GLORY — LA SALLE

Music by Joe A. Colantonio

Words by Brother D. Adelbert, F.S.C.

Above Explorers valiant here under thine eyes
Thy Blue and Gold banners unfurl in the skies;

CHORUS
La Salle, La Salle, thy glory, thy triumphs we praise;
Thy name in song, forever we, thy sons, shall raise.

Here armed, thy scions standing await thy command,
Thou fortress of faith in our God and our land;

(CHORUS)

STUDENT

HANDBOOK

1956-1957
Every student is responsible for knowing the regulations which govern student life at La Salle College. He is expected to co-operate with the administration, the faculty, and student governing bodies by observing them.

The appearance of a regulation in this "Handbook" is a sufficient announcement.

THE PRESIDENT’S MESSAGE

The Student Handbook is a compilation of rules and regulations, the observance of which will bring about the good order which is a necessary condition for the well-being of the community in which the administration, faculty and student body participate.

Such rules and regulations have for their purpose the welfare of the student. They are the means whereby the College is better able to serve the interests of the student and to realize more completely the aims and purposes of the program of the College. It is from this principle that the Handbook derives its great importance.

Moreover, it is from the Handbook that the student learns what are his rights, privileges and obligations as a member of the college community. It provides the common basis for the proper relations between the members of the college community. Between its covers is found the formula for a happy, purposeful and successful student life.

A thorough familiarity with the Handbook is an indispensable condition for a fruitful participation in the religious, intellectual and social life of the college community. Let its message call us all to that harmony which spells good order and creates understanding and good will.

HISTORY OF THE COLLEGE

1. Beginning with its inception in 1863 in Saint Michael's Parish, the College outgrew three locations—the Academy site in the parish, the site at Broad and Juniper Streets, until a few years ago the location of the Evening Bulletin Building, and the old Bouvier Mansion at Broad and Stiles Streets. In 1929, the College was transferred from Broad and Stiles to a new location in beautiful Wister Farms. The new buildings were ready for full occupancy in 1930, housing the College, the Secondary Department and Benilde Academy.

2. The growth of the College continued. The numbers of students enrolled in the College and in the secondary department far exceeded the expectations of the founding Brothers. It became impossible to accommodate the many applicants. Additional property adjoining the original purchase was acquired and plans were formulated for expansion.
3. The return of the veterans from World War II placed a heavy demand on the facilities of the College. With the assistance of temporary facilities secured through Federal Housing Agencies, the College accepted a peak enrollment of over twenty-three hundred veterans.

4. In 1946, the College inaugurated an Evening Division in response to many demands from men in Industry and Business. After ten years, the enrollment in the Evening Division has grown beyond 1500, and the facilities of the College have already been strained beyond normal capacity.

5. Long an urban institution, serving metropolitan Philadelphia and the surrounding communities, the College was finally forced to yield to the demands of out-of-town students for campus accommodations. Accommodations in the campus residence halls are limited to two hundred and seventy-five. Each year marks further growth and development and the College again has reached a level where it must expand
to meet the increasing demands made upon it.

6. In 1951, the beautiful Dixon Estate in Elkins Park was purchased to serve as a location for the young men preparing to be Brothers and who are in attendance at the College. This suburban campus will receive within the next two years the secondary department to be transferred from the campus in Belfield Park to Elkins Park. The Elkins Park campus has on it Anselm Hall, the training college for the young student Brothers, named after Brother Anselm, for many years president of the College.

7. In 1955, because of vast growth and development, the College reorganized its administrative patterns and created several schools to better serve the student body. The traditional liberal arts structure of the College program gave way to separate schools of Arts and Science and Business Administration with sessions being conducted in the Day and Evening.

8. The latest phase of the College's
growth and development is evidenced magnificently in a Student Union, the construction of which will begin in 1957.

FACULTY OF THE COLLEGE

The faculty of La Salle College is composed of Brothers of the Christian Schools and laymen who have devoted their lives to Christian education.

The Brothers, following the traditions of their founder, Saint John Baptist de La Salle, the Patron of all Christian Teachers, are dedicated to the Christian education of young men. Their lives are consecrated to holiness and scholarship, for it is in these ideals that true education must be fostered. Father Lord, S.J., describes well their vocation as teachers: "Without the possible distractions of the priesthood, the Brothers give their undivided energies to the men in their classes. . . . Divided from them only by thin lines of a religious habit and the tremendous but invisible wall of their vows, they can win confidence, solve problems,
and offer sympathetic understanding. They are teachers lifted to supernatural heights by their consecration."

The three letters F.S.C. found after the name of a Brother are the initial letters of three Latin words, namely, Fratres Scholarum Christianarum. These words translated mean Brothers of the Christian Schools.

The priests and laymen of the faculty are selected because of special qualifications in their fields of endeavor and for their adherence to the principles of Christian education exemplified in the philosophy of Saint John Baptist de La Salle.

OBJECTIVES OF THE COLLEGE

La Salle College is a Catholic college for men, conducted by the Brothers of the Christian Schools, a religious congregation of teachers founded by Saint John Baptist de La Salle. The College, as a Catholic institution of higher learning, accepts as a basic purpose that which is fundamental to the whole system of Catholic education, namely,
the development of the supernatural man who, in the words of Pope Pius XI, "thinks, judges, and acts constantly and consistently in accordance with right reason illumined by the supernatural light of the example and teaching of Christ; in other words, to use the current term, the true and finished man of character."

The College strives to accomplish the following for all students:

1) to give to the student a higher education based on the principles of Christianity;
2) to develop the student intellectually so that he might learn to think critically and reason logically;
3) to prepare the student for responsible citizenship by acquainting him with the foundations of American democracy as they have evolved in the processes which created our Western civilization;
4) to foster in the student the development of an integrated personality which requires that he be provided
with an opportunity to satisfy the intellectual, moral, social, emotional, recreational and vocational needs according to norms proper to a cultured Catholic gentleman;

5) to make available to the graduates of Catholic high schools of the area, and in particular, to young men in moderate economic circumstances, an opportunity for a higher education.

To realize these objectives as completely as resources permit, the following standards guide the efforts of the faculty:

1) Courses in religion are included in every program of instruction. Formal instruction is supplemented by religious services, student retreats, class prayers, religious organizations, and, in general, by a Christian atmosphere on the campus.

2) Courses in philosophy are required in every program of instruction. These help the student to integrate his knowledge, to develop independent and responsible thinking,
and to evaluate critically various philosophical systems.

3) All students are required to study American history to help them appreciate the reasons for the position which the United States holds in the present world scene. This instruction has for its purpose the orientation of the student in much of the reading, discussion and information which mass media of communication bring to the public today.

4) The personnel program offers to the student services and opportunities which complement the instructional program—social and cultural activities, a program of co-curricular activities, intercollegiate and intra-mural athletics, professional services in the field of vocational and religious guidance.

5) The College has consistently maintained modest tuition fees and a generous student-aid program to make a higher education available to as many deserving students as possible.

**THE OFFICE OF THE VICE-PRESIDENT AND DEAN OF STUDENTS**

Presently, the Vice-President of the College also administers the Student Personnel Program. As director of
this program he may be addressed as Dean of Students.

Students should feel free to consult with the Vice-President in matters that either directly or indirectly are connected with what might be designated as Student Services:

1. Office of the Chaplain;
2. Counseling Center;
3. Medical Service;
4. Student Aid and Campus Employment;
5. Housing Program;
6. Alumni Association;

Students may also consult the Vice-President on the following classed as Student Organizations:

1. Intercollegiate Athletics;
2. Intramural Sports Program;
3. Activities of all student clubs and organizations.

Beyond these two categories the Office of the Vice-President may be referred to for problems concerning discipline and regulations.
OFFICE OF THE DEANS

The Dean of the College is in charge of the instructional program and he is the chief officer of the academic division of the College. The Dean of a specific school of the College is the chief executive officer of the school and students should feel free to consult him with the following matters:

1. anything pertaining to scholastic pursuits;
2. approval of rosters and schedules;
3. permission to make changes in courses of study;
4. permission to schedule extra hours;
5. permission to discontinue a course;
6. delayed, postponed, deferred examination;
7. questions concerning scholastic standing;
8. class attendance and absences;
9. the Dean's list;
10. withdrawal from College;
11. interruption of veteran training.
THE REGISTRAR'S OFFICE

The registrar's office attends to the following matters:

1. filing of student records and course marks;
2. issuance of transcripts;
3. classification of new students;
4. determination of advanced standing;
5. issuance of student reports.

IMPORTANT: The Registrar's office must be given a week's notice before the issuance of a transcript.

THE OFFICE OF THE BURSAR

The Bursar should be consulted whenever a student wishes information about tuition, fees, receipts of bills and any financial arrangements.

TUITION, FEES, AND OTHER CHARGES

La Salle College reserves the right to amend or add to the charges listed in the College catalogue at any time and to make such changes applicable to students presently enrolled as well as to new students.
Below are some charges listed in the catalogue which most often raise questions in the minds of students.

**Activity Fee**

A general fee of $25.00, per term, is charged to all students. This fee provides for the student's use of, participation in, or attendance at, such general services or activities as counseling; religious services and programs; dispensary; publications; debate; glee club; and other student organizations supported by the College; intercollegiate and intramural athletics; and library.

**Graduation Fee**

A graduation fee of $25.00 is payable before graduation by each candidate for a degree. This fee is to cover the cost of the diploma, the use of cap and gown, and all other expenses incidental to commencement exercises.

**Transcript of Record Fee**

A fee of $1.00 is charged for each duplicate transcript of College Record. There is no fee for the first transcript.
Late Registration Fee

Students are required to complete their course registration within the period set forth in the College Calendar. Late registration is permitted only in the most unusual circumstances and requires the permission of the Dean of the School and the payment of a fee of $5.00.

Change of Roster Fee

Unless requested by the College, or a grade of F is recorded, a change of roster, after the first week of class, will be permitted only with the permission of the Dean of the School, and a payment of a fee of $5.00. This fee does not apply where a student drops a course without substituting another course for it.

Delayed Examination Fee

Students are expected to take their final examinations during the regular examination period. Final examinations taken beyond the regular examination period require the permission of
the Dean of the School and the payment of a fee of $1.00, for each examination.

*Deferred Payment Fee*

A fee of $5.00, per term, is charged at the time of registration for the servicing of a deferred payment account. This fee will be charged also on all unpaid balances existing after the 10th day of the term.

**Financial Arrangements Regulations**

The total term expense is due and payable on the first day of class, and it must be paid within ten (10) days thereafter. Otherwise an arrangement must be made with the Business Office, at the time of registration, for a deferred payment plan. The Business Office issues and makes all adjustments on all student invoices. The student receives his invoice covering the term expense at the time of registration. The student is responsible for this invoice, and the non-receipt, or the loss of the invoice do not excuse the student
from the regulations regarding the time of payment. If the student loses his invoice, he should apply at the Business Office for a duplicate.

**Deferred Payments**

Provision is made under a deferred payment plan for students who may have difficulty in meeting their total expense in advance. The student or his parent is required to enter into a contract whereby he agrees to pay his term expense in four equal installments during the term.

Where a student contracts to pay his term expense in four equal installments, the first payment is due and payable on the first day of class, and it must be paid within ten (10) days thereafter. The remaining three installments are due thirty, sixty, and ninety days respectively thereafter.

A fee of $5.00, per term, is charged for handling deferred payment accounts. All unpaid balances existing after the tenth (10th) day of the term shall be subject to the deferred pay-
ment fee. If the total unpaid balance is paid on or before any of the due dates, except the due date of the final payment, the unearned portion of the deferred payment fee shall be refunded.

Refunds

Acceptance fee, as such, matriculation fee, registration fee, military science fee, and penalty fees are not refunded.

Students who withdraw from the College or from a part of their program for a satisfactory reason, such as prolonged illness, change in working hours, necessary transfer out of town, call to military service, may request a refund of tuition and fees in accordance with the schedule as established by the Business Office. The request for refund must be made at the time of withdrawal. An official withdrawal form must be filed with the Office of the Dean of the School. Refunds shall not be made on voluntary withdrawals or on withdrawals due to poor scholarship.
Financial Obligations

The privilege of dividing payments under a deferred payment plan is not to be construed as an arrangement whereby a student may contract for less than a full term of work in the course for which he registers, or be relieved of any part of his tuition obligation.

No student who is delinquent in the payment of tuition or other fees or against whom the College holds record of indebtedness, will be given a diploma of graduation, a certificate, a transcript of record, or a term report of grades until such indebtedness is paid. A student, who owes tuition or other fees at the close of a term, will not receive credit for that term or be permitted to register for a succeeding term until payment is made.

THE LIBRARY

The office of the Librarian is located on the first floor of the College Library. The building, erected in 1952, is located on the Olney Avenue side of the campus. Its collection of approximately
40,000 books and 300 magazine subscriptions is centered around the College curriculum and provides most of the books a student is ordinarily called upon to consult.

Withdrawal of Books

Each student will be given a library card entitling him to withdraw books for home or library use. He must present this card each time a book is withdrawn, and he shall be held responsible for all books drawn on the card. Books may be retained for a two-week period and may be renewed once.

Reference works (dictionaries, encyclopedias, and the like) are shelved in the main reading room. These are for use in the library only and may not be withdrawn for outside use.

Books placed on reserve by faculty members for the use of students may be withdrawn for use in the library. Some may be taken out for overnight use. Regulations concerning these are posted in the "List of Reserve Books" at the charging desk.
A fine of two cents per day (higher in the case of reserved books) is charged for books not returned on time. During the period when a student owes a fine or retains an overdue book, his library privileges are suspended.
STUDENT REGULATIONS AND PROCEDURES

Dean of the College
THE DEAN'S MESSAGE

La Salle College, like all other colleges, is organized for the benefit of its students. All the faculty resources, all the facilities of the College, all the educational tradition are devoted to the one purpose of providing the opportunity for each individual student to achieve his goal. For almost a hundred years the College has developed its educational tradition, but still the single most important factor in the success of a collegiate career remains the application and motivation of the collegian himself. Today's students appreciate this fact, and, in general, are outstanding in their sense of maturity and responsibility.

All students of the College are urged to make the most of their opportunities during the few short (in retrospect) years of their time here. Our wish is that they all might gain knowledge from their teachers, humility from their own understanding of themselves, and wisdom from all their experiences and studies at La Salle College.
Registration

A student has registered when he has completed the required form cards and has complied with the directions given below.

The cards are approved by a member of the Registration Committee under the direction of the Assistant to the Dean. They are taken to the Business Office for approval. One will return to the student the stamped course cards and a roster card for the student's use.

Three identification photos, one-and-a-half inches by one-and-three-quarters inches, are required of all students. Normally these are taken during the period of orientation.

Attendance

A student is expected to attend every class in each course for which he is enrolled. A student is held responsible for all the work that he missed as a result of absence from class or laboratory.
Failure to be present in class or a laboratory ten minutes after the time when the instructor in charge opens a scheduled class or laboratory exercise constitutes an absence.

A “cut” is defined as a voluntary, unexcused absence. Using this meaning of the term, it appears reasonable to accord the privilege of unlimited “cuts” to men on the Dean’s Honor List but to frown on any “cuts” at all on the part of men on probation.

A student in good standing is permitted in each semester a maximum of “cuts” equal in number to twice the number of semester credit hours assigned to that course. “Cuts” are not to be regarded as a right but as a privilege reserved for conflicts with extra-curricular engagements, for sickness, and other unforeseen circumstances. A student is held responsible for all work missed because of “cuts.”

Students on the Dean’s List are excused from the regulations governing attendance at class. However, they are expected to fulfill the requirements of
every course rostered, whatever be the nature of the requirements.

All students are expected to attend classes regularly. Cumulative absences of more than one week in any course are regarded as excessive. The instructor of the course will deal with such cases in accordance with the circumstances which necessitated the absence and will notify the Dean of the respective School in either case. A student who is absent to excess and without good reason is given a grade of "F."

All absences will be treated as unexcused absences unless excused by the respective Dean.

Absences are computed from the first class meeting of the semester. Absences due to late arrival, to postponement of enrollment, to change of courses, to unsatisfactory placement, are charged against the student unless excused by the respective Dean.

Anticipated absences from class because of extra-curricular or academic engagements must be reported by the student to the respective Dean's office
no later than one day before the actual day of absence. Where a group is involved, the proper authority in the group must arrange for the excuse.

Scholarship Index

A scholarship index system is used at La Salle to determine a student's average grade. In determining the index, each letter grade is ascribed a numerical value, called grade points. “A” is valued at 4 grade points; “B” is valued at 3 grade points; “C” is valued at 2 grade points; “D” is valued at 1 grade point; “F” is valued at zero grade point.

A grade point score is calculated for each course by multiplying the numerical equivalent of the letter grade by the number of semester hours. The index, or the average grade of all courses, is found by dividing the sum of the grade point scores for all courses by the total number of semester hours.

Academic Censure

Academic censure may assume any
one of four forms, depending on the gravity of the situation calling for scholastic discipline. An evaluation of student records is made at the end of every term.

(a) Warning. An official warning is given to a student who has received “Failure” grades in one-third of the semester hours which comprised his official roster for the term last completed.

(b) Probation. A student is placed on probation when: (1) he has attained a cumulative scholastic index of (a) less than 1.50 at the end of the first semester, (b) less than 1.50 at the end of the second semester, (c) less than 1.75 at the end of the third semester; (d) less than 1.75 at the end of the fourth semester, (e) less than 1.90 at the end of the fifth semester, (f) less than 1.90 at the end of the sixth semester; or (2) he has received “Failure” grades in more than one-third of the semester hours which comprised his official roster for the term last completed.
A student on probation forfeits the privilege of cuts, participation in extra-curricular activities and eligibility to class office.

c) Suspension. This is forced withdrawal from courses and residence with the privilege of returning at the discretion of the Dean of the Cognate School.

(d) Dismissal. This is forced withdrawal from courses and residence without the privilege of seeking readmission.

A student is liable to dismissal: (1) when he has attained a cumulative scholarship index of (a) less than 1.00 during his Freshman year, (b) less than 1.50 during his Sophomore year, (c) less than 1.75 at the end of his Junior year; (2) if he has received “Failure” grades in one-half of the credit hours of his official roster for that year; (3) if he has been on probation for two terms.

Dean’s Honor List

The Dean’s Honor List is published
at the termination of each semester.

Those students who have a cumulative average of 3.4 are placed on the Dean's List. To be eligible for this list, a student must have complied with all of the regulations of the College and must be free of all academic censure. Freshmen are not eligible for inclusion on this list.

Change of Courses

A student may make, with the written approval of the Dean, a change in his roster of courses before the lapse of one week following the beginning of a semester. Courses dropped or discontinued without the written approval of the Dean after this period are recorded as "Failures" and are so evaluated for all purposes. The classes missed in the course to which the student transferred ordinarily are charged against the student.

Withdrawals

A student who withdraws from the College must submit a written state-
ment to that effect to the Dean of the School. In the event that a student withdraws without submitting the above notification, except where parents or guardian have made a similar request in writing, honorable dismissal is not granted. The date of filing a notice of withdrawal is considered as the date of withdrawal in all cases.

**Student Directory**

A card file containing the name, address, telephone number and current roster of each student is located in the office of the Director of Special Services located in the basement of College Hall. Students are requested not to approach any office in search of this information. The student directory, located in the above mentioned office is for general reference.

**Bulletin Boards**

There are two official bulletin boards. The Office of Academic Affairs has for publication of notices the boards outside the Deans' office. Other bulletin
boards are departmental. Students are held responsible for all notices appearing on the official bulletin boards within twenty-four hours after posting.

The office of Student Affairs has for publication of notices the boards located near the Twentieth Street entrance to the College building. Student groups making use of the bulletin boards for announcements of their activities shall type or print neatly such notices on a piece of paper that measures approximately eight inches by eleven. For shorter notices, a piece one-half this size may be used. Notices which are carelessly prepared are subject to removal without explanation. After a notice has expired, those responsible for its posting are expected to see to its removal.

Posters or notices advertising events held outside of the College's jurisdiction must have the permission of the Vice-President's office before they can be exhibited on the official bulletin board.

Posting notices of college events on
the campus grounds must have the permission of the Vice-President.

Students are prohibited from affixing notices to any part of the woodwork or walls in corridors and classrooms. Failure to comply with this regulation will subject students to disciplinary action.

Outside Work

A student who plans to support himself in whole or in part during a semester should obtain the approval of the Vice-President and should report the details of the proposed employment to the Vice-President's office. The sole reason for this is helpful guidance of the student's program of study.

Student Discipline

There is no elaborate set of regulations which defines the conduct of La Salle men. They are expected to act at all times with the propriety befitting Catholic young men. Any departure from this standard of conduct, on or away from the campus, is subject to such disciplinary action as may be
directed by the President, the Vice-President or Dean after the Faculty Disciplinary Committee reviews the case.

This non-scholastic disciplinary action may take one of the following forms:

A. Probation—wherein a student has shown himself guilty of misconduct sufficiently grievous to warrant notice by the College authorities and where his status as a College student is such that privileges (including academic) ordinarily granted a student are temporarily denied him. A student on probation is subject to close supervision by the faculty. The time limit for the period of probation is set by the Vice-President.

B. Suspension. Such action is taken when the misconduct drawing censure assumes grave proportions. Suspension means exclusion from classes until the end of the semester during which the student draws such action upon himself. Suspension does not deny the student the privilege of re-entering.
C. Dismissal. A serious breach of the canon of conduct expected of Catholic young men may result in dismissal. Such action means exclusion from classes without the privilege of re-entering them. Usually such action means dishonorable withdrawal and an entry is accordingly made on the student’s permanent record.

Demeanor

The deportment, dress, posture, actions, language, and tone of voice of cultured college men are expected at all times.

A student presents himself properly dressed for class in a suit, shirt and tie. Shoes should be polished. Should he so choose, the student may wear a sport shirt with a tie provided he wears a coat. If the collar of the shirt is so constructed that a tie cannot be properly worn, he may omit the tie, but not the coat. The collar of the shirt should always be buttoned. The coat need not match the trousers. Regular trousers may be replaced by dressy slacks.
A sweater or jacket may be worn with a shirt and tie which should be visible. The tone of voice should be lowered when in close proximity to the chapel, in the corridors during class hours as well as during change of periods, in the library and in general, whenever charity or the promotion of an environment of study and the well being of fellow students demands it.

**R.O.T.C.**

In addition to the regulations contained in this Handbook, R.O.T.C. students will comply with the Cadet Regulations published by the Department of Military Science.

**Property Damage**

In the event of damage to any building furniture, apparatus, or other property of the College, students responsible for such shall be held liable and subject to disciplinary action.

**Smoking Regulations**

Students are permitted to smoke in the following places:
1. The corridors of College Hall.
2. The basement of College Hall.
3. The lobby of the Auditorium.
4. The lounge in the library basement.

A sufficient number of ash trays are provided in the above locations.

Smoking is strictly prohibited at any time in:
1. All classrooms and laboratories.
2. The auditorium and on the stage.
3. The Faculty residence.
4. Any part of Benilde Hall.

*Campus Pride*

Students are requested to respect the neatness of College buildings and grounds. Receptacles are provided for articles to be discarded.

Students using the facilities of the cafeteria are urged to remove eating utensils when finished in order to provide table space for their fellow students. Lunches are to be eaten in the cafeteria. No lunches are to be eaten in classrooms, corridors, laboratories, or lounge rooms. It is specifically for-
bidden to eat lunches on the College quadrangle.

Students are not permitted to use the quadrangle or the lawn in front of the Residence Halls as a playfield.

Students are strongly exhorted not to make short cuts through the quadrangle and other lawns.

Parking Regulations

Parking is prohibited inside the campus gates and on the east side of Twentieth Street, north of Olney Avenue. Students are subject to fines for violation of parking regulations.

Non-Liability

The College will not be responsible for books, articles of clothing, etc., left behind by the student when he leaves the premises or even when he is on the premises; nor will it assume responsibility for the loss due to theft, fire, etc., of books, clothing, or other articles in possession of the student.

Insignia

No insignia bearing the seal of the
College can be used by any organization without the specific approval of the Vice-President in each case. This refers to club keys, class rings, and any other emblems bearing the College seal. The sale of class rings bearing the seal of the College shall be transacted through the College store.

Students are not permitted to wear athletic insignia of other institutions on the campus.

Advertisements

No student may solicit or accept advertising material or enter upon any contracts pertaining thereto for use in any publications, programs, or announcements connected with the College in any way unless both the purpose of the advertising and the names of the prospective advertisers are approved by the Faculty Adviser and the Vice-President.

Campus Store

The La Salle College Campus Store is a service provided for student convenience. All books, supplies, and class
materials may be procured there. It is the policy of the Campus Store to offer these necessities at reasonable prices in keeping with market trends. The Campus Store provides the student with the opportunity to procure such articles as sports wear, jewelry, pennants, religious articles, novelties, etc.

**Merchandising**

All students are forbidden to engage in merchandising of any kind on the premises of La Salle College.

**Mail**

Day students are not permitted to use the address of La Salle College for the receiving of their personal mail. Mail addressed to students concerning school activities is delivered to the post office in the College basement. Student-boarders will be provided with post office facilities in this same vicinity.

**Telephone Messages**

Telephone messages are not delivered personally except in cases of emergency.
Use of Facilities

Permission to use class or lecture rooms for student meetings must be secured from the Director of Special Services whose office is located in the basement of College Hall.

Student groups desiring to use the auditorium, lounge or any campus facilities for general meetings or social functions should submit a formal request to the Vice-President's office after first securing the signature of the Faculty Adviser and the clearance of the Calendar Committee. Final arrangements are made by the Director of Special Services.

Public Address System

Announcements over the public address system are prefaced by the signal, "Attention Please." Students are requested to pay close attention to such announcements.

Lost and Found Department

Lost or found articles are to be reported to the Student Lounge Superin-
tendent. His desk is located in the Library Lounge.

Graduation and Honors

The bachelor's degree with honors shall be conferred on a student who has completed his course at the College with an average of all marks not lower than 3.4 and without having incurred the penalty of loss of good standing for disciplinary reasons.

In the computation of honors, the candidate for the bachelor's degree who has earned an average of 3.8 in all courses will be graduated with the designation maxima cum laude.

A candidate who has earned an average of 3.6 during the same period of time, will be graduated with the distinction magna cum laude.

A candidate who has earned an average of 3.4 will graduate with the distinction cum laude.

Honors are computed on the basis of the work done for eight semesters.

Only the names of those students who are to receive degrees on Com-
commencement Day will appear on the program of the graduation exercises.

All students who are to receive degrees on Commencement Day are required to attend the Commencement Exercises, unless specifically excused by the Vice-President.

Requirements for a Degree

(a) The candidate for a degree must have completed course work equivalent to a minimum of 132 semester hours.

(b) He must have obtained a "C" average or cumulative index of 2.00 in his prescribed program of studies.

(c) He must have fulfilled all course requirements prescribed for him by the Dean in his chosen area of concentration.

(d) He must have fulfilled the requirements in Philosophy and Religion.

(e) Eight semesters of collegiate study are required for a degree. The final two must be spent in residence at La Salle; that is, as a student following a full program.

Vice-President, Dean of Students
MESSAGE FROM THE VICE-PRESIDENT

The lives of heroic men are always challenging because they are inspired by the dynamic conviction that man with God is great and that he has been given something great to do despite his times and circumstances. Cowards are unwilling to accept opportunity, fearful to undertake to completion the great task at hand, too prone to blame others, too easily discouraged along the way. You must have an overwhelming faith in the importance of the work you have to do. St. La Salle had such a faith in the Christian education of youth, and from him La Salle College has inherited her faith in the importance of your education.

Christian education aims at the perfection of the whole man—his spiritual, intellectual, physical, and social perfection. Life and living are more complex than just one Sunday Mass, one biology lesson, or one successful basketball season. Education is more than training for making a living; it is training for living. La Salle College wants to give you such an education. Cooperate with her. Take advantage of what she has to offer.

The unselfish, well-trained, professional men who make up the teaching faculty at La Salle work together for your development toward perfection. So too, dedicated men are at your service in the persons of your counselors and advisers in the Dean’s Office, the Counseling Center, the Chaplain’s Office, the Medical Center, the Office of Housing, the Athletic Office, the Office of Student Organizations, and many others. Go to them. Cooperate with them for your greater good—for your preparation to face successfully the crises of this troubled world.

AIMS AND OBJECTIVES OF THE STUDENT PERSONNEL PROGRAM

Christian Education aims at the perfection of the whole man—physical, spiritual, intellectual, moral and social. Personnel Services provide for the development of these facets of a student's personality.

La Salle College, in keeping with the aims and objectives of Christian Education and the Student Personnel point of view, recognizes that higher education should be complete; that the students should be provided with the opportunity to develop intellectually, emotionally and politically and that they should be provided with recreational opportunities.

Therefore, the Student Personnel Program at La Salle College offers the following:

1. A special service to the student of trained counsel to assist him in thinking through his educational, vocational and personal adjustment problems.
2. A program of orientation and an office to meet the needs and interests of the first year student.

3. Physical services in the form of a health program and athletic activities.

4. Housing and food services to the end that they provide for physical comfort and education in group life.

5. A program of activities arising from mutual interests of students and a program of recreational activities.

6. Opportunities for part time employment and financial aid to worthy and needy students.

7. A bureau to help the student find needed part-time employment during college and appropriate employment after leaving college.

8. A program for further social, educational and professional development of the members of the alumni.

9. A program of religious activities and religious counseling.
La Salle College is interested in presenting the aims and objectives of the institution to prospective students and to their parents.

Ordinarily a student interested in entering La Salle College writes to the Director of Admissions for an application blank, a college catalogue, and a form on which his high school record is to be submitted. The high school record and appraisal by the school is to be mailed directly from the Office of the Principal.

After the student has been admitted to the College, preregistration counseling is made available to him by the College Counseling Center. This counseling is designed to stimulate and assist self-evaluation on the part of each student to help him make educational and vocational plans which are
commensurate with his abilities, interests and personality.

The counseling program is compulsory for all newly matriculated students. It includes a battery of psychological tests and is followed by an interview with a counselor in which the student is afforded an opportunity to discuss his scholastic plans. It is during this interview that the test results are interpreted for the student; he is then better prepared to arrange his academic program.

When further counseling or other special assistance is deemed necessary, the student is apprised of this need, and if he chooses, may make use of the College counseling service in resolving his difficulty. Contacts are maintained with various agencies outside of the College and students are referred to these when necessary.

The counseling service is available to the student on a voluntary basis throughout his College career.
La Salle College has a program for acquainting students with the buildings and the grounds of the campus, with the health, recreation, personnel services, the curricular and extracurricular program and with the traditions and standards of the College.

All entering Freshmen are required to report two weeks before the opening classes in September. Part of this two-week period is taken up with the mechanics of registering for courses for the fall term. The bulk of the time, however, is given over to an intensive one-credit course in College Orientation.

The Orientation Program is a project of the Student Council and the Counseling Center and is aimed at facilitating the transition from high school to college life. Lectures are
included on such topics as study habits, note-taking and other aspects of college study and on the aims, ideals and traditions of La Salle College. At this time new matriculants are introduced to the social life of the college and to other co-curricular activities. Appropriate religious activities constitute an integral part of the Orientation Program.

COLLEGE ADVISORY SYSTEM

Office of the Deans C103

Freshmen Counselors

Early in the Freshman year Counselors are assigned to assist the new student to adjust himself to the change brought about at the start of his college career. Freshmen should seek the help of their Counselors so that they can prepare themselves to make an intelligent choice of the Area of Concentration from which their major field will be selected. Counselors precede Course Advisers in the academic guidance program.
Course Advisers

Academic guidance is necessary to enable students to derive the utmost benefit from their programs of study. Members of the faculty are appointed to give assistance in the selection of programs of study and of courses within such programs. Course Advisers work under the direct supervision of the Dean's office.

Freshmen are to register during the third week of May with the Course Adviser of the Area in which they are working.

Sophomores are to register during the second week of May with the Course Adviser assigned to the Area of Concentration of their choice.

Juniors will be interviewed by their Course Advisers during the first week of May.

In Areas where a student builds his roster for the following term from Electives (e.g., a student who is following a Liberal Arts program; Education
students seeking certification in various fields, etc.) it may be necessary for him to consult with his Course Advisers before the close of the current term. In such cases, a final roster must be approved for a student before the beginning of the following term.

Every student must have his roster approved and signed by his Course Adviser before turning in his selection of courses to the Dean's office.

COUNSELING SERVICE

Counseling Center

As one of its services the College maintains a Counseling Center staffed by professionally trained counselors to assist the student in matters pertaining to vocational decisions, personal adjustment and educational planning. These services include the following areas: aptitude and interest testing, individual counseling, reading and study habits improvement, graduate fellowship and scholarship information, and a guidance file of occupational literature.
Types of Programs

While each student is given a basic battery of counseling tests and is provided with an opportunity of discussing these with a counselor, it is recognized that in most cases this will be but an introductory step in the development of a sound vocational choice.

The student is encouraged to utilize the services of the Center throughout his college career in meeting his particular needs. An appointment for testing and/or counseling may be arranged through the receptionist in the Center.

Application for the program of reading and study habits improvement should also be made through the receptionist. Students are free, however, to peruse at their convenience the files of graduate fellowship and scholarship notices and the files of occupational information which the Center maintains.

Counseling

Students who request further assistance in planning for their career are
provided with the opportunity of exploring more fully their own interests and aptitudes and the various career for which they seem most suited. As in all such counseling, the primary purpose is to assist the student in making a sound vocational decision and the necessary educational plans to assure acceptance and competence in the field of his choice.

Frequently students feel that certain personal matters are having or will have an adverse affect on either their academic achievement or social adjustment. Experience has shown that these problems are not uncommon, and that they can have significance for the future success of the student in life. Personal counseling in such instances provides the student with an opportunity of discussing these concerns in a confidential setting with a professionally-trained counselor. If the services of some other agency are required, the counselor can assist the student through an appropriate referral.
Reading Improvement

An intensive program of reading and study habits improvement is offered several times a year. Through this program students are assisted in the improvement of reading comprehension and speed as one of the basic skills in effective study. Vocabulary development is emphasized; and while the course is not primarily a mechanical one, the latest speed reading equipment is made available to the student. Most participants in this activity are able to make a substantial improvement in reading.

Graduate Fellowships and Scholarships

The Center maintains an extensive index and file of graduate awards sponsored by private foundations, universities, and the Federal Government in the areas of Science, Liberal Arts, and Business. A member of the staff can assist the student in clarifying questions concerning the types of graduate programs, academic standards, applications procedures, and the nature of
various awards. In addition the Counseling Center maintains for student reference the catalogs of many graduate schools.

**Occupational Information**

The student is always welcome to peruse the files of occupational information maintained in the Center. This information is extensive and is maintained on a current basis. Many of the pamphlets and brochures are available on a loan basis. A member of the Counseling Center staff is on hand at all times to answer inquiries concerning this material or the other services of the Center.

**Selective Service Information**

Students who wish information or clarification concerning selective service laws and procedures as they pertain to college students may inquire in the Counseling Center. Every effort is made to keep abreast of the latest changes or interpretations pertaining to these statutes.
The aims and objects of the Health Program follow along the principles of the basic aim of La Salle College, which provides a Catholic education.

The College maintains a Health Service for the purpose of promoting the general health of the students and enlisting their cooperation in safeguarding themselves from preventable illness and accidents, which might otherwise lead to absence from classes and interruption of their program of study.

The principal component of the Health Service is the medical Infirmary and Dispensary, under the direction of the College physician, and a Registered Nurse, located in St. Cassian Hall. The regular hours for treatment and consultation are from 9:00 A.M. to 3:00 P.M.

For resident students, the Infirmary
provides temporary hospitalization for minor illness; for serious or prolonged illness, removal to a local hospital is arranged by the College Physician.

All resident students are required to have a physical examination by the College Physician, upon entrance.

The clinical facilities of the German-town Hospital (two city blocks distance) are at the disposal of any student, in case of emergency.

To provide necessary medical protection at a reasonable cost, a number of insurance plans were examined, and after a thorough study the plan adopted provides coverage for the twelve-month period for $25.00, and covers both illness and accident. Participation in this program is optional. Arrangements can be made through the office of the Vice-President or the Infirmary.

PLACEMENT BUREAU

Placement Office B109

Much of a man's happiness and accomplishment in life, and the happiness
and accomplishments of the family which he most likely will have, depend upon his right choice of an occupation. The Administration of La Salle College in 1950 established a coordinated, centralized Placement Bureau to provide students with a channel through which the choice may be made.

The Placement Bureau, with offices in Benilde Hall, has two chief objectives: (1) to assist seniors and alumni in seeking and getting meaningful post-graduation employment and (2) to assist employers by providing a single point of employment contact with La Salle.

Working in close conjunction with the Counseling Center, the Placement Bureau provides (1) Information Service by means of a large and growing library of books, magazines, directories, company lists, company literature and company employment application forms; (2) Counseling Service, by the Placement Bureau staff, available to seniors and alumni on all phases of employment; (3) Interview Service, ar-
ranged by the Placement Bureau and conducted through much of the school year. Many of the country's major industries, local businesses, and Government agencies send representatives to the campus each year for such interviews.

The Placement Bureau exists not primarily to get a job for a senior or alumnus, but to help the student or alumnus get his own job. The final responsibility for employment is with the man himself. It is important that the student, with the special aid of his parents, begin early in his school career, to prepare himself by investigation, reading, counseling, tests and work experience, for his ultimate choice of post-college employment. The student who thus zealously prepares himself will find the service of the Placement Bureau much more valuable.

*Student Employment*

Students who require funds to meet minimum college expenses are assisted by the Placement Bureau, where the
employment of La Salle men is centralized. Outside work paid for by the employer is arranged when available. Students should not depend upon such employment to produce a fixed income, because scholastic eligibility, free time available, and special ability to perform desirable work must be considered in connection with such work.

Definite jobs to meet expenses cannot be counted upon by an incoming student since the availability of these jobs depends upon the general and seasonal activity of local business. The offices of the Placement Bureau, located in Benilde Hall, are open two nights a week for the benefit of Evening Division students seeking employment.

PART-TIME EMPLOYMENT

Office of Vice President

The student personnel for on-campus jobs is supplied through the Office of the Vice-President or Dean of Students.
Students requiring financial assistance available from this part-time employment should file a special application at this office.

HOUSING PROGRAM

Office of Housing St. Bernard Hall
Office of Vice President C104

Residential life on the Campus of La Salle College will be a positive influence in the educational experience of the student and thus a valuable adjunct to the educational processes carried on in the classroom, laboratory, and library.

Students who live beyond commuting distance and who are unable to live at home or reside with close relatives are required to live in the College Residence Halls.

Exceptions to this rule will be allowed only with special permission from the Vice-President and Dean of Students and with the consent of parent or guardian.
Contract of Lease and Deposit

All students residing in the Residence Halls are required to sign a Contract of Lease. Except in the case of mid-year completion, contracts are written to include both the Fall and the Spring Term.

Resident students are held responsible for any loss or damage to the Residence Halls' equipment, their room, or any part thereof, when such loss or damage occurs through their negligence or improper use.

Where the cost of repairs or replacement is in excess of the student's damage deposit balance, the student is required to reimburse the College for such excess amounts.

In the case of voluntary non-occupancy, the student's application for Room Accommodation Deposit is forfeited.

The College reserves all rights concerning assignment or reassignment of rooms or termination of their occupancy. Rooms are assigned by the
Director of Student Housing. A student loses his right to a room in the College Residence Halls whenever he ceases to be a student at the College.

Occupancy may begin the day before the first day of registration and it may continue until twenty-four hours after the last final examination for the Spring Term, or, in the case of seniors, until twenty-four hours after Commencement.

The use of kerosene, gasoline, benzine, or any similar inflammable material is strictly prohibited.

RELIGIOUS ACTIVITIES

The religious activities of La Salle College seek to unite the academic, cultural, social, and athletic parts of campus life into the God-centered whole
which is the ideal and peculiar mark of a Catholic college. This ideal is pursued by providing opportunities for personal and private worship and by encouraging corporate worship and religious activity.

A well-appointed College Chapel is available both for private visits to the Blessed Sacrament and for college devotions.

The College provides a resident chaplain who is present for confessions and counsel at all times.

Daily Mass is said for the students at 7:25 and 7:55. Confessions are heard during Mass and also daily from 12:15 to 12:45.

Weekly Sunday Mass and confessions are provided for resident students.

Devotions to Our Lady of the Miraculous Medal are held weekly during the evening hours for resident students and students in the evening division.

First Friday devotions consisting of Masses, Four Hours Exposition, and
Benediction honor the Sacred Heart each month.

During May and October, special services in honor of the Blessed Virgin are held in the evening in the Chapel and at the Lourdes Grotto on the campus.

A special retreat of three days is held each year which all Catholic students are required to attend. A Day of Recollection is held for married students and their wives in the spring.

During the year certain feasts are celebrated by special Masses or devotions. A Solemn Mass of the Holy Ghost begins each Academic Year, and an Evening Mass of the Holy Ghost begins the year in the Evening Division. A special Mass is celebrated on the feast of Saint Barbara, December 4th, the Patron Saint of Artillerymen, which all members of the R.O.T.C. unit of the College attend in uniform. A Solemn Mass in honor of Saint John Baptist de La Salle, the patron saint of the College, is sung each year as part of the Founder's Day exercises.
An announced Requiem Mass is said in the College Chapel after the death of any member of the immediate family of a student or a faculty member.

THE ALUMNI ASSOCIATION

Alumni Office

The objectives of the Alumni Association are to promote the welfare of La Salle College and to encourage good fellowship among alumni. To achieve those ends the Association works principally through the College Alumni Office, some thirty class organizations, and its publication.

At La Salle the Alumni Association is controlled and directed by the alumni in cooperation with the College Administration. The governing board is called the Alumni Board of Directors, consisting of representatives from each graduating class, plus the Vice-President of the College who serves as Alumni Moderator, and an Executive Director of Alumni Affairs appointed by the College.
Scholarships

Scholarships awarded by the College are of two kinds: those offered in competition and those granted to certain Catholic high schools. All scholarships are valued at $1,800, a sum which is applied in payment of tuition for eight terms. Fees and other expenses are not included in the scholarship grants.

INTERCOLLEGIATE AND INTRAMURAL ATHLETIC PROGRAM

Office of Athletics C312

The athletic program at La Salle College is arranged to allow students to compete in various sports at levels of their degree of ability and skill. The program offers opportunities to all students to compete in intercollegiate and/or intramural athletic activities of their choice.

The objectives of this program are as follows: to aid in the development of the health and physical welfare of the students; to provide the students with recreational opportunities; to
develop in the students a sense of belonging to the College campus community; to make available the various social and personal benefits attendant upon meeting with students from other colleges, and visiting the campuses of other institutions; and to help foster high ideals of friendship and loyalty among the students and between the students and the college.

**Intramural Athletics**

The program of intramurals is developed to satisfy the needs of the student body to the extent permitted by available facilities. Intramural leagues in seasonal sports—touch football, basketball, tennis, baseball, softball, volleyball, swimming—are formed. Every student enrolled at La Salle is eligible to participate in the intramural program.

Other activities will be added as rapidly as student interests demand and facilities and equipment permit. Students are urged to make known their
interests and desires to the Director of Intramural Athletics.

STUDENT ORGANIZATIONS AND ACTIVITIES

Director of Student Organizations C201
Student Council C309

The Personnel Program aims to contribute to the full adjustment of the student by stimulating the development and organization of campus clubs, by fostering a program of "student-initiated" activities and by developing opportunities for social and intellectual expression and relationships that are co-curricular and extra-curricular.

CLASSES

Faculty Advisers

A Faculty Adviser for every class and for every extra-curricular activity will be appointed by the Vice-President of the College. He shall act as liaison officer between the organization and the Vice-President, acting for the College administration.
The President of the class or organization should inform the Adviser of the time and place of all meetings.

The President of the organization should consult with the Adviser regarding the agenda of the meeting.

The Adviser shall act as judge in all questions as to the legality, propriety or diplomacy of decisions or actions of the organization or its members in what concerns college regulations, cordial relations with other campus activities and inter-institutional relations.

The Secretary shall keep the Adviser informed concerning the membership of the organization. (This does not refer to classes.)

Officers

The class officers shall be a President, Vice-President, Secretary and a Treasurer.

Any member of the class who is on probation may not serve as a class officer or chairman of any committee representing the class or the student body as a whole. Should a student who
falls into any one of the aforementioned categories be placed on probation during a term of office, he loses his office automatically, and another student in good standing, may be elected to fill out the unexpired term.

Elections

All elections and meetings must have the consent of and be supervised by the Faculty Adviser and Student Council. The minutes of the meetings must be available to the Vice-President of the College upon request. Elections, appointments, as well as general or particular business of class or general student bodies, may be nullified by the Vice-President of the College when such is considered necessary for the common good.

Class officers for the scholastic year should be elected toward the close of the term preceding the scholastic year for which the elections are held. Ordinarily this period would fall during the final weeks of the Spring semester; the officers, then, beginning the discharge
of their duties at the start of the following scholastic year. During the period of transition, this may not be possible in every case.

The Freshman Class may elect trial officers during the Fall term, but their term of office will last only for the time specified by the Class. The final election of Freshman Class officers will be held at the end of the Fall term.

The method employed in the elections shall be similar to that used in civic elections. In general, this shall mean a written ballot to be cast at a central polling place.

That the election be considered valid, one-half of the total possible vote must be polled for any office in question.

A committee of three appointed by the Class President, or, when that is not possible, by the Faculty Adviser, shall comprise the official board to count the ballots and to announce the election returns. This board shall be under the direct supervision of the Faculty Adviser.
Organizations

Student groups, organized for specific purposes be they academic, social, religious, or athletic, contribute desirable outcomes to student life as a whole. Campus life is incomplete without such groups and organizations.

Student groups require the permission of the faculty. Application for approval should be filed with the Vice-President through the Student Council. Specific approval of the nature and purpose of such groups insures their harmonious blending into campus life. A group is given official status as a student organization when faculty approval is granted. The general regulations governing the conduct of classes as groups applies to particular student organizations likewise.

To avoid the vagueness and generality induced by large memberships, no group may comprise a number that exceeds sixty. When membership exceeds this level, there is great difficulty in preserving the specific objectives of a group.
and gradual disintegration with consequent dissolution results. Two copies of membership lists, including officers, should be filed with the Student Council. The Council will forward one copy to the Vice-President.

Clubs and societies should work in close cooperation with their Faculty Advisers. This always insures unquestionable propriety.

Student delegates to intercollegiate meetings must have the approval of the Vice-President.

Expenditures

1. All expenditures must be authorized by the Treasurer of the organization and must have the written approval of the President of the organization and the Faculty Adviser of the group.

2. A receipt must be obtained for every expenditure. Within a week after the holding of any function involving the expenditure of money belonging to the organization, a financial statement and all receipts must be
approved by the Faculty Adviser and the funds deposited in the Bursar's office by the Treasurer of the organization. No funds can be withdrawn without the written approval of the Treasurer and Faculty Adviser.

3. Two months prior to the date of any function, the committee in charge shall present to the Faculty Adviser, or to the assembled members of the organization, a complete budget of expenses including the report of the Treasurer of the organization. Once it has been approved, this budget may not be exceeded without the express consent of the Faculty Adviser.

4. All tickets must be numbered, including complimentary tickets. A master work sheet shall be kept at the door during the affair, listing each ticket, name of person holding ticket or student to whom the ticket was entrusted, and whether or not the ticket has been paid for.

5. Within a week following the function, as stated in Rule 2, the committee
shall turn over to the Faculty Adviser as well as to the organization:

(a) a complete financial report of all receipts and expenditures;
(b) all receipts; and,
(c) the master work sheet showing the status of all tickets printed.

6. The Treasurer shall keep an exact record of all receipts and expenditures in a book provided for the purpose. This book shall be available for examination by the President of the organization and by the Faculty Adviser. The Treasurer shall turn over this book to the Faculty Adviser at the time of the election of new officers.

7. No contract involving the name of La Salle College may be negotiated without the written authorization of the Vice-President of La Salle College.

8. It is forbidden that any class, club or organization be responsible for the dispensing of alcoholic beverages at functions sponsored under the name of the College.

BY-LAWS

ARTICLE I

Elections

SECTION 1. The Class Officers shall be President, Vice-President, Secretary and Treasurer. Any member who is on academic or disciplinary probation may not serve as a class officer or represent the student body as a whole. Should a student be placed on probation during his term of office he will lose that office automatically.

SECTION 2. Class Officers for the scholastic year should be elected toward the close of the term preceding the scholastic year for which the elections are held. The method employed in the election shall be similar to that used in civic elections. In general, this shall mean a written ballot to be cast at a central polling place. The Freshman Class will elect officers towards the end of the Fall term under the direction of the Moderator of Freshmen. A committee of three, appointed by the Class President, or when this is not possible,
by the Class Adviser, shall comprise the official board to count the ballots and to submit a report to the Student Council and the Office of the Vice-President of Student Affairs.

SECTION 3. The dates of class elections will be determined by the Student Council. Each candidate must submit a nomination paper to the Election Committee at a time named by the committee. The nomination paper must contain in typewritten form the student's name, class, and the office he seeks, with twenty-five signatures of students from the class of the candidate. A plurality of the votes cast will determine the winning candidate. A "yes" or "no" choice will be placed after the name of the student who is the only candidate seeking a particular office. Students will be elected for one year.

SECTION 4. If the President of a class loses or must give up his office, a special election will be held to fill the vacancy. If the Vice-President,
Secretary or Treasurer must give up his office, the remaining class officers will appoint a successor with the approval of the class moderator. Should any of the last three officers lose his office at the same time as the President, his successor will be elected along with the President. The Secretary or Treasurer of a class may be appointed to the Vice-Presidency and the office of Secretary or Treasurer filled in turn.

SECTION 5. The election of the President of the Student Council will be conducted by the Student Council. Candidates for the office must submit a nomination paper containing twenty-five signatures of members of the student body. The President of Student Council shall be a Junior or Senior. A student seeking the office of President of Student Council must have served as a voting member of the Council, or as a member of a permanent committee of the Council for at least one full semester.

SECTION 6. Any election dispute
or problem of validity will be decided upon by the Student Council with the approval of the moderator. The elected officers will automatically take office at the start of the new school year.

THE COLLEGE MARCH

"Men of La Salle"

Men of La Salle, we are marching
With our colors of Blue and Gold.
Meeting our foemen with valor
For we'll fight for the glory of old.
So let's to the battle with courage
For our goal is now in sight;
And we'll hope, fight, and cheer
With all our might so strong
'Till nobly we have fought and won
  the fight.

Chorus

Fight on to victory!
Onward our watchword be.
We're out to win this game with all its honor.
For you, La Salle, we'll always fight and conquer.
Fight on to victory!
Let all your courage see
And homeward we'll cheer thee
As sons of La Salle
So fight on to victory!
