Faculty Senate
Minutes of the November 15, 2001 Meeting

Excused: E. Giardino, R. Mshomba, A. Walsh

Guests: Lynn Collins

Meeting called to order at 12:35 pm.

The minutes of the October 15, 2001 morning meeting were approved.

Senate President announced that Susan Borkowski resigned from the Senate. Senate by-laws indicate that a resigning senator is to be replaced by the runner-up from the previous election, therefore, Mike Kerlin will replace Susan on the Senate and will also take her place on the Senate Academic and Faculty Affairs Committee.

The Senate President reported that she had a brief meeting with the Provost on November 7; they have been regularly discussing current issues and had no new business to cover at that meeting.

The Senate President reported that the University Council meeting scheduled for November 19 was cancelled and that she will request that the revisions to the Tenure and Promotion guidelines be placed on the University Council agenda for December 17.

The chair of the Committee on Committees reported on resignations from and new appointments to the Institutional Review Board. After a discussion of the composition of the IRB the Senate approved a motion from the Committee on Committees to expand the IRB membership to include three faculty representatives, one from each school. This proposal will be taken to University Council in the spring semester.

The chair of the Financial Affairs Planning Committee reported that the committee will have its first meeting – with Br. Michael McGinniss as chair – on the afternoon of 11/15. She suggested that agenda items for the year will include an investigation of the status of the dependent tuition benefit and the recent requests from Human Resources for proof of a child’s dependent status when faculty and staff want to use that benefit. Another
agenda item will be to look into the suggestion that La Salle institute a flexible benefit plan (to cover child care and education costs, for example).

The chair of the Academic and Faculty Affairs Committee reported on the committee’s continued work on the revisions to the Tenure and Promotion guidelines. The committee presented two additional revisions to the senate – these revisions were instituted to respond to comments from the President and Provost on the proposed guidelines. After some discussion and further language changes, the senate voted to approve the new revisions and to send the document on the University Council for discussion and a vote.

After some discussion about election procedure, the senate voted on a replacement for Senate President, Peg Heinzer, whose resignation from the University becomes effective at the end of the semester. The new Senate President for the remainder of the 2001-02 academic year will be Marc Moreau.

The election of Marc Moreau as Senate President left the position of Senate Vice-President open and Jackie Pastis was elected to fill that position for the remainder of the 2001-02 academic year.

An appointment was made to the Graduate Council.

The Senate President reported that the Executive Committee met with the University President to discuss concerns with the wording of our job advertisements. The President is open to new language for those ads and the Executive Committee will forward suggestions to him for consideration.

The meeting was adjourned at 2:00 pm.

Respectfully submitted,

Sabrina DeTurk

Subject: Student Awards Nominations

Date: January 18, 2002

Nominations for the awards described in detail below are hereby solicited and will be accepted from members of the faculty and administration through **Wednesday, February 6, 2002**. A copy of the standard nomination form follows this memorandum. Please feel free to make or request additional copies. If the space provided on the form is insufficient, please feel free to attach additional sheets as needed. Students nominated will also be asked to have written recommendations submitted on their behalf.

**Methods of Designating Recipients**

1. Any administrator or faculty member may nominate a senior for the awards.
2. To compete for an award, a senior must be nominated by an administrator or faculty member. (Nominations for Flubacher Awards will be accepted from student organizations.)
3. Any senior who deems himself/herself qualified may request a nomination for one or more awards from an administrator or faculty member.
4. The appropriate awards committees will have the authority to adjudicate recipients from those nominated.

**The Joseph F. Flubacher Student Leadership Award** is offered to a graduating student who has made a contribution to the quality of student life by demonstrating significant leadership in student organizations, university governance, and/or intercollegiate athletics.

**Qualifications**

1. The recipient shall be a graduating senior from the Day Division of the University.
2. The student shall have demonstrated exceptional leadership skills throughout his/her university career. The student shall have significantly enhanced the membership, programs, and/or goals of a particular organization(s); made a contribution to the work of a university committee; and have had a positive impact on the general program of student life.
3. The student's record should be free from major disciplinary sanctions, i.e. probation.
4. Academic standing will be a major consideration but will be given less weight than evidence of leadership skills and accomplishments.

**The Brother Emery C. Mollenhauer Award** is presented to that graduating senior who best exemplifies those Lasallian values to which Brother Emery was committed during his tenure as Provost, in particular the values of charity and justice which are hallmarks of St. John Baptist de La Salle’s pedagogy.

**Qualifications**

1. The recipient shall be a senior, graduating student of the University.
2. The recipient shall have demonstrated, over a period of time, a commitment to community service activities on or off campus.
3. The student should exemplify through his/her involvement in such activities a dedicated concern for the principles of peace and justice.

4. The student shall have at least a 2.5 cumulative Grade Point Average at the time of application.

**The James A. Finnegan Memorial Award** is offered to the member of the graduating class who by virtue of accomplishment and service is judged by the faculty to show promise of applying Judeo-Christian ideals of social justice in a political or governmental career.

**Qualifications**

1. The senior to be considered for the award should offer some *prima facie* evidence of participation in political affairs on and/or off campus. Leadership and participation in other extra-curricular activities are also to be considered, though given somewhat lesser weight. There should also be some indication on the part of the senior of intent to pursue a career in politics and/or government.

2. In exemplifying ideals of Judeo-Christian social justice, the recipient should exhibit integrity and courtesy in all of his/her endeavors.

3. Ordinarily, the recipient will be in the upper half of his/her graduating class.

**The John McShain Award** is offered to the member of the senior class who maintained an excellent scholastic record and is considered by faculty to have done the most for the public welfare of La Salle University.

**Qualifications**

1. The recipient shall be a senior, graduating student of the University.

2. High scholastic achievement normally shall be interpreted to mean Dean’s List standing.

3. In recognition of the monetary value of the award, the recipient should show evidence of his/her intent to attend graduate or professional school.

4. Primary consideration shall be given to leadership and participation in those activities which advance the good name of the University beyond the immediate campus and which enhance the role of La Salle University in the life of the region.

**The Student Activities Achievement Awards** are presented to those graduating seniors who have made significant contributions to La Salle’s program of extra-curricular activities. Traditionally, these awards have been intended to recognize those students who do not qualify for other award programs due to academic or other criteria that limit the number of award recipients. Faculty members and administrators, particularly those who work closely with student organizations, are invited to nominate as many students as they feel are deserving of these awards.

Roles for which a student is compensated by the University, i.e., office workers, Resident Assistants, scholarship athletes, and Union, Food Service, and Athletic Department Student Managers, are not by themselves given consideration. When nominating a student who falls into one of these categories, please also include all other known areas of participation.

When nominating students, please keep in mind that our intent is to recognize significant contributions. As the number of recipients has increased dramatically in recent years, concern has been expressed (often by students themselves) that nominators and selectors should discriminate carefully in order to assure that students recognized are truly distinguished.

Thanks very much for your attention and response to this request. Please do not hesitate to contact me or my assistant, Ms. Maureen Doyle, at x1374, if you have additional questions.
