Dear Friends:

It is once again my privilege to introduce our Honor Roll of Donors. As you will see, all the vital signs are good: number of donors, percentage of donors, average gift, and overall total. We are steadily approaching the levels which will be genuinely worthy of the lives poured out in the dynamic growth of our common enterprise. The accompanying list includes many examples of sacrificial generosity, especially on the part of givers who are facing other challenging demands—like tuition—at the same time.

The past year has been one of several, quite remarkable accomplishments for La Salle’s fund-raising program:

[1] In July, the Council for Advancement and Support of Education and the USX Foundation, Inc. recognized the University for Distinguished Achievement in its Total Development Program and presented it with one of the 1987 Achievement in Mobilizing Support Awards. This was the first such
national recognition bestowed on La Salle for its success in fund-raising.

(2) In 1986-87, the Alumni Annual Fund passed the $1,000,000 milestone for the first time in its rather brief history. Contributions from alumni and matching gifts generated by alumni totaled $1,050,819, an 11% increase over the previous year's record-setting amount. The million dollar plateau has been our goal for several years, and it has been attained sooner than many would have believed possible. We are, indeed, quite indebted to the many alumni whose tireless efforts on our behalf produced this result.

(3) As of June 30, 1987, total gifts, grants and pledges to Phase II of the Campaign for the 80's amounted to $12,651,447, 82% of the $15,345,000 we hope to attain by December 31, 1988. In conjunction with the extraordinary $11 million commitment for the construction of the new library by La Salle's principal benefactor, total extramural support for the University since July 1, 1984 now exceeds $23.6 million.

The occasion of our 125th anniversary in 1988 should give us pause to reflect on the generations who held on through hard times. Most of those were Christian Brothers, whose reward has come (or will come) in terms beyond impressionistic surveys and competitive statistics. Still, in human terms, we owe them more than we can ever repay. Moreover, many colleagues who are still with us have deserved well of us all, without commensurate reward in any tangible sense. Join us in donning thinking-caps during this year, to assure that our landmark observances will give honor where due.

Sincerely yours,

Brother Patrick Ellis, F.S.C., Ph.D.
President

**HIGHLIGHTS**

All gifts and grants reported below involve contributions received between July 1, 1986 and June 30, 1987. Multiyear pledges and contributions received after July 1, 1987 will be published in subsequent Honor Rolls as payments are received. In accordance with Internal Revenue Service regulations, gifts of securities have been reported at the mean (average) between their highest and lowest values on the dates the gifts were made to La Salle University. Every effort has been made to assure the accuracy of the donor list. Occasionally, a donor's name is inadvertently misspelled or omitted. If, by chance, an error has been made, please accept our sincere apology and notify us of the mistake (215-951-1539). Several of the contributions listed below are duplicated in more than one category (e.g. an individual contribution in excess of $1,000 that is also included in the Alumni total). The unduplicated total of gifts and grants listed in this report for 1986-87 is $3,882,360.

IN MEMORIAM GIFTS

Some of the most meaningful gifts the Annual Fund Office receives are made in honor or in memory of a beloved friend, colleague, or family member. This year, such gifts were made in the names of almost 25 individuals, an inspiring indication of the donors’ regard for both the University and the individuals named. We are honored to accept these special gifts.

JOHN E. HIGGINS TO CHAIR '88 ALUMNI ANNUAL FUND REUNION GIFT CHAIRS NAMED GOAL SET AT $1,250,000

John E. Higgins, Jr. '66 will chair the 1987-88 Alumni Annual Fund Campaign and spearhead the effort for the success of La Salle’s 125th anniversary year. Presently he is a senior vice president in the Branch Administration Department of First Pennsylvania Bank’s Consumer and Banking Services Group.

In his capacity, Mr. Higgins has responsibility for the operations of more than 40 branch locations in Philadelphia, Delaware and Montgomery counties. Mr. Higgins announced that the 1987-88 alumni goal has been set for $1,250,000.

“MY first commitment is to continue the momentum established by Brother Charles Gresh, Annual Fund Director, and Larry McAlee, the successful chairman since 1985,” Higgins said. “Furthermore,” he added, “I think that the recent announcement of the CASE/USX Foundation Distinguished Achievement Award for La Salle’s Total Development program was a source of great pride and encouragement for all of our alumni. Even though our goal of $1,250,000 represents a 20% increase over last year’s record-setting total, we believe that it is within our grasp and that it is quite appropriate for La Salle as it celebrates its 125th anniversary. We will, then, strive to achieve this year’s goal—ever confident of our alumni’s generosity and concern.”

Brother Charles E. Gresh, F.S.C., director of the annual fund, has also announced the following gift representatives for their respective classes for Reunion ‘88:

has contributed $34,800 to La Salle University.

L.C. Davis, general manager of Sears-Roebuck and Company’s facility on the Roosevelt Boulevard in Northeast Philadelphia, presents the Sears-Roebuck Foundation’s 1987 contribution of $5,100 to Dr. Fred J. Foley, Jr., vice president for development. Over the past eight years, The Sears-Roebuck Foundation has contributed $34,800 to La Salle University.
PARENTS’ PROGRAM

The Parents’ Fund soared this year as goals were met and exceeded. The total of $39,051 that was raised from 506 donors represents a 15% increase in dollars over last year.

The growth in the Parents’ Fund, in both dollars and participation, is indicative of strong support for La Salle and of our parents’ desire for involvement. Our gifts directly benefit our children’s careers. The full cost of educating a La Salle student is not absorbed by tuition; thus 25% of the cost of each student must come from other sources. The Parents’ Program is a vital source of income. Each gift is received with gratitude.
