The La Salle University Community,

The Department of Education will be offering the Teaching of Advanced Placement Program again this summer from July 22 through July 28. This graduate program has been held at La Salle University since 1986.

In conjunction with the College Board of Testing, this program is designed for secondary school educators who teach Advanced Placement courses. This year we are offering 21 different courses. Each course is an intensive experience resulting in three graduate credits.

This summer we expect approximately 370 high school teachers to be attending the courses. They are from public, parochial, and private high schools from a number of different states. Some are coming from as far away as California and Texas. Approximately half our registrants will be residing on campus, with the majority of them concentrated in the St. Miguel Townhouses. Others will be staying in St. Katharine Dorms.

Classes will be held in Olney, Holroyd, and Wister Halls from 8:30 a.m. until 4:30 p.m. Monday through Thursday. On Friday, classes begin at 8:30 a.m. and our program concludes at 1:00 p.m.

I am sure the entire La Salle Community will welcome these teachers to our campus and will do all that it can to ensure that the experience will be a positive one for all who are involved. Thank you in advance for your support in this program.

Sincerely,

David Greenland, Ed.D.
Director
Teaching of Advanced Placement Program
