

Stepping Stones
Deysi Gonzalez

A shoulder to lean on.

A hand for those in need.

A sincere smile and a heartfelt hello.

Everyday is a new beginning, but to others ... to others it means *so much* more.

"If I cannot do great things, I can do small things in a great way."

Today.

today people are scared.

today people are anxious.

today people are praying.

"If I cannot do great things, I can do small things in a great way."

I cannot change the minds of those who refuse to see eye to eye.

I cannot guarantee a safe haven to all refugees.

I cannot guarantee that there will no longer be hate, but...

But I can do small things in a great way;

I will choose to keep fighting.

I will choose love over hate.

I will continue to have faith.

And I will...

"I will do small things in a great way."

Peaceful marches for a greater cause

Erasing Swastikas on the sub with hand sanitizer

Protesting at the Standing Rock Indian Reservation

"do small things in a great way."

To others, to others it means hope that their loved ones will remain safe.

To others, to others it means finally being able to be treated as equals.

To others, to others it means hope that times will pass and we will see humanity come together again.

Every small thing we do are the stepping stones that greater good.

If I cannot do great things

If you cannot do great things

If we cannot do great things

Then *we* will do small things in a great way.

A shoulder to lean on.

A hand for those in need.

A sincere smile and a heartfelt hello.
