Re: Off Campus Group Information

This summer, the Conference and Guest Services Unit hosted over 25 different programs, which encompassed over 6,000 guests and visitors to our campus. The various programs held on our campus used our facilities as well as our housing. Some groups were the Pennsylvania Ballet Community Outreach, various High School and Grade School graduations, Educational Programs, such as the Graduate Religion and Advanced Placement, as well as, the Lasallian Volunteers and the New Teachers' Institute.

Throughout the academic year, this office continues to host various groups on campus and I wanted to take this opportunity to explain the services that are available through the Conference and Guest Services Unit here at La Salle University.

"Off Campus Clients/Groups" are defined as those groups, not affiliated with La Salle University, but whom the University deems appropriate to host. "Off Campus Clients/Groups" need to follow certain procedures, which are in place to ensure the success and the safety of the event. Conference and Guest Services exists to better serve and accommodate the ever-growing need to host and organize the "Off Campus" events and programs, which take place at LaSalle University throughout the year.

The Conference and Guest Services Office provides the Off Campus group with the scheduling, planning and execution of the particular conference, workshop, seminar, etc. This office also provides the Off Campus group with all of the necessary information and paperwork involved in the approval and confirmation process, such as contracts and mandatory Liability Insurance requirements. The Conference and Guest Services Office will also streamline the reservation requests with other university departments, such as Administrative Services, Food Services, University Advancement, Physical Facilities, Security and other offices in order to provide the proper coordination, execution and success of the event.

Call the Conference and Guest Services Office at (215) 951-1943, if you are unclear about a group's status or if you know of a group that would like to know more about Conference and Guest Services.

Keep in mind that the facility needs, which any group, On Campus or Off Campus, may be requesting, i.e. tables, chairs, AV equipment, **may be unavailable** due to other activities on campus. In this case, it may be necessary to contract with an outside vendor to furnish your event. The vendor information can be supplied upon request.

Look for the new website that's on the way with information regarding Conference and Guests Services!

Students, who are planning events, should contact the [Programming Center](#) for assistance.

- This center is located in the Student Union, Room 307, X5044.

Please, let me know if you have any questions regarding this information.

Campus News is distributed weekly to foster communication and encourage information sharing among University departments. Articles submitted are the responsibility of their authors alone and do not imply an opinion on the part of La Salle University or the Department of Mail and Duplicating Services or Portal Communications.

Concert and Lecture Series

Please join us on October 28 at 4pm in the La Salle University Chapel for a performance of Andrea Clearfield's, "Into the Falcon's Eye." The work was commissioned in 2003 by Froydis Ree Wekre, and will be performed by Cynthia Carr (horn), Jason Ayoub (horn) and Julie Nishimura (piano).

The concert is part of La Salle University's series on Women in the Arts and is sponsored by the Concert and Lecture Series, the Provost's Office, the Program in Women's Studies and the Fine Arts Department.

This is to announce that as of **Tuesday October 19th**, the IT Department launched voicemail in a portion of the La Salle residence halls free of charge. Residence hall voicemail was announced to the remainder of the halls on **Thursday October 21st**. Each resident student received an e-mail in their La Salle e-mail account with a link to retrieve their individual mailbox information.

Online resources are available to assist in the setup and use of the residence hall voicemail at http://www.lasalle.edu/admin/it/resnet/resnet_voicemail.htm
