Philadelphia, PA 19141-1199*

FACULTY/STAFF PARKING PERMITS 2002/2003

June 21st.2002

Dear Colleague.

The Security and Safety Department is now issuing faculty and staff parking permits. **A new faculty and staff permit is required if you intend to use on-campus parking facilities after June 30th, 2002.**

Vehicles must be registered with the Security and Safety Department and display a valid permit in order to use the University's parking facilities, including "G" Lot (Good Shepherd Lot). To receive a valid permit for the upcoming year a new application must be completed and returned to the Security Department.

Please complete a parking permit application—including the faculty/staff information section—and attach a photocopy of the vehicle registration card for each auto you list on the application and return the application to the parking office. Faculty and staff parking permit applications are available on the Security and Safety Department's web site: www.lasalle.edu/security. or call to have one mailed to you.

After processing, your permit will be sent to your campus mailbox. (If you wish your permit to be sent to your residence, please indicate that information on your application).

You may pay any permit fee by completing the payroll reduction/deduction form. You may also pay the permit fee by check or money order. *Make any check or money order payable to La Salle University. Do not send cash through the mail.*

You can obtain a parking permit in-person at Security Headquarters, Parking Office, located on the second floor during regular business hours, Monday through Friday, 9:30 AM to 4:30 PM.

If you have any questions, please contact John Gallagher, Assistant Director, Security & Safety at (215) 951-1066, or by email: gallaghj@lasalle.edu.

Campus News is distributed weekly to foster communication and encourage information sharing among University departments. Articles submitted are the responsibility of their authors alone and do not imply an opinion on the part of La Salle University or the Department of Mail and Duplicating Services.

OFFICE OF THE PROVOST
PHILADELPHIA, PA 19141 • 215-951-1015 • FAX 215-951-1602

June 21, 2002

Dear Colleagues,

I am pleased to announce the appointment of Jo Anne Snarponis as Coordinator of Distributed Education. In this new position, Jo Anne will guide the University's efforts in the area of educational technology use, with a particular emphasis on online and distance learning initiatives and Web-enhanced instruction. Jo Anne will also work to provide technology training for faculty and assistance with incorporating technology into instructional and curricular design. Please join me in congratulating Jo Anne and wishing her well in her new role.

Replacing Jo Anne as Interim Director of Multimedia Services is Dave Munchak. Dave is a 2002 graduate of La Salle and will oversee the Multimedia Services office this summer until a permanent replacement for Jo Anne can be found. A search is currently underway for a candidate to fill that position.

Both the Coordinator of Distributed Education and the Director of Multimedia Services will report to Sabrina DeTurk, Assistant Provost for Learning Support and Faculty Development.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Nigro".

Richard A. Nigro
Provost

La Salle University's Neighborhood Nursing Center Receives \$200,000 Grants from Independence Foundation 2002

La Salle University's Neighborhood Nursing Center has received a \$200,000 grants from the Independence Foundation 2002 to continue to provide healthcare and educational services to many uninsured residents of Northwest Philadelphia.

"These grants allow us to keep primary care viable in an environment where it is becoming increasingly more difficult to provide health care to people in need," said Katherine Kinsey, Associate Professor of Nursing at La Salle and Independence Foundation Chair.

"Without the Independence Foundation's support, we couldn't provide primary care and educational services to the residents of the surrounding area. The Foundation truly has an excellent vision for improving the well-being of the city," Kinsey added.

La Salle University's Neighborhood Nursing Center cares for an area with the largest percentage of uninsured residents in the city. Many of the most vulnerable members of the community depend on the health services offered by the Center.

The grant will be equally divided between the Center's on-campus site at Chew and Wister Streets and the public housing site at the Hill Creek facility, located at Rising Sun and Adams Avenues.

"Our goal is to promote the urban health focus of our Nursing Center and the urban health curriculum that La Salle's School of Nursing and Neighborhood Nursing Center, faculty and staff developed for La Salle students," said Kinsey. "The Nursing Center offers many opportunities to students to provide educational and service programs to community members who typically do not receive this level of attention."

"The Independence Foundation fully supports the integration of student learning in the Nursing Center model," she added.

La Salle's Neighborhood Nursing Center offers a wide variety of programs for the community. Among the many services provided are primary health care, immunization outreach, home visiting to mothers and children, midwifery, and youth opportunity initiatives.

La Salle University Receives \$25,000 Grant From The Charlotte W. Newcombe Foundation

La Salle University has received a \$25,000 grant from the Charlotte W. Newcombe Foundation. The grant will be used to provide several scholarships awarded to women students who are at least 25 years of age, halfway through their program of study, and maintain at least a 2.5 grade point average.

"The Charlotte Newcombe Scholarship has provided many women the opportunity to continue their education without the worry and stress of falling into student loan debt," said Kate Braunstein, Financial Aid Counselor at La Salle University. "The majority of recipients are supporting themselves and their dependents, as well as working full time and attending college."

"Without this grant, many of the recipients would not be able to complete their degrees as quickly. These well deserving women work very hard and appreciate the support as they move forward to attain their educational and career goals," Braunstein said.

Liz Heenan, Director of La Salle's Continuing Studies Program, said, "Through my personal experience I know that this grant has made a significant difference in the lives of our women students. It enables them to continue on with their goal of obtaining a college degree."

"This grant is more than just being recognized for academic achievement. It really makes a difference as to whether or not these students are able to continue their education," Heenan added.

The newly announced grant for the 2002-2003 academic year brings the total awarded to La Salle to \$422,500 for the Newcombe Scholarships since its funding began in 1981.

"We look forward to helping more students in the upcoming year with the generous grant that the Charlotte Newcombe Foundation has given La Salle," Braunstein added.

Approximately 24 Charlotte Newcombe scholarships will be awarded during the 2002-2003 academic year.
