La Salle College
Philadelphia 41, Pa.
President’s Message

It is my pleasure to welcome you to La Salle College, and to take advantage of the opportunity to append to my cordial greetings a brief and earnest message.

I would like to direct your attention, at the beginning of your college days, to three pivotal ideas: the demands of the intellectual life, the needs of the present moment, and the responsibilities of adulthood.

You must be convinced, first of all, that while the intellectual life is rewarding, its joys are known only to those who labor perseveringly and diligently. Ordinarily, the obstacles to academic achievement lie, not in limited talents, but in a lack of self-discipline, the absence of a sense of order in one's life. Most failures in college can be traced to nothing more complex than human laziness and uncertain motivation, or, what is surprisingly common among young people today, no apparent motivation at all.

The present moment in history direly needs men realistic enough to grapple honestly with ideas, for only sound ideas can lead to the honest convictions and immutable principles that make any human activity meaningful. A true college student will learn much more than he is taught: the ablest professors, the most learned texts, can only point the way. A true education cannot be contracted like a disease, or imposed like a prison sentence, or bestowed like a reward; it has about it more of perspiration than of inspiration. It is our hope that, by the time your college days come to an end, your real education will have certainly begun.

Finally, you must face the disquieting fact that, as you enter college, the curtain has finally fallen on that delightful period of human development known as adolescence. The problems and responsibilities of dawning adulthood naturally inspire apprehension, but the true college man is distinguished from the perennial adolescent by his realistic and intelligent approach to the demanding challenges of his new environment. True maturity will begin for you only when you become as acutely aware of your responsibilities as you are conscious of your rights, when what you ought to do becomes more important to you than what you would like to do.

It is my sincere hope that your years with us will be both profitable and truly happy; it is my earnest prayer that God will abundantly bless your sincere efforts to become the sort of intellectual, responsible men so sorely needed in these wonderfully challenging times.

Sincerely,

Brother Daniel Bernian, F.S.C.

History

The story of the Christian Brothers, the teaching order at La Salle, goes back to France during 1680, when St. John Baptist de La Salle, an aristocrat and canon of the Church, recognized the need of a Christian education for the many, rather than education for the wealthy and favored few, as had been the custom.

After distributing his entire fortune, St. La Salle and the teaching Brothers who became his followers consecrated themselves to the single goal of educating poor young men and boys. They proceeded to establish schools for this purpose, including schools for the handicapped, correctional institutions, vocational and technical schools . . . even a normal school, the first of its kind in France. They devoted their lives to teaching without thought of recompense, and introduced many innovations. Among those pioneering steps in education were teaching in the vernacular instead of in Latin, as was the prevailing custom, and instructing “simultaneously” rather than teaching one pupil in a class at a time. Above everything else, St. La Salle and his instructors based their teaching program on the fundamental precepts of Christianity to give their students spiritual and moral value.

The Brothers carried their pattern of blending philosophical with scientific teaching all over the world. They arrived in the United States in 1845 and founded La Salle College at Philadelphia in 1863. The growth of the College was rapid, increasingly so with the influx of World War II veterans. In 1946, in response to student needs as well as requests from Industrial and Business firms, an Evening Division of the College was inaugurated.

La Salle College's administrative and teaching staffs are made up of 36 Christian Brothers and approximately 300 priests and lay persons, serving 5000 men in the day and evening schools, including approximately 100 Christian Brothers from La Salle's Elkins Park Scholasticate.

Summer school provides an opportunity for the interested student to expand his liberal education and, in some cases, to accelerate his college program. Where necessary, a limited number of academic deficiencies may be removed.

5 European Division:
   Location—Classes are conducted at the University of Fribourg in Switzerland.
ACADEMIC AFFAIRS

Eligibility—The program is open to male students, beyond the Freshman year, from any Catholic college in the United States. A knowledge of French is required.

Credit—A full academic-year program (two semesters) is presented. This includes courses in religion and philosophy. Credit for all approved courses is granted by La Salle College. The College also cooperates with the Institute of European Studies in its program at Vienna.

Academic Offices

The Vice-President for Academic Affairs is the chief officer of this division of the College and is in charge of the instructional program.

The Dean of a specific school of the College is the chief executive officer of the School. Each student should consult the Dean of his school on the following matters:

1. anything pertaining to scholastic pursuits;
2. approval of rosters and schedules;
3. permission to make changes in courses of study;
4. permission to schedule extra hours;
5. permission to discontinue a course;
6. a deferred examination;
7. questions concerning scholastic standing;
8. class attendance and absences;
9. The Deans' list;
10. withdrawal from College.

The Registrar's Office attends to the following matters:

1. filing of student records and course marks;
2. issuance of transcripts;
3. preparation of quintile distribution;
4. issuance of student reports.

IMPORTANT: Current Selective Service regulations require colleges to report the status of all students who are registered with Selective Service at the opening of the school year. To comply with this request, the Registrar's Office maintains a permanent listing of the Selective Service numbers of La Salle students. It is imperative that students file these numbers in the Registrar's Office as soon as they register with Selective Service.
Advisory System

Freshman Advisors
Even before he has chosen a major, a freshman may be assigned to a faculty advisor for academic counseling and general guidance. When so assigned, the student should feel free to discuss any problem relating to his college career during his four years, but he must meet with his advisor at least once each semester for a review of grades and a discussion of academic progress until such time as he has selected an area of major concentration.

Course Advisors
Academic guidance is necessary to enable students to derive the utmost benefit from their programs of study. Members of the faculty (usually chairmen of departments) are appointed to give assistance in the selection of programs of study and of courses within such programs. Course Advisors work under the direct supervision of the Dean's office.

Pre-registration
Pre-registration takes place during the Spring Semester, and it is at this time that students confer with their advisors and decide on their academic program for the following year. Notices giving complete information about pre-registration are prominently posted to remind students of their obligations in this matter.

Students are responsible for completing pre-registration forms listing all required and elected courses, and for submitting them to the proper advisor for approval. On the basis of these forms, the student's roster for the following year is prepared by the rostering office.

Registration Procedure
Registration is normally held the week before classes are scheduled to begin. A student has officially registered when he has done the following:

1. completed the required form cards in ink or with a ball point pen
2. if necessary, reconciled any conflicts in his roster with the rostering director
3. had the form and course cards stamped by the representatives of the Deans' Offices and the Business Office.

**Academic Regulations**

**Attendance Policy**
Students are expected to attend classes regularly. Absences are permitted to provide for conditions beyond the control of the student. Ordinarily, these are equal to twice the semester hours scheduled for the course: for example, six absences in a three-hour course. A student who, in the opinion of his instructor, is absent to excess is given a grade of “F.” *Attendance is noted from the first regular class meeting regardless of the time of registration.*

**Change of Courses**
During the first two days of each semester, a student may make, with the written approval of his Dean, a change in his roster of courses. Courses dropped or discontinued without the written approval of the Dean after this period are recorded as “Failures” and are so evaluated for all purposes. The classes missed in the course to which the student transfers ordinarily are charged against the student.

**Withdrawals**
A student who withdraws from the College must submit a Withdrawal Notice to the Dean of his School. In the event that a student withdraws without submitting an official Withdrawal Notice, honorable dismissal is not granted, and he forfeits the privilege of returning to the College. The date of filing the Withdrawal Notice is considered as the date of withdrawal in all cases.
Conduct of Examinations
Examinations are held in all courses at various times throughout each semester as scheduled by the instructor. Regularly scheduled final examinations are given at the end of each semester. The schedule for the final examinations is published in the Collegian and is posted on various bulletin boards.

All students are expected to take final examinations at the regularly scheduled times. If, for any extraordinary reason, a student cannot be present, he must obtain the permission of the Dean of his School to take a delayed examination, and will be expected to pay a fee of $5.00.

In all examinations, students are expected to conduct themselves with the highest degree of integrity. Dishonesty or other improper conduct during the administration of any examination will subject the student to appropriate disciplinary measures.

R.O.T.C.
In addition to observance of the regulations contained in this Handbook, R.O.T.C. students must comply with the Cadet Regulations published by the Department of Military Science.

Bulletin Boards
For publication of notices, the Office of Academic Affairs uses the bulletin boards near the Deans' offices. Other bulletin boards on academic affairs are departmental. Students are held responsible for knowledge of notices within twenty-four hours after posting and should make it a practice to consult these bulletin boards daily.

The Library
The building is located on the Olney side of the campus. Its collection of approximately 80,000 books and 450 magazine subscriptions is centered around the College curriculum and provides most of the books a student is ordinarily called upon to consult.

Library Regulations
Each student must obtain a library card entitling him to withdraw books for home or library use. He must present this card each time a book is withdrawn, and he shall be held responsible for all books drawn on the card. Books may be retained for a two-week period and may be renewed once.
Reference works (dictionaries, encyclopedias, and the like) are shelved in the reference reading room. These are for use in the library only and may not be withdrawn for outside use.

Books placed on reserve by faculty members for the use of students may be withdrawn for use in the library. Some may be taken out for overnight use. Regulations concerning these are posted in the “List of Reserve Books” at the Reserve Book Desk on the second floor.

A fine of two cents per day (higher in the case of reserved books) is charged for books not returned on time. During the period when a student owes a fine or retains an overdue book, his library privileges are suspended.

All conversation and smoking is prohibited in the Library stack and reading areas. Failure to comply with this regulation will result in the suspension of library privileges and/or a $10.00 fine.

**Academic Standing**

**Scholarship Index**

A scholarship index system is used at La Salle to determine a student's average grade. In the determination of the index, each letter grade is ascribed a numerical value, called the grade point. “A” is valued at 4 grade points; “B” is valued at 3 grade points; “C” is valued at 2 grade points; “D” is valued at 1 grade point; “F” is valued at zero grade point.

A grade point score is calculated for each course by multiplying the numerical equivalent of the letter grade by the number of semester hours. The cumulative index, or the average grade of all courses, is found by dividing the sum of the grade point scores for all courses by the total number of semester hours of courses attempted.

**Academic Censure**

Academic censure may assume any one of four forms, depending on the gravity of the situation calling for scholastic discipline:

a Warning. An official warning is given to a student who has received “Failure” grades in one-third of the semester hours which comprised his official roster for the term last completed.

b Probation. A student is placed on probation when: (1) he has attained a cumulative scholastic index of (a) less than 1.50 at the end of the first or second semester, (b) less than 1.75 at the end of the third or fourth semester, (c) less than 1.90 at the end of the fifth or sixth semes-
ter; or, (2) he has received "Failure" grades in more than one-third of the semester hours which comprised his official roster for the term last completed.

A student on probation forfeits the privilege of cuts, active participation in extra-curricular activities, and eligibility for class or club office.

c Suspension. This is forced withdrawal from courses and residence, with the privilege of returning at the discretion of the Dean of the School.

d Dismissal. This is forced withdrawal from courses and residence without the privilege of seeking re-admission.

A student is subject to dismissal: (1) when he has attained a cumulative scholarship index of (a) less than 1.00 at the end of his first or second semester, (b) less than 1.50 at the end of the third or fourth semester, (c) less than 1.75 at the end of the fifth or sixth semester; (2) if he has received "Failure" grades in one-half of the credit hours of his official roster for a particular year; (3) if he has been on probation for two successive terms.

**Deans' Honor List**

The Deans’ Honor List is published at the termination of each semester for all classes except the first term of the Freshman year. To be eligible for this List, a student must have complied with all the regulations of the College and have a cumulative scholastic index of 3.40.

**Honors Program**

A special program of courses in required subjects and Independent Study Courses, some by visiting professors, is available to students of above-average ability. Candidates for the program are invited from the incoming Freshman class. Students in other classes may later be invited by the Director of the Honors Program to join the program on the basis of course work, which typically should be of Deans’ List quality.

**Requirements for a Degree**

a The candidate for a degree must have completed course work equivalent to a minimum of 132 semester hours.

b He must have obtained a "C" average or cumulative index of 2.00 in his prescribed program of studies.

c He must have fulfilled all course requirements prescribed for him by the Dean in his chosen area of concentration.

d He must have completed 8 semesters of collegiate study, the final
two of which must be spent in residence at La Salle, that is, as a student following a full program.

**Graduation and Honors**

The bachelor's degree with honors is conferred on a student who has completed his course at the College with an average of all marks not lower than 3.4 and who is not under sanction for disciplinary reasons.

In the computation of honors, the candidate for the bachelor's degree who has earned an average of 3.8 in all courses will be graduated with the designation *maxima cum laude*.

A candidate who has earned an average of 3.6 will be graduated with the distinction *magna cum laude*.

A candidate who has earned an average of 3.4 will be graduated with the distinction *cum laude*.

All students who are to receive degrees on Commencement Day are required to attend the Commencement Exercises, unless specifically excused by the Vice-President for Student Affairs.
Vice President's Message

The lives of heroic men are always challenging because they are inspired by the dynamic conviction that man with God is great and that he has been given something great to do despite his times and circumstances. Men without challenge are often unwilling to accept opportunity, fearful to undertake to completion that great task at hand, too prone to blame others, too easily discouraged along the way. You must have an overwhelming faith in the importance of the work you have to do. St. La Salle had such a faith in the Christian education of youth, and from him La Salle College has inherited her faith in the importance of your education.

Christian education aims at the perfection of the whole man—his spiritual, intellectual, physical, and social perfection. Life and living are more complex than just one Sunday Mass, one biology lesson, or one successful basketball season. Education is more than training for making a living; it is training for living. La Salle College wants to give you such an education. Cooperate with her. Take advantage of what she has to offer.

The unselfish, well-trained, professional men who make up the teaching faculty at La Salle work together for your development toward perfection. So too, dedicated men are at your service in the Deans' Offices, the Counseling Center, the Chaplain's Office, the Medical Center, the Office of Housing, the Athletic Office, the Offices of Student Council and Student Organizations, the College Union, and many others. Go to them. Cooperate with them for your greater good—for your preparation to face successfully the crises of this troubled world.

Sincerely,

Brother Gavin Paul, F.S.C.

The Counseling Center has been established to assist students with questions related to educational plans, career plans, study habits, personal problems, and military matters.

The counseling services of the College begin even before the student registers for classes, and they continue throughout the years that the student is in attendance.

All students on matriculating in the Day Division of the College for the first time are required to participate in La Salle's pre-college counseling program. The purpose of this program is to help each student gain a better understanding of himself and of La Salle so that he can plan his course of studies more intelligently.

The pre-college counseling program requires each student to take a battery of tests and complete several personal forms. These cover such matters as the student's educational interests, reading skills, study habits, motivation for college, and personal problems. The information thus obtained provides the student with an assessment of his educational strengths and weaknesses.

The student receives the results of his tests during a day that he is required to spend on campus for counseling. In addition to the test interpretation sessions on that day, he also attends conferences with a Dean, an ROTC Professor, and a counselor who will discuss with him privately any matters of concern to the student.

After this initial counseling contact, the student may return to the Counseling Center for further assistance whenever he wishes.

Students who wish to see a counselor normally are asked to make an appointment in advance. This can be done either in person or by phone through the receptionist in the Center. The Center is on extension 231.

The student will find information files in the Counseling Center on occupations, graduate and professional school study, Selective Service regulations, and the Peace Corps. These files are open to the student at all times.

Students who wish to take admission tests for graduate school, law school, medical school, dental school, and the Peace Corps will find applications available in the Center.

All services of the Counseling Center are available to the student on a voluntary basis throughout his college career.
The College Health Program

The College maintains a Health Service for the purpose of promoting the general health of the students and enlisting their cooperation in safe-guarding themselves from preventable illness and accidents, which might otherwise lead to absence from classes and interruption of their program of study.

The principal component of the Health Service is the medical Infirmary and Dispensary, under the direction of the College physician and two Registered Nurses, located in St. Cassian Hall. The regular hours for treatment and consultation are from 9:00 A.M. to 3:30 P.M.

For resident students, the Infirmary provides temporary hospitalization for minor illness; for serious or prolonged illness, removal to a local hospital is arranged by the College Physician.

All resident students are required to have a physical examination by the College Physician, upon entrance.

The clinical facilities of the Germantown Hospital (very close to the campus) are at the disposal of any student, in case of emergency.

To provide necessary medical protection at a reasonable cost, a plan is available which offers coverage for a 12-month period, and includes both illness and accident. The cost is usually $30.00. Participation in this program is optional, but all foreign students or those whose home is outside the United States are required to have this protection. Arrangements can be made through the office of the Vice-President for Student Affairs, or the Infirmary.
Religious Activities

The religious life of the College is planned first of all as a service to the individual student: to give him an opportunity to pray, to offer the Eucharistic Sacrifice, to receive the Sacrament of Penance and other religious counseling. These contribute to his achieving the overall objectives which the College sets for him. In addition, the religious activities seek to unite the faculty and students in corporate prayer and worship. For the resident student, the College offers a complete pastoral service: Sunday and daily Mass, frequent opportunities for confession, weekly devotions and Benediction.

More particularly, a well-appointed College Chapel, on the north corridor, first floor, of College Hall is available. Here daily Mass is offered, the Sacrament of Penance is administered, and students find a quiet devotional atmosphere for private prayer. Nearby, in Room C-111, is the office of the Chaplain, who is nearly always present for confession and counseling.

Daily Mass is offered for the students at 7:25 A.M., 7:55 A.M. and 12:30 P.M. each school day. Confessions are heard daily during the morning Masses and from 12:00-12:25 P.M.

Weekly Sunday Mass and special Confessions are provided for the resident students.

On the First Friday of each month a special Mass is offered in the College auditorium at 12:30 P.M., when all students are free. Each of these Masses has as its theme some mystery of the Incarnation and Redemption of special relevance to the life of the College.
All Catholic students are required to make one retreat each year. With the permission of the Chaplain, they may fulfill this requirement by making a closed weekend or three-day retreat, sponsored either by a parish or industrial group or one of the College organizations. Those who do not complete the closed retreat will make a retreat on campus. Married students may complete their requirement by making a Married Students' Retreat or Day of Recollection with their wives. Arrangements for the weekend closed retreats, or for the Married Students' retreats may be made through the Office of the Chaplain.

Students who have not satisfactorily completed their retreat requirement by the end of the school year will be subject to disciplinary action by the Vice-President for Student Affairs.

During the school year certain feasts are celebrated by special Masses or devotions. A Solemn Mass of the Holy Ghost begins each Academic Year, and a Solemn Baccalaureate Mass of Thanksgiving completes it. A special Mass is celebrated on the feast of St. Barbara, the Patron Saint of Artillerymen, which all members of the ROTC unit of the College attend in uniform. A special Mass of All Hallowing during Catholic Youth Week inaugurates the extra-curricular program of the student organizations.

An announced Requiem Mass is offered in the College Chapel after the death of any member of the immediate family of a student or faculty member.

Business Affairs

The Vice-President for Business Affairs supervises and coordinates that area which includes financial accounting, the Office of the Bursar, the Department of Buildings and Grounds and the management of the various auxiliary enterprises of the College.
The Office of the Bursar

The Bursar should be consulted whenever a student wishes information about tuition, fees, receipts of bills and any other financial arrangements.

Tuition

A single tuition fee covering the regular academic year of two semesters, for students carrying a normal schedule, is charged as follows:

- Major areas of concentration in the sciences: $975.00
- Major areas of concentration in business administration and in liberal arts: $925.00

A normal schedule is defined as that standard schedule prescribed by the school or department, which shall be not less than 12 credit hours and generally not more than 18 credit hours per semester.

The tuition fee for part-time students in the day program (taking fewer than 12 credit hours per semester) and for full-time students taking more than the normal schedule is $25.00 per semester for each credit hour of part-time work and for each credit hour in excess of the normal schedule.

For reasons which the College shall consider valid, a student who withdraws before the end of the semester may receive a refund or a remission of part of the unpaid balance of his tuition fee.

Deposits

ROTC Deposit. Students enrolled in the advanced course ROTC are required to make a deposit of $50.00. This deposit is to indemnify the College for possible loss sustained in commutation allowance from the United States Government where a student’s interruption of course is caused for reasons other than that of “At the convenience of the Government.” This deposit will be refunded to the student at the completion of the course, or in the case of “Termination at the convenience of the Government” when the student returns his uniforms and equipment to the Military Department.

Residence Halls

The cost of room and board for resident students is $850.00 per year. When making application for accommodations in the Residence Halls, the applicant is required to include with his application a Reservation Deposit of $25.00. Upon occupancy, this deposit is credited to the Resident Student’s Damage Deposit Account. In the case of voluntary non-occupancy, the Reservation Deposit is forfeited.
Financial Arrangements
One-half of the Annual Tuition and/or Room and Board is due and payable at the time of registration for each term. Tuition payment is part of the registration procedure.

La Salle offers two ways by which tuition and/or room and board may be paid. No other methods have been provided.

A. The total term expense may be paid by cash, check, or money order, or
B. Arrangements for payment may be made through the use of the College Bank Loan Plan, or the National Defense or State Loan Programs.

Financial Delinquency
Students against whom the College holds record of indebtedness shall forfeit the privilege of attending class, and the College shall have the right to delay government benefits, if any, withhold semester report grades, transcript of records, and diploma of graduation until such indebtedness is paid.

La Salle College Bank Loan Plan
Information regarding the College Bank Loan Plan may be obtained at the Business Office of the College. No other general plan for paying the tuition fee, or room and board, on a deferred basis will be available. Because payment of tuition is part of the registration procedure, where the Bank Loan Plan is used the application form must be obtained prior to the time of registration. Veterans attending under Public Law 550 are required to pay their tuition fee or other obligation, under the same regulations as prescribed for non-veterans.

National Defense Student Loan and State Loan Programs
Students seeking information regarding eligibility and application should communicate with the Office of the Vice-President for Student Affairs.
