Introducing La Salle

La Salle is a college with some 6500 full-time and part-time students, a day and an evening division, graduate and summer programs. The administrative offices required by an organization of this size and complexity are grouped into four main areas—academic affairs, student affairs, business affairs and public relations. These offices provide an array of services to the student from the time he applies for admission until he becomes a member of the Alumni. Their major concern is to assist the faculty in their efforts to make the students' program as significant as possible for his education and his growth as a person.

ACADEMIC AFFAIRS

The College catalogue includes a set of educational objectives which would be challenging in any age but are especially difficult today. A student must now pursue these objectives under special pressures — from the rapid accumulation of knowledge itself; from change and renewal in theology and the Church itself; from the imposing problems of society in peace and war. There are corresponding advantages, however, to trying to get an education at a time of crisis. We are then closer to the centers of change, can better sense the shape of things to come, can better prepare to play a role in the city of the future.

What the faculty intends in setting educational goals and devising courses to achieve them and what administrative offices intend by projecting long-range plans, is a community of effort with students. That means that, beyond the ordinary business of classroom or office, we are trying to create a style of life that requires young men’s involvement and drive as well as older men’s specialized knowledge and experience.

ACADEMIC OFFICES

The chief officer for co-ordinating all academic activities is the Vice President for Academic Affairs. The Dean of Arts and Sciences and the Dean of Business Administration conduct the ordinary business affecting students’ programs — roster checks, course changes, scholastic standing, and so forth. They are assisted by a Roster Office responsible for class schedules and processing individual student rosters and a Registrar’s Office which is re-
sponsible for maintaining student records and issuing grades and transcripts.

**FACULTY ADVISORS**

Members of the faculty set aside a minimum of six hours each week when they are available to see students. Usually they post hours at their offices during which they are available for consultation and counseling. Students should feel free to consult with their professors during these times on problems related to their courses or on more general problems of their college programs. Freshmen especially are well advised to see teachers about any problems developing in the first months of their study.

Faculty advisors may, at times, refer students to the more extensive resources of the Counseling Center for assistance in particular problems.

**PRE-REGISTRATION**

Pre-registration for the following academic year takes place during the spring semester. Notices giving complete information about pre-registration are prominently posted to explain the procedures involved. The chief obligation of students is to complete pre-registration forms listing all required and elective courses they intend to take the following year. These forms are then submitted for review and approval to course advisors, usually the Chairman of the student's major department or an instructor appointed by the Chairman. Course advisors work under the direct supervision of the Dean's Office, and especially at Pre-registration time they are available to give assistance in the selection of programs of study and of courses within the program. The end result should be a relatively definite program for the next scholastic year.

**CHANGE OF COURSES**

During the first two days of each semester, a student may make, with the written approval of his Dean, a change in his roster.

**WITHDRAWAL**

Withdrawal from La Salle College may be effected only in writing and on Official Withdrawal forms available in the Dean's Office.
ATTENDANCE

Students are expected to be regular and punctual in attendance at all classes and laboratory periods for which they are registered. Absences are permitted to provide for conditions beyond the control of the student. Ordinarily, these are equal to twice the semester hours scheduled for the course; for example, six absences in a three-hour course. Attendance is noted from the first regular class meeting regardless of the time the student registers.

EXAMINATIONS AND GRADES

Instructors schedule examinations throughout the semester; final semester examinations are held during the final week of the semester. In addition to being posted on various bulletin boards, the entire schedule is published in the La Salle Collegian, student newspaper, prior to examination week. Semester grades are mailed to students, usually within a week after the examinations are concluded.

DAVID LEO LAWRENCE MEMORIAL LIBRARY

The steadily growing library collection now numbers over 150,000 volumes and more than 750 periodical subscriptions. The materials on hand, including monographs, serials, journals, abstracts, indexes, microfilms and microcards have been carefully selected to provide for the student’s needs in completion of course work and recreational reading. The library is able to provide most of the materials a student is ordinarily called on to consult. To provide for special needs, the library is a member of the Pennsylvania Union Catalog and the National Union Catalog. As such, it is in a position to arrange for inter-library loans from libraries throughout the country.

With the exception of reference books and periodicals, most library materials may be borrowed for a two-week period any may be renewed once. To borrow materials a student must present his library card. This card may be obtained at the main desk upon application. Regulations concerning the use of the library are posted on the bulletin board near the main desk.

SELECTIVE SERVICE

The Registrar’s Office keeps a file of the Selective Service numbers of full-time students who have initially requested that their respective Selective Service Boards be informed of their return to college at the beginning of each academic year.

**New students** who desire their local Selective Service Boards to be notified that they have entered upon a full-time course of instruction should file their Selective Service numbers in the Office of the Registrar (College Hall, Room 107) at the time they register for classes during the week of September 2nd or when they are assigned numbers by their local Selective Service Boards. Students who have returned to the campus after a period of absence should follow the same procedure.

Under the provisions of the Military Service Act of 1967, **a new student** who wishes to be favorably considered for a student deferment is also required to complete SSS Form 104 - Request for Undergraduate Student Deferment. Copies of this form are available in the Registrar’s Office.

COLLEGE HALL BULLETIN BOARD

Students should familiarize themselves with the Bulletin Board located opposite the Deans’ Office for official announcements from the offices of Vice Presidents and Deans.

Special Programs

HONORS PROGRAM

A voluntary incentive program of courses in core subjects and Independent Study Courses, the latter often given by visiting professors, is available to students of outstanding ability. Candidates are invited from the incoming freshman class. Upon the recom
mendation of professors, students already in the college may also be invited to join the program, if their work is of Dean's List quality. The honors program works with other college agencies to assist in preparing students for major graduate grants. The Honors Center in McShain Hall is open to all students.

CHESTNUT HILL PROGRAM

LaSalle College and Chestnut Hill College have an extensive program of co-institutional association for students enrolled at each school.

Joint majors are available in psychology, fine arts, physics, sociology and modern languages. A complete list of courses and times is posted in College Hall. LaSalle students interested in participating should contact their Deans prior to registration.

LASALLE-IN-EUROPE

Students who would like to broaden their educational background by studying in Europe may take advantage of the LaSalle-in-Europe program. This program offers the opportunity of completing the sophomore or junior year at the University of Fribourg in Switzerland while receiving full credit at LaSalle for course work there. Detailed information is available from the Director, LaSalle-in-Europe, McShain 9.

LA SALLE URBAN STUDIES CENTER

The Center was instituted to provide close and meaningful contact between the college and the urban community. By sponsoring and coordinating a wide variety of programs which involve and benefit neighborhood residents and organizations as well as the college community, the Center plays an important role in making LaSalle a responsive and integral part of the urban environment. Detailed information is available at the Center, located directly opposite LaSalle Hall Apartments.

NURSING COOPERATIVE PROGRAM

Student nurses at the Germantown Hospital School of Nursing receive LaSalle credits toward a college degree. Courses are taken here for their first three semesters and include English, Chemistry, Sociology, Psychology, Anatomy and Physiology and Micro-
biology. Application and further information may be obtained through the Germantown Hospital School of Nursing.

SUMMER SESSIONS

Two semesters are offered in both day and evening during each summer. Regularly matriculated students and students in good standing at other institutions are invited to attend. Detailed information will be available during the Spring semester.

Student Services

RELIGIOUS ACTIVITIES

Opportunities for personal spiritual development and communal liturgical worship are available to the LaSalle College student. The center of religious life is the modern Student Chapel on the lower level of College Hall. Adjoining the Student Chapel are the Chaplains’ Offices where students may receive counseling.

MASS

Monday through Fridays 7:55 a.m., 12:30, 5:00 p.m.
Saturday and holidays 9:30 a.m.
Sunday and holydays 12:15 p.m. (midnight) 10:30 a.m. and 4:30 p.m.

Private conferences with members of the religious and priest faculty may be arranged at the convenience of the student.

Religiously oriented clubs and associations on campus serve as appropriate channels for student apostolic activities.

Various discussions, days of renewal, off-campus weekend retreats are planned in order to help the student relate theology to his everyday living.

COUNSELING CENTER

The Counseling Center assists students with their educational and career plans, and with adjustment problems.

Besides the initial counseling services offered prior to matriculation, the Center offers continued diagnostic and counseling services throughout the student’s college years.
Located on the first floor of McShain Hall, the Counseling staff also offers personal counseling when requested, provides students with information about graduate and professional schools, keeps an up-to-date file of occupational information, extends psychiatric evaluation service, and generally seeks to meet students’ needs for information and counseling.

**COLLEGE UNION**

The Union is regarded as a community center which supplements formal academic education. The principle is that all that occurs in the student’s life affects his development. The Union’s areas, lounges, game facilities, music, the presence of fine arts - all contribute to the education of the student.

**DISPENSARY**

As part of the College’s Health Service Program, the Dispensary is available for initial care and for emergency use by all students, faculty and staff. Located on Olney Avenue adjacent to St. George Hall, it is operated under the direction of the College Physician, a registered nurse and a licensed practical nurse. Hours: Monday through Friday, 9:00 a.m. to 5:00 p.m., whenever classes are in session.

The clinical facilities of Germantown Hospital (adjoining the campus) are at the disposal of any student in case of emergency.
Doctors at Germantown Hospital will not treat a student without written authorization of the Dispensary.

INSURANCE PLAN

To provide necessary medical protection, a plan is available offering coverage including both illness and accident. Participation in this program is optional; however, for reasons helpful to them, all foreign students and those whose home is outside the U.S. are required to have this protection. The premium for a 12 month period is $48.00. Arrangements can be made through the Office of the Vice President for Student Affairs.

FINANCIAL AID

Financial Aid is designed for those students, who, without such assistance, would be unable to attend college. The term "financial aid" includes scholarship grants, long-term loans, and employment opportunities which the student may use singly or in various combinations.

Students in need of financial assistance in order to complete their education are encouraged to consult with the Financial Aid Director concerning possible financial aid programs available to them.

VETERANS

Veterans attending under the G.I. bill should direct any questions relative to their VA enrollment to the Business Office. Certificates of Eligibility issued by the VA should be submitted to the Business Office for certification. At the time of registration for each semester, the veteran should insure that he completes a LaSalle College Veterans Enrollment Card for the Business Office.

USE OF FACILITIES

Student groups desiring to use any Union facility for general meetings or social functions should submit a formal request to the Union Director’s Office at least 48 hours in advance. Use of classroom facilities during the Wednesday and Friday free period (12:30 p.m.) may also be scheduled through this office. Use of the Athletic fields of gym facilities must be requested through the Athletic Director’s Office.
LOST AND FOUND

The Union Director’s Office is the campus headquarters for lost and found. This service is available at the following times: 10:00 a.m. - 4:00 p.m. - Mon. - Fri. and 6:00 p.m. - 9:00 p.m. Mon. - Thurs.

BULLETIN BOARD

Recognized student organizations may, with the approval of the Student Government, post promotional and informational materials on student government bulletin boards throughout campus. Materials so approved may be posted on departmental bulletin boards with the approval of the department chairman. All Materials for posting in the Union must be approved in the Union Director’s Office. This includes posters and other printed material from non-college organizations.

Student Regulations

While LaSalle College is dedicated to the perfection of the individual, it also has the responsibility of protecting the common good.

Any group designed to further common objectives inevitably requires the establishment of a basic set of rules governing it. These regulations enable us to live together with a minimum of friction and offer maximum protection for the rights of others.

The regulations contained in this booklet are not exhaustive. There is no pretense of defining how one should or should not behave in every given situation. Basically, it is the conscious intent of LaSalle College to put its faith in the assumption that the standards of conduct becoming gentlemen are understood by all students.

In addition to observance of the regulations contained in this Handbook, ROTC cadets must comply with the student regulations published by the Department of Military Science.

IDENTIFICATION CARDS

All students are photographed for identification cards at their first registration. Notice will be posted when the cards are available for distribution.

Each student must carry his identification card at all times
while on campus. The card is necessary for admittance to athletic events, social events, voting in school elections, and other specified activities demanding the verification of student status. This card is non-transferable. Loss of this card should be reported immediately to the Dean of Men. Replacement fee: $5.00.

When requested, students must present this card to: administration, faculty, campus police, Union personnel and Student Council.

DISCIPLINARY CENSURE

The following penalties may be imposed:

Warning

Fine—

Disciplinary Probation — A censure imposed upon a student who has been found guilty of charges sufficiently grave to warrant that privileges (including academic) ordinarily granted him be temporarily denied. These include "cutting" class and participation in extracurricular activities or organizations.

Suspension — A censure which means exclusion from classes and all college sponsored activities and organizations for a specified time.

Dismissal

Matters of alleged moral turpitude will be referred to the Dean of Men.

MAJOR VIOLATIONS

Certain violations are considered very serious; the College imposes sever penalties in cases such as:

1. Intoxication on the campus or at any functions under the auspices of the College or of any campus organization;
2. The possession or use of explosives or firearms;
3. The possession or illegal use of unprescribed narcotics;
4. Theft — See letter posted in the Campus Store concerning shoplifting;
5. The deliberate defacing of property.
ALCOHOLIC BEVERAGES

The College calls attention to the state law of Pennsylvania on the use of Malt or Alcoholic Beverages:

It shall be unlawful for a person less than twenty-one (21) years of age to attempt to purchase, to purchase, consume, possess or transport any alcohol or malt or brewed beverages within the Commonwealth.

The State Liquor Control Board operates under State Law. Under these, it is a misdemeanor to unlawfully transfer a registration card for the purpose of falsifying age or to falsify age to secure malt or alcoholic beverages. Also, it is a misdemeanor for any person to sell, furnish, or give any minor under 21 years of age any malt or alcoholic liquor. The penalty for this is $100 to $300 or 3 months in jail upon conviction.

DRUGS

LaSalle College condemns the illegal use of drugs by its students. Although the College does not assume responsibility for acting as an arm of the law, a student is subject to the law as is any citizen. Therefore, any student who is in violation of drug laws or who flagrantly fails to cooperate with law enforcement authorities is subject to penalty up to and including dismissal.

DEMONSTRATIONS

In view of some recent events, College Council deems it important to state its decision that action by individuals or groups to prevent speakers invited to this campus from speaking, to disrupt the operation of this institution in the course of demonstrations, or to obstruct and restrain other members of this academic community and campus visitors by physical force is destructive of the pursuit of learning and a free society. Recognizing that all components of the LaSalle community are under a strong obligation to protect its processes from these tactics, it is hereby declared to be the policy of LaSalle College that appropriate disciplinary action, up to and including dismissal, shall be taken against any member of this community so acting.

College Council
December 5, 1967
PROPERTY DAMAGE OR LOSS

In the event of damage or loss of any furniture or equipment belonging to the College, students responsible will be held financially liable and subject to disciplinary action. In this regard, students in the ROTC program who drop or transfer out of the College, or drop elective ROTC courses are responsible for turning in U.S. government property (uniforms and textbooks) at the ROTC Detachment. Failure to do so could result in prosecution by Federal authorities.

DRESS

"An educated gentleman recognizes what is appropriate attire for a particular occasion. It should not be necessary for a college to indicate the proper mode of dress for its students. Nevertheless the college sets forth the following guideline that all students are expected to dress neatly and in good taste when on campus and especially in the classroom and on other academic and social occasions."

—Statement evolved from Faculty Senate and Student Council representatives; approved by College Council May 8, 1967.

OFF-CAMPUS HOUSING

All students are expected to live with parents or guardians or in the Residence Halls unless they are 21 years of age on the day of the semester.

FUND RAISING

Solicitation for funds, selling of chances, or merchandising of any kind is not allowed without the permission of the Advisor and the approval of the Vice President for Student Affairs.

PARKING

Automobiles driven by or for students are to be parked in the areas provided by the College or on streets adjacent to the College campus. Campus police are authorized to prohibit student parking in restricted campus areas. Violators are subject to a fine.
Student Activities

STUDENT GOVERNMENT

There are two key aspects to the function of the Student Council: first, it serves as the organ through which the student community can, in large measure, govern itself; second, it provides a direct channel of communication between the students and the administration. Both activities are vital to the aim of developing an atmosphere of informed inquire which fosters individual involvement and student responsibility.

The Student Organizations Commission gives official status to campus organizations. It co-ordinates and directs the activities of the clubs involving functions sponsored by this organization. SOC furnishes material assistance to recognized clubs. It’s membership is composed of the President or appointed officer of each club.

The Inter-Fraternity Council is the student organization which supervises and co-ordinates the recognized fraternities at LaSalle. Voting members are the President and representative from each fraternity.

The College Union Committees listed below constitute a student managed, student oriented group designed to serve LaSalle College for the benefit of the student body.

The goals of the Student Government are defined in the Preamble to its Constitution. It attempts to protect the inherent rights and interests of the students... “to establish an independant and representative instrument for the expression of student opinion, to involve students in a productive partnership in the governance of College, to promote the internal unity and welfare of the student community, to further the goals of our Christian College and to respond to the challenges of our society...”

The Residence Council is a student organization of those living on campus whose interests center around the religious, social and athletic needs of resident students.
DELEGATES

Student delegates to intercollegiate meetings must have the approval of the Advisor and the Vice President for Student Affairs.

CONTRACTS

A contract on which the name of LaSalle College appears must have the written authorization of the Advisor and can be legally executed only by the Vice President for Student Affairs.

Organizations

Campus organizations group under four principal headings:

- Academic Subject Interest Clubs
- Honor Fraternities
- Service and Social Fraternities
- Extracurricular Activities

Each organization has a campus mail box through which its president may be addressed for more complete particulars on membership eligibility, objectives, and activities than can be listed here. Notices concerning meetings, elections, etc., are posted on the bulletin board, College Union first floor.

ACADEMIC SUBJECT INTEREST CLUBS

These clubs further interest in various areas of study — usually the student's major — through guest speakers, discussions, field trips and the like. They also conduct occasional social functions. These clubs are open to all students in good academic standing, though typically they are composed of those interested in the subject area as majors or prospective majors.

INTERCOLLEGIATE ATHLETICS

The program of intercollegiate competition includes basketball, baseball, tennis, track, crew, swimming, soccer, cross country, rifle and golf. All students are eligible to compete for varsity positions in these sports. Candidates are called at the beginning of the season in the respective sports.
INTRAMURAL ATHLETICS

LaSalle's intramural program is developed to satisfy the needs of the student body to the extent permitted by available facilities. Intramural leagues in seasonal sports — touch football, basketball and softball — are formed. Students enrolled are eligible to participate in the intramural program except varsity athletes during the season of their sport. Students are invited to participate in the use of the various weight lifting, rowing machines and isometric equipment in the Exercise Room, basement of Wister Hall.

HAYMAN HALL

A physical facilities building will be located on what is now the student parking lot. It will provide a variety of athletic facilities, including a swimming pool and basketball courts. Prospective completion date has been set for the Spring of 1971.

SEASON BASKETBALL TICKETS

Student season tickets for basketball games to be played in the Palestra may be obtained during the week of November 3 from 10:30 AM until 2:30 PM and from 5:30 PM until 7:30 PM in the main lobby of the College Union.

Two types of student season tickets will be available:

PUBLIC RELATIONS

The Vice President for Public Relations supervises and co-ordinates the Alumni, Career Planning and Placement, Development and the News Bureau.

ALUMNI OFFICE

The Alumni Office serves as an “On Campus” central office of the Alumni Association of LaSalle College. Over 30 class organizations as well as geographic and professional units actively operate here.

Students are encouraged to become acquainted with the services of this office while they are on campus and to know the qualification for membership in the Alumni Association – successful completion of one or more years at LaSalle.

DEVELOPMENT OFFICE

The Development Office contributes to the needs of the college by conducting the various forms of fund raising required of an American church-related institution.

NEWS BUREAU

All academic and sports releases to the mass media concerning LaSalle emanate from the News Bureau.

Each student is encouraged to take advantage of the services of the News Bureau by forwarding any newsworthy items concerning his activities. These will be forwarded to his local and hometown newspaper and other interested media.

The LaSalle Magazine, mailed quarterly to alumni, students and friends, is prepared by the News Bureau and the Alumni Office.

CAREER PLANNING AND PLACEMENT

The Career Planning and Placement Bureau provides service for the Student, alumnus, institution and the employer. Its objective is to assist people in their career planning and employment activities.

The Educational Placement Office assists seniors and alumni
interested in teaching positions.

The Industrial Placement Office maintains files of company literature. It furnishes occupational and vocational information and arranges for representatives from business, industry and government to visit the campus and conduct interviews. It maintains contact with employers unable to visit and refers qualified applicants for available positions. The Director also advises students to opportunities for on and off campus part-time and summer employment.

LA SALLE COLLEGE ALMA MATER

Above Explorers valiant, here
under thine eyes
Thy Blue and Gold banners
unfurl in the skies;

CHORUS
La Salle, La Salle, thy glory,
thy triumphs we praise;
Thy name in song, forever we,
thy sons, shall rise.

Here armed, thy scions standing await thy command;
Thou fortress of faith in our
God and our land.
HANDBOOK FOR RESIDENTS

APENDIX A

ADMINISTRATION

The Dean of Men is the administrator of the Student housing program. He is charged with the placement of resident students, and, together with the Residence Hall Directors and their assistants, he is responsible for the enforcement of regulations.

RESIDENCE DIRECTOR

Each residence hall is under the direction of an appointed faculty member, a Christian Brother, who is responsible for the students and program of the hall, including supervision of the assistant directors in his hall.

ASSISTANT DIRECTORS

Students selected by the Dean of Men and Residence Directors assist in certain basic responsibilities within a hall: they are provided with remuneration by the College. Their duties include:

1) Helping to establish the morale within the hall;
2) Assisting groups and individual students;
3) Advertising resident student activities;
4) Supervising the observation of regulations;
5) Assisting with administrative responsibilities.
6) Assuring the available presence of an administrative person in each hall at all times.

While ideally possessing almost every favorable attribute of human nature, candidates for assistant directors must specifically possess and be able to convey the image of responsibility and maturity.

Juniors and seniors with adequate scholastic standing and interest, good health, and a schedule that provides sufficient time for the position are encouraged to apply. Applications are available from the Dean of Men’s Office.

After reviewing applications and consulting with Assistant
Directors, Resident Directors meet to select the staff for the next academic year.

**POLICY FOR RESIDENTS***

The following procedures are in effect in all residence halls to safeguard the resident's health and welfare as well as to protect College and personal property. This policy represents the absolute minimum needed if successful group living is to form a part of college education.

For the best sleeping and studying conditions, reasonable quiet and consideration for other residents is necessary at all times.

The use of cooking devices, air-conditioners, refrigerators, or electric blankets is not possible in residence halls that were not specifically wired for this equipment. Irons should be used only in designated areas.

To possess or use alcoholic beverages in residence halls, or to enter a residence hall showing effects of over-use of alcohol is forbidden. The first offense against this regulation will be reported directly to the Residence Director; the second, to the Dean of Men.

**FOR SAFETY REASONS**

a. Firearms, ammunition, weapons, explosives, dangerous chemicals and fireworks may not be possessed or used in the residence halls or on campus.

b. Fires, no matter how slight, may not be ignited either playfully or maliciously in the residence halls. Smoking in bed is a grave hazard to the individual as well as to the group.

*See Appendix B, La Salle Hall Apartments*
c. Screens are not opened or removed from windows.
d. Residents are not permitted on window ledges or on roofs.
e. Tampering with fire alarms or equipment is a serious safety hazard.

ATHLETIC ACTIVITIES are confined to designated playing areas: on the main campus playing fields and north of Cassian Hall.

For reasons of health and sanitation, no ANIMALS OR PETS are allowed within the residence halls.

ORNAMENTATION of rooms should be inspired by common sense and good taste, qualities which will be judged by the Residence Director.

You will be issued a DOOR KEY and a CLOSET KEY when you report to the residence hall. Keys must be returned when you move out, and a forwarding address should be left. Replacement of lost keys cost $1.00 for each key.

The College is responsible for all LOCKS and KEYS; consequently only staff members are authorized to change or repair locks or to duplicate keys. When room is not occupied, doors must be locked. The College does not assume responsibility for loss of theft of personal possessions. The Residence Director and his assistants have a right to enter any room at any time.

WOMEN visitors are not permitted in men’s living area except at designated times posted by the Residence Director; however, they may visit lounges. Guests will be expected to leave the residence hall by the beginning of the Quiet Period—1:00 a.m.

SOLICITING FUNDS in person or with advertising circulars in the Residence Halls is forbidden. Solicitors, whether they are students or not, should be reported immediately to the Residence Director or the Assistant Director. This regulation is designed to maintain students’ privacy and to protect students against fraudulent operations.

ROOM CARE AND MANAGEMENT is vital for successful residence hall living. As posted in each hall, the College provides maid service twice each week. Bed linens are changed weekly as posted. Each resident shall keep his room and his personal be-
longings clean and in good order at all times.

Luggage may be stored in the TRUNK ROOM at the end of each floor.

WEIGHT LIFTING EQUIPMENT may not be kept in rooms but central locations will be provided where possible.

INTER-DORM VISITING is not permitted after the beginning of the Quiet Period – 1:00 a.m. any night.

In addition to informing his Residence Director that he will be AWAY OVERNIGHT, a resident should always notify his roommate or a close friend if he is to be away from campus for any length of time, such as a weekend. A resident who will be away overnight must leave telephone number where he can be reached in case of emergency.

DAMAGE to rooms is always assigned to the occupants; if the responsibility for the damage is not theirs, it is their obligation to ascertain who committed the damage. Whenever damage occurs in a room or to any equipment within a hall, a report should be made to the Residence Director immediately. If the College is unable to assign damage to communal facilities or the Residence Hall Physical Plant, there is no other choice than to assign the responsibility to the entire living group which utilize those facilities or lives in that particular section. Each resident is encouraged to examine his room carefully and file a report with the Residence Director as directed.

ROOM CHANGES during the course of the school year are made only for the most compelling reasons and must have the approval of the Residence Director and the authorization of the Dean of Men.

VISITORS to the residence halls must be 16 years of age or older unless accompanied by a parent(s).

GUESTS who may wish to stay in the Residence Halls overnight may do so only if authorized by the Residence Director. The resident is responsible for the conduct of guests. Permission of roommate is required. A nominal charge will be made for overnight guests, and clean linen will be furnished.
All residence halls close at noon on the first full day of:
a. Christmas Vacation  
b. Easter Vacation  
c. Summer Vacation  
Residence halls open at noon on the day preceding the resumption of classes.

Whenever the FIRE ALARM sounds all must leave the building within two (2) minutes under severe sanction. No one may re-enter the building until the Residence Director or Assistant Director has so directed.

Directive concerning SELECTION OF RESIDENCE HALL and roommate are published in April.

TELEPHONES

Since you cannot be reached at the College telephone exchange, be sure to let those persons who will be calling you know the number nearest your room.
