To: Campus Community

From: Jim Sell

I just want to take this opportunity to say a heart felt good-bye to those of you who I've had the pleasure of working with and getting to know during my four-year tenure at La Salle.

It goes without saying that La Salle is indeed a special place. While I have known this all along, it has become more evident to me as I prepare to leave the University. The outpouring of "thank you's", "good lucks" and "you'll be missed" comments have been flattering and overwhelming. It is certainly nice to be appreciated, and I will treasure those comments and the relationships that we have built together as I go back "home" to my new position at Bucks County Community College.

My time at La Salle has been a wonderful growth experience for me. I feel that I am a better professional and person for having worked at this University. It is my hope that I have made an impact on La Salle in return.

I would also like to take this time to thank former Dean Barbara Millard and Director of Continuing Studies, Liz Heenan for providing me with the opportunity to work in their offices and Provost Richard Nigro and Associate Dean Richard Di Dio for acknowledging my ideas, soliciting my opinions and encouraging me to pursue courses of action that would benefit the La Salle Community and allow me to grow as a professional.

In conclusion, let me say that it has been a privilege to work with so many wonderful, compassionate people. Thank you for all the assistance you have given me.

I will certainly miss you all.
