Announces

Spring 2003 Elective Course Offerings

SWK 240: Relationships & Sexuality
Tuesday & Thursday, 11:00 a.m.
Janine Mariscotti, MSW, LCSW

This course explores relationships and sexuality from a biopsychosocial perspective within a developmental framework. Students gain an appreciation for the role of sexuality and relationships throughout the life cycle with particular attention to the sexual and relational issues of special population groups including ethnic minorities, women, gay and lesbian people, children, older adults, and people with disabilities.

This course is fun and informative; it is an important course for all students and may be of particular interest to psychology, nursing, biology/premed, communication, education, sociology, criminal justice and religion majors who may find the course material useful in their professional development.

For more information, contact Janine Mariscotti at x1114.

SWK 370A: Community Building: Theory & Practice
Wednesday, 6:15-8:55 p.m.
Donald Kelly, MSW

This course explores the importance of healthful community life for both individual and social well-being. This course focuses on the evidence and theories of how community life affects individual and social health. Further, the course will offer deliberate, community building activities as practiced by institutions, professionals, volunteers and citizens. Community building strategies that will be studied include elements of empowerment, arts, culture, physical design, symbols of identity, social infrastructure, economic equity, public philosophy, and faith.

For more information, contact Bonni Zetick at ext. 1119.

FALL CONTINUING EDUCATION WORKSHOP
FOR
La Salle University's Graduate
Programs in Psychology

Present

FORENSIC PSYCHOLOGY

H. Anthony Semone, Ph.D.
Clinical Psychologist, GKSW/Crystal Group Associates

Friday, November 1, 2002 - 1:15 P.M. - 4:15 P.M.
Main Campus - Holroyd, Room 141

Dr. Semone earned his Ph.D. in Clinical Psychology from Kent State University in 1968. He is one of 11 psychologists invited by Ralph M. Reitan, Ph.D., to sit for certification by Dr. Reitan in the Halstead-Reitan Neuropsychological Assessment System, evaluating over 2,000 individuals with the batteries, including numerous persons involved in civil injury cases as well as over 50 criminal defendants in cases involving single homicide, serial murder, racially motivated murder, terrorism, and mass murder. Currently, Dr. Semone practices as a clinical psychologist with GKSW/Crystal Group Associates in Wyndmoor, PA.

The primary goal of this workshop is to address the "nuts and bolts" of being an "ethical expert." Specific issues that will be discussed include "dual role" relationships; the Dauber/Joiner/Kumbo standards; distinctions between "clinical" and "forensic" examinations; negotiating with attorneys so as to remain independent; what to do with raw data; what to do if you are subpoenaed; and how to respond to requests from attorneys who want you to testify as a "treating" clinician. Additional issues raised by workshop participants are welcome and will be discussed.

*This workshop qualifies for 3 contact hours for the ethics requirement as mandated by the Pennsylvania State Board of Psychology.

CONTINUING EDUCATION CREDITS

La Salle University's CE Program is approved by the American Psychological Association to offer Continuing Education for psychologists. La Salle University maintains responsibility for the program.

La Salle is recognized by the National Board for Certified Counselors to offer Continuing Education for National Certified Counselors. The University adheres to NBCC Continuing Education Guidelines. Each workshop provides 3 hours of CEUs for Certified Counselors.

For more information or to register, please call ext. 1767.
