The 2003 Neubauer Peer Educator Award has been awarded to staff member: Michael Imperato and student: Matt Myrick. The Neubauer PEER Educator Award was initiated in 2002 by the students in the PEER Educator group to acknowledge an individual faculty or staff member and a student who has demonstrated the values of the La Salle University community and has promoted healthier life styles in conjunction with the mission statement of the La Salle PEER Educators.

This year’s faculty/staff recipient is Michael Imperato, Resident Director of St. Miguel Court. As a Resident Director, Michael has initiated many important changes to improve the well being of La Salle University’s students. Michael’s advocacy of students’ issues has resulted in enhancing the quality of life for the students of La Salle University. The following is a quote from the letter written by the PEER Educators to Michael Imperato about his award: “You have always listened to the issues that students bring to you and you have facilitated discussions informally and formally with students to help create awareness about their decisions”.

The student recipient of this year’s PEER Award is Matthew Myrick. As a member of the Community Development student staff, Matt has assumed an important role model position at La Salle University. Matt’s constant positive attitude and belief in the capabilities of individuals has helped his fellow students work through difficult issues and make healthy, thoughtful decisions. As written in the PEER Award letter, Matt “continuously demonstrates an advocacy for the many voices of La Salle to be heard”.

Congratulations, Michael Imperato and Matt Myrick!
Prayer of Blessing for the End of a Semester

Loving Father,
our strength in adversity,
our health in weakness,
our comfort in sorrow,
be merciful to your children who turn to you.

Fulfill the promise given by your Son
and send your holy Spirit
to enlighten our minds
and lead us to all truth.

Bless, these, your children,
as they begin their final exams.
Enfold them in your peace,
cover their fears with your love.
Help them to remember the gifts you have given them,
to use their intelligence honestly and wisely,
to invest their time prudently,
and not to neglect rest or prayer.

Father, bless our departing graduates, transferring students,
and others who will soon leave us for other endeavors.
May your peace and strength be always upon them.
And may we who remain
continue to grow as a community of love,
returning after a period of rest,
refreshed and strengthened,
to build up the Body of Christ, your Son, on our campus.

We ask this in his name. Amen!

Let us remember...
we are in the holy presence of God.

It is our duty to thank and to praise in song and prayer, to glorify the Holy One who performed all these wonders for our ancestors and for us. We were brought out from slavery to freedom, from anguish to joy, from sorrow to festivity, from darkness to great light. Let us therefore sing a new song. Praise the Eternal!

The Festival of Passover begins at sunset on Wednesday, April 16th.

The Easter Triduum begins on Thursday evening, April 17th.

If we have died with Christ, we believe that we are also to live with him. We know that Christ, once raised from the dead, will never die again; death has no more power over him. His death was death to sin, once for all; his life is life for God. In the same way, you must consider yourselves dead to sin but alive for God in Christ Jesus.

Best wishes to all Jewish and Christian members of the University Community on these most happy of feasts.
