Sincerely,

Nicholas A. Giordano
