The annual Alumni-Varsity basketball game will be held Friday evening, November 28 at the Field House. Following the game, Open House will be held in Leonard Hall for all alumni members and friends.

The Alumni Ball will be staged during the latter part of January. This activity is being revived after an absence of several years.

On Friday, May 10, the Alumni Dinner will be held at the Bellevue-Stratford Hotel, featuring Rev. Robert J. Gannon, S.J., President of Fordham University.

Crawford DELCO Commissioner

During the recent elections, President Albert J. Crawford, Esq., '36, was elected to the minority seat of Commissioner of Delaware County.

Active in county politics for the past several years, the Alumni head gained a 3,000 plurality over the other Democratic candidate for the important post.

During the campaign, Mr. Crawford captured the support of many independents who recognized his ability and commendable civic interest.

Strecker Profiled In SAT EvePost

LSC public speaking courses received national attention recently when Dr. Edward A. Strecker, '07, was profiled in the Saturday Evening Post issue of October 18.

The famous alumnus, one of America's best known psychiatrists, humorously admitted being one of the three worst public speaking students in his class while at La Salle.

The account traced Dr. Strecker's progress from his student days at LSC, medical school, internship, to his present-day status as a leading light of seventeen public agencies, a member of sixteen medical societies, and Chairman of the Department of Psychiatry at the University of Pennsylvania.

The article also revealed that he was consulted twice by the late President Roosevelt during the war for advice on programs designed to rehabilitate returning veterans.
