LA SALLE UNIVERSITY'S WEEKLY INFORMATION CIRCULAR

Jan.11th,2002

MEMORANDUM

Date: January 5, 2002
To: LaSalle Community, Event Hosts & Planners
From: Sarah Hopkins, Director of University Events 

Happy New Year! Spring is around the corner and events are on our minds.

Many of you host events in the spring. With this being a very popular time, it is important to set your date, time and location for your 2002 event as early as possible to avoid conflicts, room shortages and help us build a comprehensive event calendar.

Please forward all available information to our office (email hopkins@lasalle.edu or Box #809). In addition, please email your room/space requests to Sam Spoto, Administrative Services.

Do not hesitate to contact me (x1837) with any questions about your upcoming event or conference planning on campus.

Thank you.

Campus News is distributed weekly to foster communication and encourage information sharing among University departments. LA SALLE UNIVERSITY

DIRECTOR, UNIVERSITY HONORS PROGRAM
PHILADELPHIA, PA 19141 • 215/951-1360

ATTENTION FACULTY

We are pleased to announce that the School of Arts and Sciences in conjunction with the Honors Program will bring Parnassus Productions back to the campus this February. You might recall their extremely well received visit last February when they presented “Legacy of Galileo” to a full house in the Rodden Theater. It was the success of this visit that prompted the invitation to return.

This year’s production in their Encounters with Genius Series will be “*Legacy of Da Vinci*”. Using the same format as with Galileo, Rusty Bynum will lead the audience through many fascinating years of reminiscences as Leonardo begins the final chapter of his life as an advisor and teacher in the French Court.

You might want to make note of the following in your planning for your students this term:

DATE: THURSDAY, FEBRUARY 7TH, 2002

TIME: 12:45 to 1:45 PM (DURING THE UNIVERSAL FREE PERIOD)

PLACE: THE DAN RODDEN THEATRE

There will not be an admission charge. Details will be forthcoming prior to the date of the performance; this is intended simply as an advance notice to allow you to plan to incorporate this into your schedule for the term, if you so desire, and to encourage your students to attend.

To: All Investigators Intending to Conduct Research at La Salle as Student, Faculty, Staff, or Outside Investigators

From: **Institutional Review Board (IRB)**

Re: IRB Application and Review

All researchers are required to submit completed research proposals and IRB application materials to La Salle University's IRB. This request refers to members of the La Salle Community and those from outside institutions who hope to use La Salle as a research setting and to obtain subjects for their investigations. Also, those students and faculty who plan to conduct research for course requirements or who intend to collect data from subjects and settings outside La Salle must also apply to the IRB for proposal review. Proposals may be exempt, expedited, or fully reviewed depending upon the nature of the research and the study design.

A completed application consists of the following documents:

1. IRB Application (packet available from La Salle IRB website)
2. Consent form for participation in research
3. Research proposal or protocol with instruments to be used
4. Brief resume or biographical sketch of primary investigator(s)

IRB website is found at www.lasalle.edu

Ten (10) copies of the completed application materials must be sent to:
William Van Buskirk, Ph.D. Chairperson IRB
La Salle University, Box 367
1900 W. Olney Avenue
Philadelphia, PA 19141-1199

Meetings of the IRB are held once a semester. Additional meetings are scheduled according to the number of proposals submitted.

Lynn Collins, Ph.D (Psychology)
Brooks Aylor, Ph.D. (Communications)

Re: Student Phonathon

Date: January 11, 2002

The 2001-2002 Fall Semester Student Phonathon was a great success! Over 35 student phonathon callers completed 5,700 calls and the University received \$170,000 in pledges.

The 2001-2002 Student Phonathon will begin on January 22, 2002 and continue through May 4, 2002. This year's phonathon has six primary goals: to increase the alumni and parent participation rates, to increase revenue, to increase the number of completed calls, to decrease the number of refusals, to decrease the number of unspecified pledges, and to increase the number of accurate records in the alumni database.

In order to accomplish these goals, I need your help in identifying articulate students with excellent communication skills that are looking for an on-campus job. The Student Phonathon Caller position is a work study or budget job that takes place Sunday-Thursday from 6:00 p.m-9:00 p.m. Students are required to work a minimum of two nights per week. If you know of any students that are interested in an on-campus budget job, please forward a copy of the enclosed ad or have them contact me at ext. 1834 or ulrich@lasalle.edu.

Thank you for helping to secure the success of the 2001-2002 Student Phonathon!
